LATE REV. DR. CLARKE WRITES MR. FELLOWS.

While I was under the process of Erysipelas the Hon. Dr. ——— called upon me; I told him I was afraid of the Hypo. I had used. He said "Fellows' Hypophosphites is a good medicine, as an efficient tonic—and no doubt had drawn the nutritious matter in my blood to the surface and thus prevented it from attacking the important organ of my brain."

I have conversed with many who have used it and all say they were benefitted by it.

For myself, I have much pleasure in saying it improved my general health exceedingly. It gives a clear skin and healthy countenance, but I know its virtues it must be used, and were it within the reach of all classes, I believe it would be used universally, yes, by the well, to render their age and by the sick to make them well.

It makes an old person look ten years younger. "This witness is true."—Would that I could more widely make it known for its many virtues. Long may its inventor live to see the happy fruits of his invention.

WAR AND COMMERCE.—It is urged by some that English trade has gained largely by the Franco-German war, and that she has been serving both belligerents to the great advantage of her commercial interest; but official statements prove that such has not been the case. But it is true that the sales of the "Canadian Pain Destroyer" are rapidly increasing, and gaining the confidence of the public, for curing coughs, colds, rheumatism, neuralgia, summer complaints, &c. For sale by all Druggists and country dealers. Price 25 cents per bottle.

READ THIS TWICE.—Five to thirty drops of THOMAS' ECLECTRIC OIL will cure common Sore Throat. It never fails in Croup. It will cure a Cold or Cough in twenty-four to forty eight hours. One bottle has cured Bronchitis of eight years standing, recent cases are cured in three to six days. It has restored the voice where the person had not spoken above a whisper in five years. As an outward application in all cases of pain or inflammation, a thing like it has ever been known. One bottle will cure any case of Lame Back or Crick in the Back. For Contracted or Stiff Joints and Contraction of the Muscles it is unequaled. In Rheumatic or any other pain the first application does pain good. It stops Ear Ache and the pain of a Burn in three minutes, and is altogether the best and cheapest medicine ever offered to the people—the cheapest, because it takes so little to do good. It is composed of six of the best oils known, and nothing but oils. It is worth its weight in gold. Why not buy it to-day?—A. B. Den Rochers, assistant postmaster, Arthabaskaville P. Q., writes:—"Thirteen years ago I was seized by a violent attack of Rheumatism in the hand, from which I have nearly constantly suffered. After having used "Thomas' Eclectric Oil" for nine days, bathing the forehead, I have been completely cured, and have only used half a bottle. This I can certify under oath if you wish."—Rev. J. Mallory, Wyoming, N. Y. writes: "Dr. Thomas Eclectric Oil cured me of Bronchitis in one week. Dealers all over the country say, "We have never sold a medicine that has given such complete satisfaction as this."

Beware of Counterfeits.

For the protection of the Public of British North America, I deem it my duty to state that my Pills and Ointment are neither manufactured nor sold in any part of the United States.

Each Pot and Box bears the *British Government Stamp*, with the words, "Holloway's Pills and Ointment, London," engraved thereon. On the label is the address, 533, Oxford Street, London.

This notice has become necessary, in consequence of vile and spurious imitations of "Holloway's Pills and Ointment," being fabricated at 78, Maiden Lane, New York, by "Holloway & Co.," with an assumed trade mark, thus—

Unprincipled vendors can obtain this trash at a very low price, and so deceive you by selling the name for my genuine Holloway's Pills and ointment, which are manufactured only at 533 Oxford Street, London.

Those who may be so deceived will be pleased to communicate with me.

Many respectable Firms in the British Provinces, who obtain my medicines direct from here, have very properly undertaken that I should, for the benefit of themselves and the public, insert their names in the papers, that it may be known that my medicines can be had genuine from them.

The following is a list of the Firms alluded to; and I particularly recommend those who desire to get my medicines to apply to some of the Houses named:—

EVANS, MERCER & Co., Montreal.
Messrs. Avery, Brown & Co., Halifax, N. S.
Messrs. Forsyth & Co., Halifax, N. S.
Messrs. T. H. Barker & Sons, St. John, N. B.
Apothecaries' Hall Co., Charlotte Town.

