A Greek Repulse.

Description of the Battle of Milouna Pass,

In Which the Sultan's Troops Were Victorious.

The Turks Laughing and Weeping With Joy.

Rafiz Pasha, 80 Years Old, Killed While Leading His Men.

The Turkish Commander's Report—Preparations for an Advance on the Greek Headquarters—Greek Successes Elsewhere.

Elassona, Summit of the Milouna Pass, April 21.—The Turkish victory in the Milouna Pass was complete. The enemy retired to the plain of Thessaly, leaving only a rear guard on a hill, from which it was driven later by the Turkish infantry. The Turks pulled up to the top of the hill three mountain batteries, singing, laughing, and weeping with joy like children. One battery opened fire upon the Greeks, who were retreating on the plain of Traves, and did terrible execution. The writer saw some of the Turkish shells burst in the middle of the seried battalion of Greeks, with the result that whole groups were killed or wounded. On Sunday evening seven new Turkish battalions and several mounted batteries of artillery left for the scene. At dawn the latter were trained on the Greek blockhouse on the plain below. Junes Effendi, the Turkish commander, and his men had been 26 hours without food or drink. When they were preparing to capture the Greek blockhouse Junes made a speech to his soldiers, saying: "All those who love God must advance to the assault." This was enough. Every man, with loud, exultant shouts, dashed forward in the direction of the blockhouse. Even the muleteers, who were bringing up the reserve ammunition, joined in the assault on the blockhouse, which was held by the Greeks with magnificent courage.

A BAYONET CHARGE.

The Turks charged with the bayonet, and eventually leaped over the ramparts with shouts of triumph. The Greeks waited their approach until the Turks were within 30 yards before withdrawing. In the assault the Turks had only sixteen men killed and seventeen wounded. The Greeks appeared to be lacking in artillery. As the correspondent is writing this dispatch, the Greeks attempted to reply to the Turkish artillery, but they were eventually forced to retire. The Turkish losses in the fighting were 50 killed and 150 wounded.

THE SECOND DAY'S FIGHTING.

During Sunday night the Turks strengthened the positions which they had captured from the Greeks. At sunrise it was seen that the Greek forces had retired, except for a hill, which was occupied by the Greek rear guard. Desultory firing took place all the morning, and finally, at 1 p.m. (Monday) Hairi Pasha sent four battalions off to drive the enemy from the hill referred to. In twenty minutes it was all over. The resistance of the Greeks was feeble, and many of them surrendered to the Turks. The prisoners were mostly young and sturdy men.

After the capture of the last Greek position the Turks advanced, singing as they marched forward, and occupied all the remaining heights. On reaching the summit of the hills above Tyrnavo, the Greek frontier town, situated about ten miles from Larissa, the Turks observed that the Greeks were occupying a small hill, from which they fired but feebly at the Turks. Finally two Turkish mountain batteries were brought to the summit of the hill occupied by the Turks, and from there the Turkish guns began bombarding Tyrnavo. Under cover of this fire the Turks' infantry advanced, and after capturing a spur opposite the Greek blockhouse, orders were given to take the blockhouse by assault. This movement was brilliantly effected twenty minutes later.

The Greek prisoners say that the Greek army has already lost heart. The situation at present is that the Turks have possession of all the commanding heights between headquarters and the Greek headquarters at Larissa, with the exception of Tyrnavo, which is now commanded by the Turkish batteries. The Turks are camping in the Greek tents left on the plain of Thessaly, near the Milouna Pass, by the retreating Greek army. The Turks on Monday had only six men killed and ten wounded.

DEATH OF THE TURKISH COMMANDER.

The death of Rafiz Pasha, the Turkish commanded, who was killed in the fighting which took place in the Milouna Pass on Saturday, is greatly lamented. He was 80 years old, and, while advancing at the head of his troops, was urged to dismount and rest. The old pasha replied: "During the Russian war I never dismounted, and why should I do so now?" Soon afterwards he was wounded in the arm, but he still remained in the saddle. Later a second bullet struck him on the hand; yet the old warrior refused to retire. Finally a third bullet broke the gallant pasha's spine, and he reeled from his saddle, dead.

TURKISH COMMANDER'S REPORT.

