DELAY IN POWER PROJECT WILL ENTHUSE ALDERMEN

Approach to Civic Elections Will Assist Council in Showing Sympathy With the Vox Populi.

HAMILTON, July 9.—(Special.)—While the Cataract power people are elated over what they consider a victory in the courts in Justice Teetzel's judgment continuing the injunction restraining the city council until Sept. 27 from applying to the hydro-electric commission for a supply of power, the friends of the government's cheap power project are sitting back with satisfied smiles, for the longer the settlement is delayed this year the better the chances are of the council making a contract with the commission. Early in the year, some of the newly elected aldermen appear to have little regard for the wishes of the people, but as the time of election draws near, they develop a wholesome respect for the electors. The situation now is that the matter will be tied up by the courts until near election time, and the council will not be called upon to act until just before appealing to the electors again. That leaves little doubt as to what their decision will be, in view of the fact that three times already the people have voted in favor of the commission.

Just how the corporation feeling in the council weakens before election time is illustrated by what happened last year. The Cataract Company had a comparatively unimportant by-law before the council giving permission to give it a franchise for some switches in the east end of the city connecting with car barns and shops, but there was a general stampede of even the Cataract leaders, and hardly an alderman would support the measure, which had to be withdrawn.

A small fire, causing about $50 damage, occurred to-night at the home of J. Minnes, 275 West Main-street, from the explosion of a lamp.

Boys Robbing Car.

Three boys were disturbed at 4 o'clock this morning in robbing a freight car in the Cannon-street yards of the G.T.R.

George Hunter, whose name is on the "Indian" list, was given three days in jail this morning by the magistrate to refresh his memory so that he could tell where he got his liquor. Albert and Simon Doelbert, juveniles, were allowed to go on a charge of arson arising out of the fact that they started a bonfire near an ice house.

The engagement is announced of Miss Mabel Maria, daughter of F. F. Dalley, to Peter H. Douglas, Macleod, Alberta.

A gang of sneak thieves has stolen a great many bicycles.

Mrs. Aldridge, wife of a G. T. R. brakeman, who died from the result of injuries, is suing the company for unstated damages.

A Bailiff's Objections.

Joseph Greenfield, a bailiff, who says he has been removed from the board of the amalgamated Gore-street and Wesley Churches, is objecting to the union, and intimates that as his name was on the first mortgage on the Gore-street church, he will object to the proceeds of the sale of the church property going to the new congregation.

It is said that the Shuberts have secured the Bennett Theatre here.

Mabel Phillips, 310 South Caroline-street, had to have nine stitches put in a wound caused by a dog.

WANTS THE GIRL, TOO

Woman's Fight For Possession of Adopted Child.

PRESCOTT, July 8.—(Special.)—Mrs. Leah R. Lillie of Athens, Ont., wants to regain possession of a 14-year-old girl, one Clara Warren. In September, 1901, Mrs. Lillie was on a train passing thru Watertown, N.Y., when Chas. Warren, father of the girl, got on the train and asked Mrs. Lillie if she would take the little one and make a home for her, saying the girl's mother was dead and he had no means of support. Mrs. Lillie took the child to her home in Athens. The father was committed to the Jefferson County Almshouse the next year and died in 1903.

Recently the Lillie family became separated. Mrs. Lillie instituted a suit against her husband, Dr. C. B. Lillie, for separation and alimony. According to law, when such litigation is pending, any minor children in the family are taken by the authorities until a settlement is reached. The child was so taken by the Children's Aid Society of Brockville, a month ago and is now with the family of John Lillie at Oakville, a brother of Dr. Lillie. Mrs. Lillie succeeded in getting alimony and is now trying to recover the child. She is trying to interest the U. S. consul in the matter.

FIRE AT AHMIC HARBOR.

Village in Parry Sound District in Grip of Flames.