Mr. J. Chaloner, St. John, N. B.
Messrs. Hanington Bros., St. John, N. B.
Mr. R. S. Priddy, Windsor, Ont.

Mr. George C. Hunt, Jun., Fredericton, N. B.
Mr. W. H. Thompson, Harbor Grace, N. F.
Mr. J. M. Wiley, Fredericton, N. B.
Messrs. W. & D. Yuile, Montreal.
Chas. I. Davies, Fredericton, N. B.

The medicines are sold at the lowest wholesale prices, in quantities of not less than £20 worth—viz., 8s. 6d., 22s., and 34s per dozen boxes of Pills or pots of Ointment, for which remittances must be sent in advance.

Chemists and other vendors of Holloway's genuine Pills and Ointment may have their names inserted in the local papers if they will please apply here—

A gentleman one evening was seated near a lovely woman, when the company around him were proposing conundrums to each other. Turning to his companion, he said, "Why is a lady unlike a mirror?" She "gave it up." "Because," said the rude fellow, "a mirror reflects without speaking, but a lady speaks without reflecting." "And why are you unlike a mirror?" asked the lady. He could not tell. "Because a mirror is smooth and polished, and you are rough and unpolished."

THE KEY TO A MOTHER'S HEART.—The key too a mother's heart is the Baby, and anything which in any way ministers to the comfort of the little pet, is hailed as a blessing; for the last 30 years, the mothers of Europe, have looked upon WINGATE'S INFANTS' PRESERVATIVE, as their household friend. NOTICE.

TO YOUNG MEN,

Middle Aged and Old Men.

You who, by the indiscretions of youth, excesses and abuses of mature years, or from any cause, are suffering from that mind-harrowing and body-destroying disease,

SEMINAL WEAKNESS,

can be quickly, perfectly and permanently cured by applying, either in person or by letter, to Dr. DeLos, and stating particulars and symptoms of your trouble.

Charges moderate and within the reach of all.

Patients living at a distance can be cured at home just as well, and without any one knowing it.

Medicines (with full and plain directions for using) sent to any part of the country by mail or express perfectly secure from suspicion.

Send for a Circular,

which will give you all particulars and will be sent in a plain and sealed envelope.

Come to Detroit and call at the Dispensary. Remember the number, 217 Jefferson avenue. At the office (which is so arranged) persons never meet each other, and see no one but the Doctor. Therefore let no feelings of modesty or bashfulness deter you from making immediate application, either in person or by letter. Do not risk your health or hazard your life longer, but go or send at once to the physician, whose business it is, and he will fully restore you to health. If you cannot come, write, and address letters, Dr. DeLOS, drawer 414, Detroit, P. O., Michigan.

Avoid Quacks and Imopostors.

If you are afflicted in any way, before placing your case in the hands of any one, go or send to this old, reliable Medical Dispensary, where the consulting physician, has had over 240 years' experience in treating the unfortunate, which is a sufficient guarantee to all that it is the ONLY Medical Dispensary in the West where a perfect and permanent cure can be had for all troubles of a private nature. 1515-3mos

Fashion Notes.

SEASON POLONAISES.

Polonaises are sent over in large numbers from the best French dress-makers. These partly of black cashmere and partly of silk sell most readily, as black promises to remain the favorite dress for the season. The greatest number are black with the skirt extra for the upper part, while below the hips is most varied drapery—not always very simple arrangements of kilt pleats and a sash, while others are too intricate for description, having a series of folds passing around the figure below the hips from the front to the back; while the middle of the back forms wings or puffs. One [illegible] that drapery and all bouffant puffing are lower down on the skirt than formerly, when they began just below the waist. This has brought into fashion long slender bustles that slope larger toward the bottom instead of projecting suddenly below the belt. A jabot of lace and ribbon trims the whole long front of these polonaises. The turned-down collar is formed of lengthwise fine knife plettings of silk. Lace frills in side plaits
