MOVE UP INTO SECOND PLACE WIN BOTH HOLIDAY GAMES

Staged Thrilling Finish to Capture Morning Fixture—Thompson Scored a Shut-Out in the Afternoon.

The Leafs did very well on the holiday, thank you. Blackburne's boys entertained their cousins from the south shore and had a couple of tight battles to keep up the record of the town. The Leafs beat Rochester 5 to 4 in the morning social, and the afternoon gathering also came our way, 2 to 0. The only thing to blight our holiday was the fact that those dratted Bisons won two fixtures also.

The morning rumpus was a great source of amusement for the good crowd. The players and the umpires staged a "ragging" match all morning with the umps coming out on top. Lefty McTigue ragged too much and was retired in shame. The rest of the players were allowed to stay, but it was a hot morning. The whole trouble was over McTigue's shift when throwing to first base. Two balks were called on him, and to say it riled him is putting it mildly. We see-sawed with the Hustlers for the lead thruout, and had to stage a real ninth inning finish to grab the parcel.

Thompson and Hill had a nice twirling contest in the afternoon. The Toronto man won when his team bunched their hits.

The morning fixture opened like one of those sleepy games where it is sit back and wait for something to break. Break it did. After the first two men were out the fun arrived, and there was something doing to the very end. We won, 5 to 4, but only after the hottest kind of an argument. Old Buck Freeman, of island home-run fame, has seldom worked harder. The players ragged him thruout, but Buck stuck to his guns, as McTigue can vouch for.

The whole trouble arose over McTigue's throwing to first. The first two were disposed of, but Leach waited Mac out. McTigue threw to first, and it looked like a balk, but was not called. Leach then went towards second, and he was awarded a base when Freeman called a balk. The roar was loud. McTigue hit Jacobson, and Smith made a bad peg on Siglin's grounder. Devlin hit to deep short to score Leach. McTigue talked back all the way to the bench, but got thru the second all O.K.

More fireworks arrived in the third. Sloan singled, and then Leach forced him at second. Leach moved off to the middle station again, and Freeman bobbed up by calling balk No. 2. McTigue was hot under the collar and kept right after Buck when the next batter came up. It ended by McTigue being chased and the Leafs left without a pitcher warmed up. Herbert took his time getting his souper thawed out, and the game was delayed some time. He retired the next man for the third out.

The Leafs evened it up in their half. Kritchell's single, Herbert's sacrifice and Trout's nice double did it. A double and a single put Rochester out in front again in the fifth. The Leafs went the fore by scoring two in this session. Kritchell beat out a bunt and Herbert did the unselfish act. Trout was the ready little pinch artist again, a single this time, that counted Kritchell. Murray's double made the other run possible.

The Leach losers got on equal terms again in the sixth. Hale singled and Milan did likewise. Leach hit to left, and Viox had Hale cut off the plate by ten feet, but Kritchell messed it up and the tally was over. A one-run lead was secured again by the enemy in the next. Siglin walked and Devlin sacrificed, and McAuley waited for four wide ones. Smith got Hale's roller and threw to Truesdale to head off McAuley. The put was made, but, as Frank turned to throw to first to complete the double-play his arm hit McAuley and he was unable to throw the ball. Siglin scored.

We won it in the ninth, with two out. Viox rolled out, and Blackburne and Smith hit safely. Kritchell's hit let the manager in. Thompson batted for Herbert, but fanned. Truesdale raised to right, and Sloan obliged by dropping the ball to let Smith score with the winning run.

The afternoon game, that the Leafs won, 2 to 0, was a pretty pitching duel between Thompson and Hill. The Leafs were able to crowd their few hits together and this meant the downfall of Hill. The fielding was sharp, and Truesdale was the outstanding hero with several good saves around the middle station.

Thompson was in trouble in the very first round, but wiggled out. He fanned Milan, but Smith booted Sloan's roller. Sloan stole, and Leach hit to left. Jacobson hit to Truesdale, and Sloan was headed off at the plate. Kritchell nipped Leach off third a minute later.

With two down in the second Thompson walked two Hustlers, but struck out the next man. The Leafs pulled off a double play to help matters in the third. With one down in the fourth Siglin singled. Devlin flied to Trout, and the Leaf outfielder doubled Siglin at first to Graham.

