## TOWN AND COUNTRY.

READ "Holmby House," our new serial story.

$1.50 will secure a welcome visitor until 1881.

THE old school property on Elma street is to be sold by auction on the 1st Oct. See advt.

THE vice-regal party will be the guests of Bishop Hellmuth while at London next week.

ANSTEE, the absconded manager of the Ayton creamery, was seen at Port Huron, Michigan, one day last week, by a Guelph gentleman.

MR. J. L. Gale has opened a writing class at the rooms of the High School for the special instruction of the pupils of the school.

A NEW time table came into effect on the P. D. & L. H. R. on the first inst. The arrival and departure of trains at Listowel is unchanged.

GANG PLOWS.—Now is the time to make a purchase at the Listowel Foundry. Both price and terms at lowest notch, and the article first-class. 32c.

The 26th annual meeting of the Grand Lodge I. O. G. T. was opened in Hamilton on Tuesday last. There was a good representation present from all parts of Ontario.

SUBSCRIBE for the STANDARD at once. "Holmby House," an admirable serial story, commenced this week. Subscription to January, 1881, only $1.50, if paid in advance.

A by-law, granting a bonus of $5,000 to the Stratford and Huron Railway, was carried at Hanover, on Saturday, by a majority of 49. It is a sectional bonus in the township of Brant.

FROST.—There was a heavy frost on Tuesday night, which played havoc with tender vine and plant life. Late oats, hungarian grass, etc., are said to have also suffered from its effects.

GUELPH is making extensive preparations for the reception of His Excellency and Her Royal Highness on Wednesday next. The royal city is going to entertain royalty in a right-royal fashion.

IT has been definitely settled that there will not be an intermediate examination in December. The standard for 2nd class teachers will probably be raised at the examination next July.

MANITOBA PARTY.—We learn that a large party is being organized in the vicinity of Molesworth with the intention of going to Manitoba about the 1st Oct. Some forty or more persons are expected to join the party.

ENCOURAGEMENT TO PAY UP.—A McIlwraith will allow at the rate of ten per cent interest on all notes paid to him in advance of maturity. All orders, notes and accounts of the late firm of McIlwraith & Austin must be paid up promptly or they will be sued. 32c.

NEW STORE.—We understand that Mr. Macmillan, a gentleman from Collingwood, and his brother have taken one of the fine stores in the Campbell block with the intention of opening a general dry goods store. Their stock is expected to arrive in a few days.

LADIES or gentlemen wishing fine visiting cards, neatly written, should be ready to give their order when called on with samples. Fine gilt edged and plain cards furnished and written, twenty-five and thirty-five cents per dozen. Samples of cards written can be seen, and orders left at Dr. Michener's or J. W. Brisbin's bookstore.—33.

FARMS SOLD.—Messrs. Thos. and Wm. Moore, of the 6th line, Elma, have disposed of their farms, containing one hundred acres each, for the respective sums of $3,000 and $4,000. These farms are good ones, and the prices are considered low. Both these gentlemen, we understand, are intending to remove to Manitoba in order to secure more land for their families.

AUCTION SALE.—Mr. James Little, lot 33, 8th con. Wallace, is about to enter into the hotel business, and intends to sell off his farm stock, implements, etc., by auction on Friday 19th inst. Mr. Thos. Hay is the Auctioneer. Mr. Little has leased the Teviotdale hotel, at present kept by Mr. John Dolmidge. He expects to take possession about the 26th inst.

REMOVAL.—Mr. T. C. Murray has decided to locate himself in a more central part of the town, and is removing his boot and shoe store to the Osborne Block, a door or two east of Dr. Michener's bookstore. Mr. Murray's reputation for elegant work is A. No. 1, and with the advantages which his new stand will afford, no doubt his business will largely increase.

VICE-ROYALTY.—On Tuesday next the Governor-General and Princess Louise will remain for a short time at Woodstock, previous to visiting the Forest City. Return Tickets at reduced fares will be issued all along the line of the P. D. & L. H. R. good for two days, 16th and 17th. Fare from Listowel 75c. Those who wish to "see royalty" can thus gratify themselves at small cost.

