LIFE SAVED—Mr. James Bryson Cameron writes: "I was confined to my bed with inflammation of the lungs and was given up by physicians. A neighbor advised me to try Dr. Thomas' Eclectric Oil, stating that his wife had used it for a throat trouble with the best results. Acting on this advice I procured the medicine, and less than half a bottle cured me; I certainly believe it saved my life. It was with reluctance that I consented to a trial, as I was reduced to such a state that I doubted the power of any remedy to do me good.

—John R. Clark delivered his lecture, "Hits and Misses," in Empress Avenue Methodist Church, last evening. Miss K. Greenway rendered a solo. Mr. Clark said he had traveled 1,270 miles lecturing on this topic. It was life that was a hit or a miss. Some people took life as a holiday, and enjoyed themselves accordingly; others took it as a joke. They were making a mistake. Life is real—it is a hit or a miss, and these people are failing to make it a hit. It is not how much we know, but how we utilize what we do know. One of the greatest hits was the hit on intoxicating liquors. There were hits on two different lines, action and expression, and misses by the want of both. The speaker's last point was hits and misses in the home. After the lecture the Rev. Mr. Morrison moved a vote of thanks to Mr. Clark, which was heartily responded to by Mr. Wm. Gibson, and in turn by the audience. Mr. Clark will lecture on "To and Fro in London" in the Dundas Center Church tonight.

FALL WHEAT.

Mr. W. P. Grierson writes: Fall wheat around Wingham has stood the winter well. It was not nearly so much smothered with snow as was expected. A little around the fences and in hollows has been killed. Around Teeswater it looks well also. At Lucknow and towards the lake it is not quite so good, but is generally looking well. Rain is much needed.

ARCHBISHOP LEFT THIS MORNING.

Archbishop-Designate O'Connor left this morning at 8:30 on the C. P. R. for Toronto. He was acompanied to the station by a number of the clergy and members of his congregation, among whom were Rev. He was accompanied on the train by Rev. Father Kennedy.

ORIENT MINSTRELS' SHOW.

The Orient Minstrels gave a clever and thoroughly enjoyable performance at the Grand Opera House last night under the auspices of the Ancient Order of Foresters. The Orients are getting better all the time. They are clever musicians, have some first-class voices, and put on a number of first-class specialties. Gruber and Ashplant's musical specialty made a decided hit. The one-act farce, "I Think You'll Do," was splendidly done. There was a fair-sized and well-pleased audience.

AN ASSAULT AND A ROBBERY.

John Corsant, aged 76, and his son Henry, aged 28, living at lot 14, con. 11, London township, were given a terrible beating by four unknown men, who visited the place between 3 and 4 o'clock on Saturday morning. The old man was awakened by a noise in front of his house, and when he went down to ascertain the cause he was seized, dragged some distance and given a violent kicking. He called to his son, and when the latter ran to assist his father, he too, was kicked almost into insensibility. The county police have no clue.

Frank Harding's grocery store, at the corner of Dufferin avenue and Maitland streets, was entered Saturday night and the till robbed of $2. Entrance was gained through a cellar window. Before retiring the day's receipts had been locked in the safe by Mr. Harding.

AT THE AUDITORIUM.

The celebrated tenor singer, Whitney Mockridge, of London, England, assisted by Mrs. Mockridge and W. H. Hewlett, gave a most enjoyable song recital at the Auditorium, before a good audience, which appreciated his splendid qualities and tone coloring in Gounod's "Biondina," in eleven parts, in which is told a mournful story. In this piece Mr. Mockridge's artistic interpretation of the several numbers throughout the story was excellent. In the second part of the programme the great tenor rendered "Flow Gently, Sweet Afton," "Come Into the Garden, Maud," "If With All You Hearts," and a selection from Mendelssohn's "Elijah," which last was a triumph, and showed a mastery of oratorio, rendering it in the proper traditional manner. His "Flow Gently, Sweet Afton," was given in the old style, showing the possession of a beautiful medium voice. Mrs. Mockridge was the accompanist. Mr. Hewlett gave a couple of piano solos, which were received with great applause. As an encore to his first number, Mr. Hewlett rendered a graceful and petit composition of his own. Mr. Mockridge came to London through personal friendship of Mr. Coates Lockhart, and is to be congratulated on so successful a concert, occurring at the end of the season.