"Specs" Hill bowled the Leafs over in style for three innings. They went after him sharply in the fourth. Trout and Murray walked. Graham laid down a bunt and beat it out. Viox's sacrifice fly let Trout home. Blackburne filled the bases up again by hitting safely. Smith hit into a double play.

Our second run came in the fifth. Kritchell single dto centre and Thompson sacrificed. Truesdale banged thru the box to count the catcher.

Freddy Welsh Awarded the Decision Charley White Lasted 20 Rounds

Chicago Challenger Repeatedly Clinched—Welsh Did the Leading Thruout—White's Friends Chased Referee After the Bout—The Story by Rounds.

COLORADO SPRINGS, Col., Sept. 4.—Freddie Welsh retained his title of champion lightweight pugilist of the world today after going twenty rounds with Charlie White of Chicago. Referee Billy Roche of New York awarded Welsh the decision on points.

As the gong sounded at the close of the twentieth round, Roche stood for several moments before rendering his decision. He then reached out both hands toward the boxers, and many of the spectators believed he was about to award a draw. Welsh went over to Roche and placed his glove in the referee's hand, and it was raised aloft. The next instant jubilant friends of the champion swarmed into the ring. An unfortunate accident and unpleasant incident marred the beginning and end of the day's program. Shortly before two o'clock a portion of the bleachers on the south side of the arena collapsed. More than 100 persons were more or less seriously injured.

When Referee Roche announced his decision in favor of Welsh, the challenger's adherents appeared for the moment spellbound. Then began a fusillade of hundreds of cushions, which were hurled from all directions at the referee. He was rushed thru the crowd by friends and police to a waiting automobile.

From a spectacular standpoint, the battle was considered one of the poorest that have ever been fought for the highest ring honors in the lightweight division. For fully two-thirds of the time the fighters were locked in a succession of clinches. For this many spectators thought White was largely to blame. Thruout the contest of twenty rounds scarcely a blow was struck by either man that did any damage. Of the blows exchanged, White's carried the greater power. While Welsh frequently was on the aggressive and did most of the leading, it was noticeable that many of his blows fell short and failed to reach their mark. Roche stated after the fight that he awarded Welsh the decision for the reason that he did most of the leading.

The Fight by Rounds.

Round 1.—Welsh led twice with left to head and they went into a clinch. A series of clinches followed without any blows being struck. White landed left to head. White sent right to head and left to body and Welsh clinched. The men did a lot of clinching, the crowd calling for them to break away. White sent left hook to stomach. Round even.

Round 2.—Welsh led with left to head and White blocked and they ran into another long clinch. Welsh kept pounding White on the kidneys in the clinches. White sent two rights and lefts to head and body. The men were in a clinch most of the round, White doing the most effective work.

Round 3.—They ran into a clinch and wrestled about the ring. White sent right and left hooks to body and repeated as Welsh missed left to head. A few clean blows were struck, the referee being kept busy prying the men apart.

Round 4.—Again the men ran right into a clinch. White missed left hook to the head. White sent left and right hooks to body and had Welsh against the ropes. Welsh missed left to head, White countering with right to Welsh's ear. All the fighting has been in White's corner. White's round.

Round 5.—They fiddled for an opening and clinched. White blocked several short-arm blows to body. Welsh keeps pounding the kidneys in the clinches and White's back is all red as the result. The champion is keeping close to the ropes with his back to the ring. White landed left to body. Even round.

Round 6.—Roche tried to keep the men from the usual clinching. White rushed Welsh to ropes and landed right and left to body. He repeated. White sent left hook to ear. Welsh blocked straight left to head. They were in a clinch at the bell. White's round.

Round 7.—White drove left hook to stomach. White sent right to jaw and they clinched. Welsh sent left to chin. White sent right to chin and then to body. Shade for White.

Round 8.—They continued their clinching. Welsh landed lightly to nose and clinched. Welsh tapped to nose lightly again. White sent several uppercuts to jaw as gong rang. Even round.