Constantinople, April 21. — Edhem Pasha has wired the Sultan that he gained several notable victories on Monday, occupying all the fortified positions commanding Tyrnavo. He reports that the Greeks evacuated their entrenched camp, leaving behind 30 cases of cartridges and many rifles. The Turks, he says, have retaken Volitzko, which the Greeks surprised and captured on the first day of frontier aggression.

The Turkish commander at Janina announces that the Greek fleet, which has been bombarding Prevesa, has been compelled to retire.

An official telegram from Zante asserts that the Greeks who landed at Eleutheropoli and reached Gojrat near the railway were attacked and defeated by Turkish troops and peasants, and that 100 Greeks were killed.

A second Turkish squadron left the Golden Horn Tuesday afternoon for the Dardanelles. It consists of the ironclad Orhanian, the monitor Hofsirahman, the corvette Mansoura, five torpedo boats and four steamers, which have been converted into cruisers.

GENERAL ADVANCE OF THE TURKS.

Milouna Pass, April 20—Morning.—Active preparations for a general advance have been in progress since daybreak. During the night the Greeks established themselves on the last height near Tyrnavo, opposite the position which the Turks captured the previous evening. Nechat Pasha opened the attack upon this position with a brisk firing from behind the defenses. The Greeks brought up several pieces of artillery, which were speedily silenced. The Greeks are now centrated near Tyrnavo. Greek reinforcements have been seen crossing the plain in the direction of Tyrnavo.

Evening—The Turks have just commenced to shell the town of Tyrnavo. All the roads leading to Larissa are crowded with fugitives, shouting "Reserves, don't try conclusions with the Turks." The Greek villages in the plain are completely deserted.

THE GREEK SIDE.

Headquarters of the Greek army in Thessaly, Larissa, April 21.—The mayor of Larissa has issued a proclamation calling upon all citizens to arm themselves in defense of the country.

Every step possible is being taken to defend this place against the Turks, who are reported to have captured Tyrnavo, ten miles from here, and to be pushing on to Larissa. The Minister of the Interior has issued orders to the prefects throughout the country calling upon them to summon all citizens to arms in defense of Greece, now invaded by the Turks. It is reported that the Greeks captured 200 prisoners at Viglia.

NO LACK OF PATRIOTISM.

All the members of the gendarmerie and other police forces, military organized, are now to the frontier. The citizens have volunteered to guard the town, and the same state of affairs prevails in the other towns of Greece. On all sides there is a firm determination to meet the Turkish invasion, and every man who can be spared, and who can bear arms, is going to the front.

The Athenian ladies, under the patronage of the Queen, have converted the steamer Thessaly into floating hospital. Three hundred beds for the wounded have been placed upon board of her, and she is now proceeding to Volo.

SUCCESS OF THE GREEKS AT ARTA.

Athens, April 21.—A dispatch from Arta says that 3,000 Greeks have crossed the frontier at Bani, and a severe artillery duel has been in progress since Monday. The Greek artillery has silenced the Turkish fort commanding the town. Two attempts by the Turks to cross the river were repulsed. There has been brisk firing at the place, and a heavy infantry fire along the line for about five miles. Two Greek officers and many Turks have been killed.

An official dispatch from Arta says that after crossing the Arathos at Bani the Greeks occupied the villages of Neokhori and Sakhikalama, where they strongly entrenched themselves. Col. Manos is now advancing northward in the direction of Paraskevi. The Greeks repulsed an attempt of the Turks to cross the bridge at 5 o'clock in the morning. A number of Greeks, among them several officers, were killed and others wounded.

Col. Manos, in command of the Greek forces on the frontier of Epirus, has telegraphed to the Government that the Turks have bombarded the military hospital at Arta, although the Red Cross flag was hoisted over it.

ANOTHER GREEK VICTORY.

Athens, April 20—Midnight.—News has just reached here that the Greeks, after a desperate battle, have captured and burned Damazi. Viglia is still resisting. But another division of the Greek troops, it is reported, has traversed the Reveni Pass and captured three blockhouses. The 20,000 troops under Gen. Smolenitz displayed the greatest bravery. Reveni lies twelve miles northwest of Larissa.

TURKS REPULSED SEVEN TIMES.