CATTLE FAIR.—At the September cattle fair, held on Friday last, there was a comparatively good display of animals. Altogether, about 200 head were on the ground, mostly young animals, and a rather inferior lot. Some sixty or seventy head changed hands, Mr. Small of Hamilton and a buyer from Berlin being the principal purchasers. The price paid for young steers and heifers was from $18 to $23.

IMPROVEMENTS.—A new sidewalk has been laid down on the south side of Main street opposite the "Mechanics' Block," and the street in that vicinity is being filled up and graded. These improvements have been made none too soon, as the former wretched condition of the street has not only been an eyesore, but has entailed no small loss to business men in the immediate neighborhood.

WORK on the new High School is progressing rapidly. The masonry is now well advanced, and the walls will be ready for the roof by the beginning of next week. From present appearance, the building promises to be a substantial structure, of good architectural design, and displaying skilful workmanship. Its somewhat elevated position will also be an advantage, commanding as it does a good view of the town and neighborhood.

CHANGE OF DATE.—The date upon which the Peel and Maryborough Agricultural fair is to be held has been changed from the 19th Sept. to Thursday, 9th October. As the Guelph Exhibition includes the 19th, it was thought advisable to make the above alteration. The fair will be held at Glenallen, and as the townships of Peel and Maryborough are noted for agricultural excellence, the display will doubtless be considerably ahead of the average township exhibitions.

DROWNED.—While endeavoring to rescue the crew of a scow which had been wrecked on the reef running south from Chantry Island, near Southampton, during the tremendous gale which prevailed on Wednesday night and Thursday morning of last week, James Murray, purser of the steamer *Manitoba*, and Ross Lambert, son of the lighthouse-keeper on Chantry Island, were drowned. There were five others in the boat, who narrowly escaped a watery grave also, the boat having been overturned by the breakers several times. The drown men were highly respected; James Murray was a son of the G. W. R. station-master at Sarnia.

AUCTION PRINTING.—Printing for auction sales executed at the STANDARD office with neatness and despatch, and at lowest rates. Orders received by mail will be promptly attended to. Arrangements can be made at this office for procuring the services of any auctioneer desired. A free notice of sale given in the STANDARD to parties having their printing done at this office.

KNOX CHURCH.—During the next two Sabbaths there will be no service in Knox church, Rev. Mr. Bell having taken a short respite for the improvement of his health. He has gone on a trip to the upper lakes, which we trust will have the beneficial effect desired. The management committee are taking advantage of the pastor's absence by making extensive improvements in the church. Among others a furnace is being put in, which will no doubt add materially to the comfort of the church during the winter.

HOTEL OPENING.—The Dominion hotel was formally opened on Thursday evening of last week, with a "free lunch," given by Mr. Meckes, the new proprietor. A large number of invited guests were present; also the efficient town band. Mine host and hostess had everything in "apple-pie" order, and entertained their numerous guests in a manner indicative of excellent management. The evening was spent with music, toast and song, and all present were highly pleased with Mr. and Mrs. Meckes' abilities as public caterers.

CALEDONIAN GAMES.—A large influx of the sons of auld Scotia is expected in town to-day, the occasion being the second annual gathering of the Listowel Caledonian Society. An extensive programme has been prepared, which should be highly interesting to onlookers as well as to the "chiels" who take part in it. A grand Caledonian Concert is to be given in the evening under the direction of Professor Maitland of Guelph, assisted by several other prominent vocalists.

"HOLMBY HOUSE."—This is the title of a new serial story which is commenced in the present number of the STANDARD, and which its readers will find to well repay perusal. In order that all may have the privilege of reading this excellent English historical novel, the STANDARD will be sent to new subscribers from now till January, 1881, for a single year's subscription price—$1.50. This offer is of course only on condition of advance payment. Send in subscriptions at once.

RUNAWAY ACCIDENT.—On Wednesday morning last, our respected townsman, George Climie, Esq., met with a painful accident by being thrown from his buggy while driving on Main street. His horse took fright at an approaching vehicle, and wheeling suddenly about, threw Mr. Climie out upon his shoulder, the concussion severely injuring him. He was conveyed to his home, and has since been confined to his bed. Fortunately no bones have been broken. The buggy was badly wrecked.