Round 9.—They alternated between sparring for openings and running into clinches. Welsh blocked several blows as he backed towards the ropes. Welsh sent left to neck. White landed left to head. White's round.

Round 10.—Welsh drove left to jaw. White sent right to head. White uppercut to stomach and followed with left hook to ear. White's round.

Round 11.—White sent left to head and Welsh drove right to nose, rushing White back. The fighting has been practically even this far, what lead White had being only a shade. White roughed Welsh to head and body and the champion clinched. White's round.

Round 12.—White sent right and left uppercut to body in the clinch. White rocked Welsh with stiff uppercut to chin. Welsh has been missing and running into a clinch. White rocked Welsh with right and left jabs to head, but the champion covered cleverly. White's round.

Round 13.—Both men worked hard for an opening. White sent hard right to jaw. Welsh's few blows seemed to lack steam. They were in the usual clinch when the round ended. White's round.

Round 14.—White assumed the aggressive and landed right and left to body and head. Welsh saved himself by clinching. A right to the jaw forced Welsh to corner. White drove left twice to stomach. White landed right on cheek. White's round.

Round 15.—White landed two rights to body and left to the jaw and Welsh saved himself by clinching. Both men wrestled around the ring, Welsh being the greater offender. Even round.

Round 16.—Welsh landed twice to nose with straight lefts and repeated to the head. Welsh sent three left hooks to the mouth in quick succession. It was Welsh's first round of the fight.

Round 17.—Neither man has hurt the other and neither shows any marks of the contest. Welsh landed left to the jaw. White drove right and left to body, but Welsh blocked as he backed away. Even round.

Round 18.—The crowd called to them to fight instead of clinching all the time, neither man getting in a telling blow. White slammed right and left hooks to ears and again Welsh held to save himself. White's round.

Round 19.—White drove a left hook to body. White played a tattoo on Welsh's face with short right jabs. The crowd roared its encouragement to White. White drove right and left to body as Welsh's continued holding angered him. White's round.

Round 20.—White sent right to jaw and body. White landed a hard right uppercut to stomach. Welsh kept running into the clinches. White landed left to the jaw. White sent right uppercut to the body and Welsh ran into a clinch.

At the end of the twenty rounds Referee Billy Roche awarded the decision to Welsh.

While a portion of the crowd evidently figured the challenger, Charley White, had a slight edge, the champion's friends went into a frenzy of delight when his hand was lifted in the air as a token of victory. Owing to White's tactics the men were in the clinches two-thirds of the time and there was but little clean, open boxing.

CHAMPION KILBANE KAYOED GEO. CHANEY

CEDAR POINT, O., Sept. 4.—In less than eight minutes of actual fighting, Johnny Kilbane of Cleveland spoiled the hopes of George Chancy of Baltimore for the world's featherweight championship today. A terrific right smash to Chaney's jaw settled the bout near the end of the third round.

The champion's longer reach and greater defensive skill offset the spirited fight Chaney began with the sound of the first gong. The leads of the Baltimore lad were blocked easily for the most part by Kilbane and the champion earned an even break in the first two minutes by his clever defensive tactics.

It was not until the third that Kilbane cut loose, and then he did with a vengeance. He rushed the challenger to the ropes with the opening of the round and drew blood with a left to Chaney's face. Four times the men clinched in the third and Chaney tried by a vicious attack on the kidneys to weaken the champion. But Kilbane ran out easily from this attack and, biding his time, swung over to the point of the challenger's chin a wallop that spelled knockout and victory. It was announced that both men weighed in under 122 pounds.

The fight by rounds follows:

Round 1—After less than half a minute of sparring time was called because sumed again at 5.06 p.m.

Kilbane led with left to the face and followed in the next exchange with right to head. Chaney sent left to body and the round ended when Chaney sent another left to body. Round even.

Round 2—Kilbane opened the second round with a left to the jaw and cleverly sidestepped a left swing by Chaney. The men broke even on a fast mix-up, but just before the bell rang Kilbane shot a left to Chaney's jaw. Kilbane was using a left jab effectively, while Chaney played for the jaw.