Edhem Pasha, with a force variously estimated at from 10,000 to 14,000 troops, led seven assaults against it yesterday. But all were repelled by the Greeks. Crown Prince Constantine has telegraphed here that the Turks at that point were repulsed.

Greater attention has been paid to the operation in the neighborhood of Reveni than to those of Milouna Pass. The theory all along has been that if the Greeks could establish themselves at Damazi, their road would lie open to Elassona.

The exact situation at Tyrnavo is somewhat in doubt. The news from that point is conflicting. But there is no confirmation of the rumor that the place has been captured by the Turks. What seems to have happened is that Tyrnavo was evacuated in order to send troops forward to Reveni and was then reoccupied by troops returning from Milouna.

PRESS COMMENTS.

London, April 21.—The Globe, a consistent Philo-Turkish organ, says that Turkey practiced exemplary patience under persistent provocation and affront, and the joint interest of the powers now lies in localizing the war.

The Birmingham Post, the organ of the progressive "Unionists," urges Lord Salisbury to depart from the concert of Europe, and declares that the resolution of Turkey to settle her quarrel with Greece by the sword should compel the British Government to consider their position of adherence to the concert of powers, which is only justified as preserving European peace, wherein it has failed.

The Times, discussing editorially the Greek invitation to the powers to withdraw the forces from Crete, says that if Greece meditates the recall of Col. Vassos, the commander of the Greek army of occupation in Crete, so that he may co-operate in the defense of his country, the powers might doubtless strain a point and let him out, but if this is the object, the Greek Government should say so. Until they do, the powers are not in the least likely to modify the action in Crete.

Vienna, April 21.—The paper Freie Presse, in an article on the Turko-Grecian war, and the causes which led up to it, expresses the opinion that Grece is wholy answerable for the outbreak of hostilities. Referring to the fighting that has already taken place along the frontier, the paper says that the engagements thus far have only served to force the defiles leading to the plains of Larissa, where a decisive battle is shortly expected. It is not doubted that when this battle does occur, it will result in a victory for the Turkish army. The only danger for the Turks are the bands of Greeks in their rear, who may cut off their supplies of provisions.

THE TURKS' ADVANTAGES.

Washington, April 21.—According to official dispatches received by Moustapha Bey, the Turkish minister, from Constantinople, under date of April 20, the Turks have not only gained decided ground along the northwestern frontier in the neighborhood of Milouna Pass, but have repulsed the attack of the Greek fleet on Prevesa. The commander of the Turkish forces at Elassona reports that all of the fortified positions commanding Tyrnova, next to the last fortification outside of Larissa, have been captured by the Ottoman troops. The Greeks evacuated their entrenchments in panic. The position of Vilitoko, which was occupied by bands of Greek irregulars, on their first advance into Turkish territory, has also been recaptured by the Turks.

POSSIBLY A DECISIVE MOVEMENT.

The commander assures the Porte that the forward movement today (Tuesday) is the most important yet attempted, and is expected to result in a decisive and important Turkish victory.

A Liberal Tidal Wave

Goes Sweeping All Over Nova Scotia.

The Conservatives Nowhere in the General Election.

The Opposition Leader Among the Slain—Probable Election of a Liberal to the Dominion House.

Halifax, April 21.—Never since Confederation has there been such a political overthrow in Canada as occurred throughout Nova Scotia yesterday in the general elections for this Province. The Conservative party was practically extinguished. The Conservatives did not carry their full ticket in a single county of the eighteen comprising the electoral district. In fact, they will have but three members in a House of 38. In the last House the eight members from Cape Breton Island were comprised of six Conservatives and two Liberals. In the new Assembly there will not be a solitary Conservative, Cape Breton sending a solid phalanx of Liberals. The Liberals carried fifteen of the eighteen counties, elected two or three members in one of the others and divided the representation in the remaining two.

VICTORIOUS LIBERALS.

The following is the list; the names of the elected members being in capitals:

Annapolis—J. W. LONGLEY, Liberal, 1,198; BANCROFT, Liberal, 1,815; Harrington, Conservative, 1,593; Jones, Conservative, 1,635.

Antigonish — McGILLIVRAY and CHISHOLM elected, both Liberals; no figures given.