OPENING OF THE P. M. CHURCH.—The new church which has recently been erected by the Primitive Methodist body of this town will be formally opened on Sunday next. The dedicatory services will commence at 10.30 a.m.; the sermon will be preached by Rev. Thomas Griffith; sermons will be preached at 2.30 p.m., by Rev. R. Hassard of Amaranth, and at 6.30 p. m., by Rev. Mr. Griffith. A tea-meeting will be held in the church on Monday evening; tea served at 6.30. A programme of music, addresses, etc., is announced. All are invited to attend.

MISCARRIED.—We learn that the parcel of STANDARDS for the Trowbridge post office, last week, has failed to reach that office. As the postmaster at Listowel informs us that the Trowbridge package was forwarded in proper time, we are at a loss to account for the miscarriage. We shall endeavor to ascertain where the fault rests, in order to prevent its recurrence. The STANDARD is invariably delivered at the Listowel post office in time for the first mails every Friday, and its readers are assured that it shall be our endeavor to see that it reaches its destination with due regularity.

TORONTO EXHIBITION.—The cheap fares over the railroads are being taken advantage of to a considerable extent by residents of this section to visit Toronto during the Exhibition. On Monday last quite a large number left here by the Pt. Dover and Grand Trunk roads, and it is very probable that to-day will witness another large efflux, as the the Great Western Company have announced specially cheap rates to Toronto for to-day, the fare from Listowel being $2, good for return until the 15th. The price of a railway ticket should not deter many from "taking in" the Exhibition.

MECHANICS' BLOCK.—This new block is about finished, and is a very creditable addition to the business part of the town. The eastern portion of it, which is owned by Mr. D. D. Hay and Mr. J. P. Newman, have already been taken possession of by these gentlemen, the former having transferred the Division Court office to the new building, and the latter having removed his boot and shoe store. Mr. Newman's new store has been specially fitted up for his business, an attractive show room being reserved in the front of the building, with commodious shop room in the rear. The remaining stores in the block are not quite ready for occupancy. As soon as they are finished, Messrs. Jas. Lee and John Welch, their respective owners, purpose moving into them.

SOCIAL ENTERTAINMENT.—A highly successful social entertainment was given by the ladies of Christ Church in Bricker's hall on Monday evening last. Notwithstanding the inclement weather the attendance was large, the hall being well filled. Mr. D. B. Dingman was appointed chairman, and announced, in order, a well arranged programme of music, select readings, etc. The choir, and the Misses Wilson, the Misses Cosens and the little Misses Clayton supplied the audience with appreciative musical entertainment; short addresses were given by Rev. Mr. Norris, Rev. Mr. Cooper and Mr. D. D. Campbell, and select readings by Mr. B. Rothwell, Mr. S. Tatham and Mr. Gilroy. After the refreshments had been distributed, the audience was entertained with a number of instrumental selections, performed on the violin, dulcimer and organ. Another and undoubtedly the most interesting feature of the evening's entertainment was the disposal of a handsome fruit cake, which had been reserved for a special purpose. It was proposed to have an election for it, and three candidates were selected from among the audience. The ladies chosen were Miss Waterbury, Miss Morey and Miss Ada Campbell. Anyone depositing five cents was entitled to franchise privileges, and as the votes came in the interest became exciting. Upon the "close of the poll" it was ascertained that upwards of $24 had been netted by the cake. Miss Campbell succeeded in carrying off the prize, having obtained the largest number of votes. The total proceeds of the social were about $57, a decidedly creditable amount to be raised at a single entertainment. No doubt this excellent success will encourage the ladies of Christ Church to continue this pleasant mode of raising funds for Church purposes.

