Ottawa, Aug. 29.—One of the leading officials of the Grand Trunk Pacific Company declared today that there is not the least foundation for the report published by a Winnipeg paper about the G. T. R. and the C. N. R. having entered into a joint agreement for the construction of the Hudson Bay Railway. Both companies have charter powers to undertake this work, and the Canadian Northern, indeed, has a considerable stretch of line already constructed in that direction.

There is a Dominion subsidy available of 6,400 acres per mile along the portion of the Hudson Bay road that would pass through Manitoba, and 12,800 acres for the portion through the territories. This is still open to any company that undertakes the enterprise.

As already said, the Canadian Northern has a portion of the line now constructed, and publicly announced their intention of completing the undertaking without delay. In the meantime, Messrs. Mackenzie & Mann have been endeavoring, so far without success, to induce the Federal Government to change the present subsidy, so that instead of being bound to take land in the district the road will itself traverse, through Keewatin to Hudson Bay, they should be free to select what would be undoubtedly better land in Manitoba or the new Prairie Provinces.

Some time ago a land grant for their Hudson Bay line was specifically made to the Manitoba and Hudson Bay Railway Company, now controlled by Mackenzie & Mann, but this ran out during the past summer, so that the grant is now payable either to the G. T. P., J. J. Hill, Mackenzie & Mann, or whoever else gets ready first to provide what westerners confidently believe will prove the cheapest route to Europe for the carriage of the grain crop of the Canadian west.

MINISTER REAUME BACK

Has Been Ill With Rheumatism and Still Limps Some.

Toronto, Aug. 29.—Hon Dr. Reaume, minister of public works for Ontario, has returned to the city. He was busy today at his office in the Parliament buildings, receiving visitors and responding to congratulations on his improved appearance.

Hon. Dr. Reaume still walks with a limp and uses a cane, but, he says, he does not suffer so much from rheumatism as he did a few weeks ago. While up north trying to attend to some business in connection with his department he was such a severe sufferer from rheumatism that he was compelled to give up business and go for treatment to the Mount Clemens Springs in Michigan.

He improved rapidly while there, but as he was anxious to be back in his office he did not complete the treatment, and returned to Toronto.

STEPPED BEFORE TRAIN.

Loveland, Ohio, Aug. 29.—Four dock laborers were killed and another man fatally injured today by a Baltimore and Ohio southwestern train at Symmes, three miles from here.

The men stepped from one track to avoid being struck by a southbound train. A northbound
