PUBLIC ACCOUNTS COMMITTEE.

Hon. John Costigan Made No Address as to His Son's Case—Cost of Coste's Trip.

Ottawa, June 23.—In the Public Accounts Committee this morning it was arranged that Sir Wilfrid Laurier's examination in the Manitoban elections case should take place next Tuesday, instead of to-day. Sir Charles Hibbert Tupper said if he had an opportunity to look over the proceedings the examination might be greatly shortened.

No further evidence was taken in the Costigan case. Hon. John Costigan decided to make no address, saying he saw nothing in the case but absence without leave and inattention, which had been severely punished by the removal from Winnipeg to Ottawa, causing a loss of $600 a year in his son's income, a serious matter to a man of family.

The expenditures in the Coste expedition to the Yukon and trip to England next came up. Mr. Desrosiers, of the Public Works Department, brought down the papers called for as regards the former, and testified respecting the latter that Mr. Coste was on leave and paid his own expenses and the department had nothing to do with it.

Fast Work in the Senate.

Three bills were carried in short order by the Senate Banking and Commerce Committee this morning, viz., Huron and Erie Loan Company, Canada Permanent and Western Mortgage Corporation, Canada Occident Insurance Company. There was no other business before the committee.

KITCHENER, THE GREAT SIRDAR,

Will Be Seen by the Biograph in Toronto Next Week—All as it in Life.

The crowning triumph of half a generation's war was gained by the hero of the whole British Empire, Lord Kitchener. The great Sirdar, the Caesar of England's new possessions, has never been seen since his triumph in the life outside of Egypt, and his return to England, until the biograph presents him next week for the first time in America on Monday, Tuesday and Wednesday at Confederation Life Hall. His arrival at Calais, his boarding the packet, his triumphal reception at Dover are all depicted and in all the views the Sirdar is there, commanding by his presence all others. He is only one of the many new views to be presented. The splendid scenes of Pope Leo XIII. alone remaining unchanged.

One of the show sights of London, changing guard at St. James' Palace, can be seen in all its picturesqueness without crossing the ocean. The Oceanic, the new White Star leviathan, and the largest steamship afloat, was launched at Belfast early in the morning. By special train and packet the films were hurried to London and seen at the Palace Theatre the same evening. These and many other new views, with the magnificent scenes of the Pope's daily life alone remaining unaltered, can be viewed under cool auspices the first three days of next week. Confederation Life Hall has been selected as one of the coolest spots in Toronto, refrigerated as it is by iced air and electric fans. There will be three performances daily, at 2, 4.15 and 8.15.

Caught a Big Fish.

Mr. Hiram Kiteley of Currie & Kiteley, mining brokers, has returned to the city, after a week's fishing at Bobcaygeon. He caught a 19-lb. maskinonge, which is the biggest so far for the season. He can prove that he caught it. The other members of the party were Dr. Charles Riggs, Toronto; C. E. Hart, banker, Albion, N.Y., and F. M. Ives, grain dealer, Medina, N. Y. Mr. Kiteley left those three gentlemen at Bobcaygeon fishing for some monster of the deep that will weigh over 19 pounds.

Dangerous Roadway.

On Bloor-street, between Yonge and Avenue-road, the Telephone Company's men are excavating to put the wires under ground. Both sides of the street are torn up, only the street car road-bed remaining. Last evening a carriage containing a lady was being driven on the car tracks past the obstructions, when a car struck the carriage, damaging the vehicle injuring the coachman and the horses. The lady was shaken up, but not seriously hurt. It is suggested that the City Engineer look into this matter.

Children's Aid Society.

The monthly meeting of the board of this society was held yesterday. Reports showed the number of cases coming under the notice of the officers to have been 140, in which the welfare of 185 children was concerned. Seven children were placed in foster homes; 52 were received at the Shelter and 51 discharged.

Invited to Winnipeg.

Rev. Charles A. Eaton, pastor of Bloor-street Baptist Church, yesterday received an invitation to become pastor of the First Baptist Church, Winnipeg. The membership is 500, and the salary offered $3000.

ANGLICAN SYNOD NOT OVER

Clerical and Lay Members Agreed to Expedite Business on the Fourth Day.

MANY TOPICS FAIRLY DISCUSSED.

Increase of Episcopate—Voluntary Schools—Lay Help—Committees Will Report.

The fourth day's proceedings of the Toronto Synod were not of special public interest. A vast amount of work, principally routine, was transacted, and the program practically run through at a late hour last night.

Increase of the Episcopate.

There was a long discussion on the report of the committee on this topic, which crops up year by year. The proposal is to form a new diocese of the Counties of Ontario, Northumberland, Durham, Peterboro, Victoria and Haliburton.

Ultimately this amended resolution was passed unanimously:

"That in the event of the division of this diocese by the setting apart of the eastern portion thereof to be a new diocese, within three years from this date the Synod pledges itself to contribute $2000 for five years."

On motion of Rev. Dr. Sheraton, seconded by Mr. C. R. W. Biggar, the Committee on Religious Instruction in Public Schools was reappointed.

Personal Service Society.

On motion of Mr. George Bemister, seconded by Mr. A. M. Dymond, the report of the Committee on the Personal Service Society was adopted, and the committee reappointed. The object of the society is to obtain all kinds of manual, artistic and professional work for the church, and directing its disposition.