Cape Breton—KENDALL, Liberal, 1,971; JOHNSTONE, Liberal, 1,970; McKay, Conservative, 1,347; McCormack, Conservative, 1,327.

Colchester—LAURENCE Liberal, 2,299; DICKIE, Liberal, 2,167; McMullen, Conservative, 2,302; Dimock, Conservative, 2,223.

Cumberland elects BLACK and FRASER, Liberals, no figures.

Digby—A. H. COMEAU, Liberal, 717; GIDNEY, Liberal, 674; Tinipsey, Conservative, 302; F. E. Comeau, Conservative, 431.

Guysboro—SINCLAIR, Liberal, 812; FERGUSON, Liberal, 801; Gregory, Conservative, 643, Elliott, Conservative, 577.

Halifax—McPHERSON, WALLACE, and MITCHELL, all Liberals, elected. No figures.

Hants elects DRYSDALE, Liberal; WILCOX, Conservative.

Inverness—McDONALD, Liberal, 2,432; DOUCETTE, Liberal, 2,310; Campbell, Conservative, 1,229; Jamieson, Conservative, 1,382.

King's elects WICKWIRE and DODGE, two Liberals, by large majorities.

Lunenburg elects CHURCH and SFERRY, Liberals.

Pictou elects McGREGOR, Liberal, 3,392; McDONALD, Liberal, 3,333, and TANNER, Conservative, 3,295. The defeated candidates are: McIntosh, Liberal, 3,184; Cameron, Conservative, 3,242; Fitzpatrick, Conservative, 3,268.

Queen's—Returns from this county are very meager. It is claimed KEILLER, Liberal, and MILLARD, Conservative, are tied, while FARRELL, Liberal, is elected.

Richmond — JOYCE, Liberal, 725; FINLAYSON, Liberal, 587; Morrison, 643; Benoit, Conservative, 574.

Shelburne—JOHNSTONE and ROBERTSON, Liberals, by acclamation.

Victoria elects MURRAY (Premier), and MORRISON, both Liberals.

Yarmouth elects LAW and LEBLANC, Liberals.

It will thus be seen that the Liberals carry Annapolis, Antigonish, Cape Breton, Cumberland, Digby, Guysboro, Halifax, Inverness, King's, Lunenburg, Queen's, Richmond, Shelburne, Victoria, and Yarmouth counties, while in Pictou they elect two out of the three, and in Hants and Colchester the representation will be one and one.

MR. STAIRS DEFEATED.

Every member of the Government was elected, while the leader of the Opposition was among the slain, and the Liberal majorities were in the hundreds in nearly every place. In Halifax the majorities are almost unprecedented, being from 700 to 900, while in some Cape Breton counties the majorities are over 1,000. In Kings county it is doubtful if the Opposition candidates will save their deposits. Sir Charles Tupper is blamed. He it was that engineered the campaign and placed Mr. Stairs, late Conservative member for Halifax, as leader of the party. Mr. Stairs, who is popular personally, occupied the humiliating position of being next the foot of the poll. In Yarmouth a Liberal Prohibitionist was brought out in the hope of dividing the party, but the straight Government ticket was elected by big majorities.

COLCHESTER IS LIBERAL.

In the bye-election for the Dominion Parliament Colchester has probably elected a Liberal for the first time. The Liberals claim Mr. McClure's return by a majority of two, with one place to hear from, which will increase it, while the Conservatives claim Dr. Muir, their standard-bearer, has a majority of one.

Sir Hibbert Tupper has the mortification of seeing his own constituency slipping away from his grasp.

The Parnellites

Meeting in Convention at Dublin.

Form an Independent Irish League —Harrington Objects.

Dublin, April 21.—There were many prominent Parnellites present at the Parnellite convention here yesterday. The meeting was private. A resolution was adopted providing for the foundation of an Independent Irish League, in which agrarian interests are not dominant, and which will be founded upon "the broader and sounder basis of independent political action for the benefit of the whole nation." Secondly, the object of the league will be "civil and religious liberty, and no further interference of priests in politics." Thirdly, "absolute independence of alliance with any English party, and reverting to the old demand for co-ordinate Parliaments, as in Mr. Gladstone's home rule proposals." Fourthly, "manhood suffrage, which will give the Parnellites a political majority in Ireland." The league will also urge the immediate redress of Ireland's grievances, amnesty for all political prisoners, land reform and the development and encouragement of labor and the industrial resources of the country, etc.

