☞ The Kingston *Whig* says that nearly all the Fenian prisoners have been pardoned out of the Penitentiary in accordance with the resolve of the Executive some time ago. James Burke, of Tennessee, was discharged on Tuesday, and on Wednesday left for his home, from which he has been so long separated by his own folly.

☞ Poverty is bad, but the worst kind of poverty is poverty of the blood; this makes a man "poor indeed," for it takes away his strength, courage and energy; but enrich the blood with its vital element, *Iron*, by taking the Peruvian Syrup (a protoxide of iron), and you will feel rich and "as good as anybody." Try it.

Consumption, Bronchitis, General Debility.—Caution.—Hypophosphites.—Fellows' Compound Syrup of Hypophosphites.—As this preparation is entirely different in its combination and effects from all other remedies called Hypophosphites, the public are cautioned that the genuine has the name of "Fellows & Co." blown on the bottle. The signature of the inventor, James I Fellows, is written with red ink across each label, and the price is $1.50 per bottle.

Cut this notice out and bring it with you. We are authorized to refund the cash to any person or persons who shall buy and use Parson's Purgative Pills and fail of relief and satisfaction.

It is now generally admitted by honest physicians, that when once consumption is fairly fastened upon the lungs, no human power can save the patient from death. They also say that about fifty per cent. of those who die from this disease can trace the cause to a neglected cough or cold, which might have been cured by a small bottle of Liquid Opodeldoc, or what is the same thing, Johnson's Anonydyne Liniment.

Breakfast—Epps's Cocoa—Grateful and Comforting.—By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately favored beverage which may save us many heavy doctor bills.—*Civil Service Gazette.* Made simply with boiling water or milk. Each packet is labelled "James Epps & Co., Homœopathic Chemists, London." Also, makers of Epps's Milky Cocoa (Cocoa and Condensed Milk.)

Wife to Husband—(Rubbing the Pain-Killer on his Rheumatic shoulder briskly.) It's a great pity such a good medicine as Perry Davis' Pain-Killer is not more extensively used, just see what a world of good it has done even since we have had it. George don't have the toothache any more, it has saved Freddy severe attack of Fever, it has cured me of Dyspepsia, and I know it will relieve you of Rheumatism.

Husband—You are right, Mary, the Pain-Killer seems to fire up the cold corners of my shoulder and put new life into it, it certainly does act instantaneously, I do think, my dear, I am cured already; (meditatingly) well, well, all I have heard said of it is true, my shoulder is free from pain for the first time for these two months.

Wife—It is strange we never have been induced to try it before. I should have thought you would have been often advised to try it.

Husband—I have had the Pain-Killer recommended many times, but between the Doctors and Druggists they have always succeeded in keeping me from using it by suggesting other trash that has done me no good.

Wife—People seem to enjoy paying the Doctor five to ten dollars every now and then to experiment on them, when a twenty-five cent bottle of Pain-Killer would give them far more relief, and then the Druggists are so daunting it very hard to say "I want Perry Davis' Pain Killer and nothing else will do," and thus refuse to buy their trash.

To be continued.

☞ The Pain-Killer is an internal and external remedy for pain. For internal pain, Cramps, Spasms, Sudden Colds and bowel difficulties, a few drops in water will give immediate relief. As a liniment it is without an equal; it stops pain almost instantly. Be sure and get the genuine, made by Perry Davis & Son, and sold by Druggists and Grocers. dw

FELLOWS

COMPOUND SYRUP OF

HYPOPHOSPHITES

As all life-endowed bodies, whether they be Beasts, Birds, Reptiles, Insects, Green Zoophites, and subjects of the Vegetable Kingdom, are governed by vital force, which holds all the springs of existence, and as nothing can save them from destruction when this principle leaves them, the discovery of means whereby vitality may be retained in the living body is invited a boon to the world.

Modern Chemistry has vendilated the question and discovered the ingredients constituting the brain, muscles and nerves, and finds that by introducing these ingredients in proper proportions the brain and nervous system are strengthened.

This the is substantially the basis on which Fellows Hypophosphite is built, its direct action upon the Blood, the Brain and Nervous System, and the Muscles, Strengthening the Nerves, it causes the rapid distribution of Vitalized Blood in the Muscular Organs of the Body.

Rousing the Stagnant Heart and Liver, Strengthening the Action of the Stomach and Bowels, and enabling the Lungs to be fully inflated with Oxygen.

It is adapted for all cases of Weakness and Emaciation, whether arising from a sedentary life, a tainted atmosphere, mental anxiety, or debility from any cause, and in all cases of Pulmonary Consumption, many confirmed cases having been cured within the last month, a progress has been rapidly made over a fortnight.

In the relaxed throat it is a specific, and in Asthma it gives relief when every other remedy fails.

USE THE BEST.

Nine years before the public, and no preparation for the hair has ever been produced equal to Hall's "Vegetable Sicilian Hair Renewer," and every honest dealer will say it gives the *best satisfaction.* It restores GRAY HAIR to its original color, eradicating and preventing dandruff, curing BALDNESS and promoting the growth of the hair. The gray and brashy by a few applications is changed to black and silky locks, and wayward hair will assume any shape the wearer desires. It is the cheapest HAIRDRESSING in the world, and its effects last longer, as it excites the glands to furnish the nutritive principle so necessary to the life of hair. It gives the hair that splendid appearance so much admired by all. By its tonic and stimulating properties it prevents the hair from falling out, and none need be without Nature's ornament, a good head of hair. It is the first real perfected remedy ever discovered for curing diseases of the hair, and it has never been equalled, and we assure the thousands who have used it, it is kept up to its original high standard. Our Treatise on the Hair mailed free; send for it.
