Lugsdins' for Men's Furs.

J. & J. Lugsdin, 122 Yonge-street, in their fur department, make a special feature of gentlemen's furs. Gentlemen do not begin to think about fur comforts as soon as the ladies do, but when they do take into consideration their fur purchases they want the garment right away. This firm's collection of furs for gentlemen never was so large as it is at present, and it includes fur-lined coats, fur coats, caps, gauntlets, collars and cuffs, and, in talking furs to gentlemen, another interesting point is fur robes. The firm carries and makes to order some very handsome things and you will find their prices as moderate as quality will allow.

HAMILTON NEWS

WHAT KILLED MRS. HARVEY

Finding of the Jury Regarding Her Sudden Death.

HAD BEEN DEAD FOR DAYS.

And Doctors' Testimony Shows That Apoplexy Was the Cause — The Thanksgiving Concert Postponed — King's Daughters Meet — Salt Struck on the Mountain—Charges of a Stock Broker — Hamilton News Notes.

Hamilton, Nov. 21.—(Special.)—Little evidence of importance was given at the inquest to-night on the death of Mrs. Elizabeth Harvey, Catharine-street north, who was found dead in bed on Saturday last. Drs. O'Reilly and Rosebrough, who made the post mortem examination, stated that death must have taken place over a week ago, and that it was due to apoplexy. A verdict in accordance with this testimony was brought in by the jury.

Conservative Club Concert Postponed.

Owing to the alterations in the assembly room of the Conservative Club the Thanksgiving eve concert has been postponed until next week. A meeting of the whits section of the club will be held on Friday evening to arrange a series of games to be held during the winter. It is proposed to play the East against the West.

King's Daughters.

The annual meting of the Camp of Cold Water Circle of the King's Daughters was held in the Public Library lecture room this afternoon. The following officers were elected: President, Mrs H S Brennen; vice-presidents, Mrs W Turnbull and Mrs T Watson; secretary, Miss H Redfield; treasurer, Miss Lawry. The Circle has over $200 on hand.

Struck Salt Now.

Drillers have been at work for gas on the Marshall farm, in the Mountain, all summer. A small quantity of gas has been flowing for a few months—enough to illuminate Mr. Marshall's house. This afternoon, however, the drillers were rewarded by striking gas in such quantity that they have as yet been unable to get it under pressure. It came in a flow of salt water, and the water is being thrown up in the air a distance of over 80 feet. As it falls it coats the engine and boiler with salt crystals. The salt is a fine article, and Mr. Marshall thinks he may have a bonanza in salt as well as gas.

Three to One.

Wilson Barr, stock broker, has brought action against Thomas McLaughlin, secretary-treasurer of the Legal Tender Mining and Development Company of Slocan. A. W. Lowes, the company's special agent, both of Toronto, and R. H. Holt of Rothsay, to recover $200 damages over a sale of stock transaction. Plaintiff's story is that McLaughlin advised him that Lowes had some of the company's stock to sell at five cents a share, and when Holt wrote to ask him to buy shares for him he got $4000 worth of stock, face value, from Lowe, and sent it to Holt. Holt, plaintiff says, repudiated his draft and informed Barr he was buying from McLaughlin.

This work is by Margaret Curran, daughter of Richard Fuller of Claremont, Emerald-street south, Hamilton. Mrs. Curran is a great military artist.

Rev. Mr. Salter read a paper at the Ministerial Association meeting this afternoon.

MRS. TRUMAN'S JOKE

That She is the Wife of McWherrell Does Not Catch Many People in Hamilton.

Hamilton, Nov. 21.—(Special.)—Chief of Police Smith takes no stock in the story published in a contemporary this morning regarding Mrs. G. M. Truman, Queen-street, this city, who claims to be the wife of Walter McWherrell, now serving a life sentence in Kingston Penitentiary for murdering an aged couple named Williams in Port Credit five years ago. Mrs. Truman, who is very well known to the police, frequently romances, and no attention is paid to her stories by the authorities.

What Inspector Stark Says.