Round 3—Chaney carried the fight into Kilbane's corner and Referee Hinkle scored a left jab to the jaw at the end of the third, but Chaney played successfully for the champion's kidneys. When the men broke for the fourth time in the clinch Kilbane sent a right hook to the jaw, which landed the challenger face downward on the canvas. Referee Hinkle, tolling off the seconds with his right hand, strove vainly with his left to rouse the prostrate Chaney. The challenger could not respond, and the champion was declared the winner.

SET NEW RECORD AND THEN WAS BURNED

DETROIT, Sept. 4.--Miss Minneapolis of the Minneapolis Powerboat Association, averaging nearly 30 miles an hour, today won the second 30-mile heat of the national powerboat races here. She crossed the line ahead in each of the six laps and won in 41.46. Miss Detroit, the cup defender, was second; Peter Pan VII. of the Columbia Yacht Club, New York, third, and Hawkeye of the Lake George Club fourth. The day's sport was marred by two accidents.

Baby Marold of Detroit, after setting up a new world's record of 66 miles an hour in the first lap, caught fire near the finish of the second time around and was totally destroyed. It was necessary to sink the craft to extinguish the blaze. Her driver, John Milot, of Detroit, was slightly burned about the hands and thrown out by the force of the explosion. The mechanician jumped overboard after heading the boat away from the shore and escaped uninjured. Breaking of the gasoline line caused the fire. The other accident, a collision of three express cruisers, necessitated calling off the express cruiser race between the Venetian Maid and the Aeolus, also of Detroit, and her stern split open. No one was injured and the Betty M. II. was towed ashore. A holiday crowd of fully 200,000 persons witnessed the races from the shores of the city and Belle Isle.

Miss Minneapolis now has fourteen points on the gold cup; Peter Pan VII. and Miss Detroit 11 each and Hawkeye 8. The third and final heat will be raced tomorrow.

LEAFS HAVE CHANCE OR RATHER A TASK TO BEAT OUT THE BISONS

Oh, yes, the Leafs have a chance to beat out the Bisons and land the International League pennant. They have fifteen games each yet to play, including postponed games. We are now 4½ games behind the leaders and thus if the Bisons lose only five the Leafs will just nose them out by winning all fifteen. Therefore the task looks difficult. Buffalo have five games at home and ten away to Toronto's ten at home and five away. The Bisons wind up in Toronto with two games September 15 and 16, not three as shown in the schedule, one of these having been advanced and played earlier in the season. Should Toronto win fifteen and lose none, while Buffalo win ten and lose five the final record would read as follows:

	Won.	Lost.	Pct.
Toronto	82	55	.599
Buffalo	83	57	.593

Leonard, who had not permitted a hit for 12 1-3 innings prior to yesterday's game, was knocked out of the box in the third innings when New York scored three runs on hits by High, Peckinpaugh and Maisel, two errors and a double steal. Yachts at Detroit Race for Gold Cup

DETROIT, Mich., Sept. 2.—Over a 30 miles course, Miss Minneapolis captured the first heat of the Gold Cup races on the Detroit River this afternoon, her time being much slower than was expected, probably for the reason that she was not crowded, and her crew preferred to save her for the next two races.

Peter Pan VII., challenging for the Columbia Yacht Club of New York, showed remarkable speed after making a poor start, and finished second, her actual racing time being better than that of Miss Minneapolis, which was the first over the line and never was headed, at one time being two miles ahead of her nearest rival.

Miss Detroit, holder of the cup, Hawkeye, and Peter Pan made a fine race of it for three laps, and then the New York boat seemed to get her speed up and shot by the two into second place on the fifth lap, and finished 14 seconds behind the winner.

The award of points for the first heat was: Miss Minneaplis 6, Peter Pan VII. 5, Miss Detroit 4, Hawkeye 3, Baby Marold 2.

The winning boat averaged 46.5 miles an hour on gun time. On actual time Peter Pan VII. beat Miss Minneapolis, making the thirty miles in 43.14, or at the rate of 47.7 miles an hour. The best heat was also made by Peter Pan, which made the final five miles in 6.46. Miss Minneapolis' second lap was her best, and was made in 6.50.

The wonderful showing of Peter Pan VII., after being virtually left at the post, won her many friends, and considerable wagering is being done that she will win the next heat.