Episcopal Endowment Fund.

Mr. C. R. W. Biggar moved the report of the special committee on this fund, the object of which is to ensure the payment of an annual stipend of $4000 for the Lord Bishop. The total sum needed is $30,000—$20,000 from the city of Toronto and $10,000 from the rest of the society. Comparatively few answers have as yet been received. The sum of $4321 has been paid, St. Simon's, Toronto, heading the list with $1900, then come Church of the Redeemer $763, St. James' $750, St. Thomas' $353, St. George's $216, St. Peter's $177, St. Philip's $165, St. Luke's $110, Holy Trinity $105, Trinity College $93, St. John's $86, Wycliffe College $67, St. Paul's $55, St. Clement's $50, Trinity East $41, St. Mary Magdalene's $25, St. John's (Toronto Junction) $20, St. Mathias' $. Only three parishes outside of the city of Toronto had contributed, namely Cobourg $65, Oshawa $500, Toronto Junction St. John's $20.

The Synod commended the action of the committee, and they were reappointed, with the addition of the name of Mr. W. F. Summerhayes.

Voluntary Schools.

Mr. Lawrence Baldwin moved, seconded by Mr. F. E. Hodgins, the appointment of a special committee to further consider the proposed scheme for the affiliation of voluntary schools with the Ontario public school system, with instructions to confer with the various religious bodies and other corporations, and to report progress at the next meeting of the Synod.

Arguments at Great Length.

The subject is an old one, and has been discussed without any tangible result in the Synod each year since 1895. Mr. Baldwin made a long speech, showing the value of definite religious instruction in the public schools by representatives of the various religious bodies. He maintained that his scheme was practicable; that it could easily be worked in Toronto, and that once set in operation here it would be adopted throughout the Province of Ontario.

The Committee.

The following were unanimously elected members of the committee: Rev. Provost Welch, Rev. Prof. Clark, Rev. Septimus Jones, Rev. W. H. Clarke, Rev. E. W. Powell, Rev. E. B. Reed, Rev. C. L. Ingles, Mr. Frank E. Hodgins, Mr. A. M. Dymond, Mr. James S. Cartwright, Mr. T. E. Moberly, Mr. W. H. Lockhart-Gordon, Mr. L. H. Baldwin.

Lay Help.

Mr. J. C. Morgan moved, seconded by Rev. F. C. Street-Macklem, a resolution stating that it is desirable that lay help in the diocese should be organized and extended, and appointing a committee to prepare and carry out under episcopal sanction a scheme for effecting that end. This committee was appointed: Rev. G. M. Wrong, Rev. Dr. Langtry, Rev. J. C. Davidson, Rev. J. Gillespie, Mr. N. W. Hoyles, Mr. R. M. Dennistoun, Mr. D. W. Saunders, Mr. J. C. Morgan.

Synod Funds Investment.

Rev. Dr. Langtry obtained a committee to consider the advisability of enlarging the kind of securities in which Synod funds may be invested, and the territorial limits within which loans may be made.

Commutation Canon.

Rev. Dr. Sheraton and Rev. T. C. Street-Macklem obtained a committee to examine into the working of the commutation canon, and the practicability of making the fund of wider use in the best interests of the diocese.

Chancellor Worrell obtained the reappointment of the committee to report on the holding of a provincial synod for the civil Province of Ontario.

Parochial Differences.

Heated discussion took place on the resolution moved by Rev. T. E. Patterson, that the canon on the differences between clergymen and their parishioners, passed last year, be repealed. In moving its adoption, Mr. Patterson ran foul of both the Bishop and Mr. A. M. Dymond. From a newspaper cutting he read statements attributed to Mr. Dymond, which brought that gentleman to his feet, hotly declaring that the statements were never utter by him.

Mr. Patterson was frequently interrupted during his speech, and was also rebuked by the Bishop for not abiding by his ruling.

Rev. J. Pitt Lewis, the seconder, thought that Mr. Patterson had not received fair play; but, for his part, he firmly believed in his convictions and was not going to be put down by uproar. As members of the synod, he said, we are here to legislate, and we have a right to be heard. He characterized the canon as a disgrace, and said there was rottenness in its very bowels. A canon like that is calculated to intimidate a man and place the clergy at the mercy of cranks and fanatics, were his concluding remarks.

Mr. A. M. Dymond spoke against the adoption of the resolution in strong terms. A vote, however, was not taken, and the meeting adjourned until this morning.

Three Attractive Services.

The Western Congregational Church on Spadina-avenue will have three services to-morrow. The sermon in the morning will be preached by Rev. T. B. Hyde of the Northern Church; At 3 p.m. Rev. Morgan Wood will give one of his stirring addresses, and a former pastor, Rev. William Johnston, will preach in the evening. Special attention is given to the musical part of the service, the choir being assisted by Mrs. Maud Chivrell, solo soprano; Miss Florence Fisher, solo contralto. Under the leadership of Mr. William Lawson, the organist, this choir are becoming noted for their rendition of sacred music, especially unaccompanied hymns.

It is Not True.

London, June 23.—In the House of Commons to-day Lord George Hamilton, answering a question in regard to the report that English soldiers in the Rangoon district of India had ill-treated an aged native woman so that she died from her injuries, said the statement that the woman was dead was untrue.