BURK'S FALLS, July 9.—A fragmentary message from Ahmic Harbor, via Dunchurch, late this afternoon, said that the village was on fire, that the hotel and several residences had been burned and that Graves, Bigwood & Company's warehouse was threatened.

It was impossible to get either telephone or telegraph connection with the village on account of the fire.

Ahmic Harbor is in Parry Sound District, 25 miles from here. It has a population of 200, three lumber mills, two stores, a church, S. A. barracks, and one hotel.

STRATFORD BYLAWS.

STRATFORD, July 9.—A bylaw for $15,000 to build on extension to the Stratford General Hospital carried to-day, but one to guarantee bonds of the Stratford Carriage and Motor Company for $25,000 was defeated.

There Was No Persuasion.

MONTREAL, July 9.—(Special.)—A prompt denial that there was any interference or suggestion on the part of the home authorities tending to imperialism, the establishment of an empire press association, and the probable holding of a press conference in Winnipeg in 1912 were items culled from an interview this evening with John W. Dafoe of The Winnipeg Free Press, who arrived to-day by the Empress of Britain, from the press conference in London.

M. E. Nichols of The Winnipeg Telegram left the steamer at Rimouski and went to Sackville, N.B.

Entitled to Subsidy.

The Ontario Railway and Municipal Board have approved of 166.16 miles of railway on the Grand Trunk Pacific, on which the provincial subsidy of $2000 per mile can now be paid.

The approved section begins at 122 miles from Fort William and runs to Superior Junction.

T. E. Ramsay and wife of Toronto are registered at the Royal Muskoka Hotel.

Prepare For Lumbago!

If You Have "Nerviline" Handy One Rubbing Will Cure the Pain.

THOUSANDS USE "NERVILINE"

The "strike" of lumbago is like a bolt of lightning—you never know when it is coming or where it is going to strike. Probably the one certain thing about lumbago is the fact that it can be cured by Nerviline—the only liniment that penetrates deeply enough to reach the congested chords and muscles.

LETTER NO. 4875.

"Years ago I strained my back and suffered considerably with weakness over the spine," writes Darius P. Millan, a well-known farmer, residing near Kingsville. "Then lumbago attacked the weak spot, and for days at a time I would have to lie up in bed, unable to move or turn. Liniments, poultices and hot applications failed to bring the desired relief, and I was in despair of ever getting really well again. I at last decided to test 'Nerviline.' I got five bottles from the drug store and had it rubbed on three times a day. The stiffness and pain left my back quickly, and by continuing Nerviline I was completely cured of Lumbago."

This is similar testimony to that of nearly five thousand Canadians who have written unstinted words of praise to the manufacturers of Nerviline. For the cure of lumbago, sciatica, neuralgia and rheumatism there is no liniment with one-fifth the pain-relieving power of Nerviline.

Refuse any substitute. Large 25c. bottles of Nerviline, or five for $1.00, at all dealers, or The Catarrhozone Co., Kingston, Ont.

IDENTIFIED THRU THE WORLD

Railway Victim at Napanee Was Thomas Ewart of Kingston.

KINGSTON, July 9.—(Special.)—The photograph which appeared in Thursday morning's issue of The Toronto World was the means of identifying the body of the man who was killed on the railway some few days ago at Napanee. The picture and description tallies with that of Thomas Ewart, jr., son of Thos. Ewart, Portsmouth, who has been missing from home several days, and Joshua Ewart and Edward Kelso left this morning for Napanee.

Joshua Ewart returned to-night from Napanee and is satisfied that the body is that of his brother. He did not see the remains as they were buried. The family are inclined to believe in foul play, as his hat was found in Napanee, and the body three miles west of there, but the authorities are satisfied Ewart met with accidental death by falling off the train. The body will be allowed to remain in Napanee Cemetery.

Michael Kennedy, veteran guard at the penitentiary, was reading The World when he recognized the picture. Ewart was in Toronto a few days ago and, upon returning home, went to Napanee.