Whereas the Municipal Council of the Town of Listowel finds it necessary to raise, by way of loan, the sum of six ($6,000) thousand dollars, by the issue of Debentures for that amount, for the erection of a High School in the town of Listowel:

And whereas it will require the sum of seven hundred and twenty dollars to be raised annually, by special rate, for the payment of said Debentures and interest thereon, as hereinafter mentioned;

And whereas the amount of the whole rateable property of the Municipality, irrespective of any future increase of the same, and also irrespective of any income to be derived from the temporary investment of the sinking fund, or any part thereof, according to the last revised assessment roll of the said municipality, being for the year One Thousand, eight hundred and seventy-eight, is the sum of ($797,675) seven hundred and ninety-seven thousand, six hundred and seven-five dollars;

TOWNSHIP OF WALLACE.

BY-LAW NO. 203.

*A By-Law to aid and assist the Stratford and Huron Railway Company by granting thereto the sum of Five Thousand Dollars by way of Bonus, and to issue Debentures therefor, and to authorize the raising and levying of an annual sum by a special rate for the payment of the said Debentures and the Interest thereon.*

WHEREAS by certain Acts passed by the Legislature of the Province of Ontario, the municipalities therein specified and portions thereof are authorized to assist the Stratford and Huron Railway Company by giving money by way of Bonus, or issuing Municipal Bonds or Debentures in aid thereof, and otherwise.

And whereas the Township of Wallace, in the County of Perth, is one of such municipalities:

And whereas the portion of the Township of Wallace herein described is desirous of granting aid by way of Bonus, as hereinafter mentioned, as by the statutes in that behalf provided, the said portion being all that portion of the said Township of Wallace described as follows, that is to say: all the lots in the sixth, seventh, eighth, ninth, tenth, eleventh, twelfth and thirteenth concessions of the said Township of Wallace.

And whereas for such purpose it is necessary for the said municipality to raise the said sum of five thousand dollars in the manner hereinafter provided;

And whereas it will require the sum of three hundred dollars to be raised annually for the payment of interest during the currency of the said debentures, for the said sum of five thousand dollars as hereinafter provided.

And whereas it will require the sum of one hundred and fifty five dollars to be raised annually for the payment of the said debt of five thousand dollars, the said sums of three hundred dollars and the sum of one hundred and fifty five dollars, amounting together to the sum of four hundred and fifty-five dollars being the total amount required to be raised annually for paying the said debt and interest.

And whereas the amount of the whole rateable property of the said municipality, according to the last revised assessment roll being for the year of our Lord one thousand eight hundred and seventy-nine, is the sum of one million and eighty six thousand six hundred and seventy-one dollars; and whereas the amount of the rateable property in that portion of the said municipality above described, according to the said assessment roll, is the sum of four hundred and fifty-seven thousand one hundred dollars.

And whereas the amount of the existing debenture debt of the said municipality is as follows: For principal the sum of thirty-three thousand dollars, and for interest the sum of twenty three thousand two hundred and twenty dollars, of which principal there is none in arrear, and of which interest none is in arrear.

Be it therefore enacted by the Municipal Council of the Corporation of the Township of Wallace, and it is hereby enacted as follows:

First. That it shall and may be lawful for the said municipality to aid the said Company by giving thereto by way of bonus debentures to the extent of five thousand dollars.

Second. That for the purpose aforesaid it shall be lawful for the Reeve of the said municipality, and he is hereby authorized and required to cause any number of debentures of the said township to be made and issued to the amount of the said five thousand dollars, in sums of not less than one hundred dollars each, which said debentures shall be signed by the Reeve and countersigned by the Treasurer of the said township.

3. That the work shall commence on the said Railway within the Township of Wallace within sixteen calendar months from the First day of July A. D. 1878, and the Railway shall be completed to the Village of Harriston within two years after such commencement;

4. That until the said Railway Company shall become entitled to receive the balance of the Debentures, or their proceeds, as hereinafter provided, and so long as the said debentures shall remain unsold in the hands of the said Trustees, they shall cancel and detach from each debenture every coupon for interest as and when the same shall mature.

5. That from and after the sale of any of said Debentures, the said Trustees shall pay all interest maturing in respect of such debentures and the coupons thereto attached when and as the same shall mature out of the proceeds of such sale, until the said Railway Company shall become entitled to the balance of such proceeds, as hereinafter provided.

6.
