THE GIRL WITH BEAUTIFUL HAIR

Attracts Attention Everywhere

There is one sure and certain way for every woman to have beautiful hair, and that is to give it intelligent care, which includes the use of Newbro's Herpicide.

This remarkable preparation kills absolutely the dandruff germ, eradicates dandruff and prevents the hair from falling.

The prophylactic action of Herpicide keeps the hair free from disease, and with the scalp sweet and clean a natural hair growth is inevitable.

Herpicide hair scintillates with health and vigor, light and lustre, produced only by the well-known scalp and hair dressing, Newbro's Herpicide.

All druggists sell it and guarantee one dollar size bottles.

All first-class barbers and hair dressers use and recommend it.

A sample and booklet will be sent to any address upon receipt of 10c by The Herpicide Company, Dept. R., Detroit, Mich.