BABY'S FACE
MASS OF SORES

They Almost Closed Her Eyes. Physicians of No Benefit. Healed by CUTICURA.

When my little sister was four months old her cheeks became red and inflamed. Small pimples broke out over her face and it was one mass of scabs, which almost closed her eyes and reached into the corners of her mouth. For several weeks a physician attended her, but as she derived little or no benefit from his treatment we searched for other means. We bought a cake of CUTICURA SOAP and a box of CUTICURA (ointment). Her face healed and she grew healthy again. You can use this letter as a testimonial. March 19, '98. ROSA BURGER, Solomon, Kan. Signed by parents, FRED BURGER, MRS. C. BURGER.

I tried everything, but nothing seemed to do me any good. I tried the CUTICURA remedies and they are so much better that they no longer bother me at all.

NECESSARY PRECAUTIONS

Water Commissioners Will Enforce the Bylaw Regarding Lawn Service —Estimates for the Year Adopted.

The regular session of the water commissioners was held yesterday afternoon, with Chairman Jones, Commissioner Little, Mayor Wilson, Engineer Moore, Secretary Ellwood and Inspector Plastow present.

The lawn service bylaw will be strictly enforced, as the commissioners fear that the supply at Springbank may run low. The bylaw allows use of lawn services from 6 to 8 a.m. on Mondays, Wednesdays and Fridays, and 6 to 8 p.m. on Tuesdays, Thursdays and Saturdays. The inspectors will keep watch and report all offenders to headquarters, and summonses will be issued for their appearance in court.

The estimates for the year, which have already been published, were adopted.

An application of John Thompson to have the water main extended to the corner of Regent and Colborne streets was referred to Engineer Moore.

A. J. Morgan applied for a service at the corner of Wellington and Regent streets. Referred to the engineer.

A. R. Murdock applied for a service for his greenhouses, West London. Request granted, provided Mr. Murdock will pay regular meter rates.

A. Windrim asked for the extension of the service on Princess avenue, between English and Ontario streets. Engineer to report.

Messrs. A. B. Greer and William Fitzsimmons were allowed rebates of $9 40 and $13 82 respectively, one-half the excess of their average quarter's rates. The high charges were due to leaks in the services. Several other rebates were also made.

Mr. Fred Parker was allowed $20 damages for injuries to a horse, due to a break in a water main.

On Brighton street a four-inch main will be laid, at a cost of $250, and a one-half inch main will be laid on Regent street.

MR. WILLIS, WOODSTOCK

Escaped a Deadly Enemy by the Aid of Dodd's Kidney Pills.

Woodstock, May 1.—This city is deeply agitated, with joyous excitement, because another resident has escaped from the fatal grip of Kidney Disease, by the aid of Dodd's Kidney Pills.

Everyone knows Mr. H. A. Willis, the genial proprietor of the "Buckingham" Hotel. He tells his story thus: "For two years past I have suffered intensely from Lame Back and Kidney Disease. Nothing I ever used helped me.

"My sufferings grew worse daily. I heard so much of Dodd's Kidney Pills that I decided to try them. I got relief from the first box. Three boxes cured me entirely."

Dodd's Kidney Pills always cure.

The earliest record of the presence of gypsies in Europe is in 1417. They said that they came from Egypt, but it now seems certain that they came from India. The mass of their language is of Indian origin.

THERE is not a more dangerous class of disorders than those which affect the breathing organs. Nullify this danger with Dr. Thomas' Eclectric Oil —a pulmonic, of acknowledged efficacy. It cures soreness and lameness when applied externally, as well as swelled neck and crick in the back; and, as an inward specific, possesses most substantial results.

Since 1879 more than 3,000 houses have been detenanted and closed in Dublin on account of their unsanitary condition.

FAGGED OUT.—None but those who have become fagged out know what a depressed, miserable feeling it is. All strength has gone, and despondency has taken hold of the sufferers. They feel as though there was nothing to live for. There, however, is a cure—one box of Parmelee's Vegetable Pills will do wonders in restoring health and strength. Mandrake and Dandelion are two of the articles entering into the composition of Parmelee's Pills.
