M'GRAW MAY BE DROPPED

New York Manager Too Close With the Horses.

New York, Nov. 13.—President John T. Brush yesterday refused to deny that Johnny McGraw is to be deposed as manager of the Giants on account of his love for the races. "I would really rather not talk about the McGraw matter now," he said. "No, I will not say whether or not he is to be deposed or whether Bresnahan is to take his place. You might," he added with a smile, "go and see McGraw himself about it, or run out to Toledo and talk to Bresnahan."

FOSTER AT CHATHAM

Canada Seething With Corruption, Says the Pessimistic George.

Chatham, Nov. 13.—Hon. George E. Foster was the chief speaker at a smoker given here last night in the auditorium by the local Conservative Association. There was quite a large crowd present, and Mr. Foster's diatribes were listened to with evident interest. Mr. H. S. Clements, M. P. for West Kent, also spoke. Mr. J. M. Pike, president of the West Kent Conservative Association, presided.

Mr. Foster began his speech by paying a tribute to Mr. Clements, who he considered was a valuable man in the House of Commons. He then launched into a denunciation of the Liberal Government. He paid special attention to Hon. A. B. Aylesworth, and declared that the Minister of Justice had done nothing to crush corruption in Canada.

"The whole country is seething with corruption," he declared, "and Mr. Aylesworth cries 'Scandal,' but if he would stop the cause of the scandal there would be no talk. As minister of justice he has not done the least thing to stop this wrongdoing. There are men sitting in parliament who have been made rich in the outrageous favors shown by the Government."

Then Mr. Foster began an eulogy of the National Policy, and declared that the prosperity of today was due to the protectionist policy of the Conservatives, which had been adopted by the Liberals.

Mr. Clements and Mr. Pike also delivered addresses. There was also a short musical programme.

What is said to be the record coaling operation is claimed to be that made a short time ago when 914 tons were put on board the Carmania in seven hours and fifty minutes.