After the vote on the new programme, Timothy Harrington and his followers, who opposed it, left the meeting in a body. A temporary executive committee was elected to draft the plan of organization and to hold office until the Parnellite convention meets again in October.

There was a fair attendance at the public meeting which followed the private conference, and the proceedings were marked by considerable enthusiasm. Mr. Redmond explained the new movement, and appealed to Irishmen at home and in America for support. He outlined the policy of obstruction to be pushed in the House of Commons in order to secure redress of financial grievances. His mention of the name of Timothy Harrington produced a hostile demonstration. Mr. Stuyvesant Chandler, who had a very hearty reception, declared that the new platform contained the cornerstone of the American constitution, and the birth of the new league would revive the interest of all Americans in the welfare of Ireland. Amid loud cheers he bade England beware of "that vast throng of Irishmen in the United States with the same old love of Ireland, who hate England in their hearts." A resolution approving the proceedings of the conference was adopted without dissension.

Nova Scotia Elections Disappoint Conservative M. Ps.

Enthusiastic Liberals — Sir Charles Tupper's Pre-Election Advice—Ottawa Notes.

Special to The Advertiser.

Ottawa, April 21.—Nova Scotians are nothing if not enthusiastic in their political demonstrations. When news of the great Liberal victory in the provincial elections was received last night Mr. Copp, the youthful M. P. for Digby, arranged to have the Liberal headquarters in the House illuminated in a striking manner. Only two Nova Scotian M. P.s remained out of the province during the last week of the campaign, Mr. Copp and Mr. Mills, Annapolis, and they were paired. Sir Charles Tupper, Jun., managed the campaign for the Conservatives. Though a member of the House of Commons, he has not been in Ottawa this session. The Opposition leader is very much in the dumps over the result. At the Conservative caucus of the beginning of the session, Sir Charles told his supporters that the only way to win power at Ottawa was to capture the provinces, and he urged that they begin with Nova Scotia, to the management of which he had delegated his son and heir.

The returns tell the tale of Tupperian discomfiture.

The double-tracking of Victoria bridge, Montreal, will be proceeded with by the G. T. R. immediately.

Mr. Gibson, M. P. for Lincoln, who returned from Montreal last night informs me that he has obtained the contract for the stone work necessary to the widening of the great structure over the St. Lawrence.

Before many months the western headquarters of the Intercolonial will be in Montreal, the Ministers having arranged for running powers over the G. T. R. for the Government railway from St. Hyacinthe westward.

BURIED ALIVE!

Six Men Killed by a Landslide in Rossland, B. C.

Spokane, Wash., April 21.—A special from Rossland, B. C., says that as a result of a landslide near Sheep Creek, on the Red Mountain Railroad, six men were killed, one is missing, and a number are seriously injured. The men were employed on the railroad. Twelve of them were asleep in camp when a huge landslide 300 feet wide swept over their camp.

The slide was caused by a cloudburst on the summit of Lake Mountain, overtaxing the banks of the lake. So great was the force of the slide that an embankment twenty feet high was leveled. Immense boulders and trees torn loose carried death to the sleeping laborers. The dead are Patrick Sheppard, Tom Kane, Riley, McLaughlerly, McFinn, and three unknown. Two badly injured were attended by Dr. Bowes, who says they will recover.

The Columbia River is rising at Trail and heavy floods are predicted.

The ore shipments from the Slocan to Kaslo last week were 338 tons, valued at $31,500.

Rain here for the past 24 hours has cheered everybody up. Prospectors are fast leaving for the hills.

FAGGED OUT.—None but those who have become fagged out know what a depressed, miserable feeling it is. All strength is gone, and despondency has taken hold of the sufferers. They feel as though there was nothing to live for. There, however, is a cure—one box of Parmelee's Vegetable Pills will do wonders in restoring health and strength. Mandrake and Dandelion are two of the articles entering into the composition of Parmelee's Pills.

Oh! So Tired.

Many people are tired, worn out and weary in spring time, when they could easily be strong, vigorous and healthy by using Burdock Blood Bitters, which removes all morbid effete matter from the system and restores robust health.