"The woman came to Canada about 20 years ago," said Inspector Stark last night, "and the general impression she left with everybody was that she was an illegitimate child of Lord Kinnaird. She also told many that she was sent out here because she became incorrigible. She was bright, attractive and good looking, and consequently had many admirers. After she arrived here remittances were sent regularly, through ex-Inspector Newhall, from the Old Country. The amount gradually decreased, until the remittances dropped off altogether. Then the woman went from bad to worse, until she became a well-known street character."

About five years ago she met Inspector Stark at the door of Police Headquarters and told him she was going to live in Hamilton.

The reporter, at the close of the interview, asked the Inspector what his opinion was as to her being the wife of McWherrell. He replied: "Oh, he may have met her around town, but further than that I don't believe the story!"

DEATH OF MRS. GEORGE FLINT

At the Residence of Her Son-in-Law, Mr. Campbell, of Rose-Ave.

Mrs. George Flint, an old and beloved resident of the northeast end of the city, died on Sunday night at her late residence, 88 Rose-avenue. Mrs. Flint, who was 75 years of age, had only been confined to her bed for the last week, but had been more or less an invalid for the past two years. Her condition on Sunday was not considered serious until 8.30 o'clock, when she suddenly got worse, and, despite medical aid, passed away. She leaves, besides a husband, eight children, all of whom are in the best of circumstances. The sons are: George and Matthew, of Stouffville; J. B. Flint, of the firm of Flint, Irving & Lindsay, Pittsburg; Simeon, of Rochester; Rev. Paul, a Methodist minister of Galt; Frances and Robert, of Toronto, and Mrs. J. W. Campbell. Mrs. Flint was born in Boston, Lincolnshire, England, and 54 years ago came to America and settled in Rochester. The family moved then to Stouffville, where the husband conducted a large furniture shop. During the last 25 years deceased lived between Stouffville and Toronto, and a short while ago came to this city and took up her home at the residence of her son-in-law, Mr. Campbell, 88 Rose-avenue, where she lived until her death. Deceased was a member of Sherbourne-street Methodist Church, and was an ardent worker in the cause of charity. The funeral will take place this afternoon at 3 o'clock to Mount Pleasant Cemetery. Rev. James Allen of Sherbourne-street Methodist Church, and Rev. Lewis W. Hill, B.A., pastor of Woodgreen Methodist Church, will conduct the funeral services. The children of Mrs. Flint have been notified of her death, and will arrive this morning. Mrs. Flint had been wedded for the past 56 years.

COUNTY AND SUBURBAN

Toronto Junction, Nov. 21.—(Special.)—Rev. Mr. Robinson, a returned missionary from Japan, preached in St. John's Church yesterday in the absence of Rev. F. H. Du Vernet.

The Public School Board held a special meeting in the Town Hall to-night, and, from the opening until after 10 o'clock, discussed the advisability of re-engaging Mr. McNamara as teacher of Swansea school. Mr. Smith of Swansea appeared before the board, and opposed the re-engagement of Mr. McNamara. Trustee Smith also stated that complaints had been made to him, and the names of rate-payers were cited by other members of the board, who were opposed to his re-engagement. Trustee Anderson instanced the attendance book in favor of Mr. McNamara's popularity, showing that the attendance had increased from 23 to nearly 40 under his principalship. On an amendment being proposed to leave the matter over until the next regular meeting, the amendment was lost on a tie vote, Messrs. Shipman, Smith, Anderson and Rice voting yea; Messrs. Hay, Hill, Mavety and Raybould voting nay. A motion to re-engage Mr. McNamara at a salary of $400, with the privilege of terminating the engagement at a month's notice was then passed, Trustee Smith dissenting. The Attorney-General will be consulted in regard to the number of trustees that will constitute next year's board, in view of the fact that the ward system has been abolished. Miss Streight received the appointment to one of the vacancies in Annette-st. school.

The Far-Away Buyer

OUR NEW CATALOGUE is conceded to be the finest thing of the sort ever produced in Canada.

We tried hard to make it such, because it represents the choicest jewelry stock in Canada.

Some who have seen it pronounce it superior to similar Catalogues issued by the "Association of Diamond Merchants" and the "Goldsmiths and Silversmiths Co." of London, England.

It is for "out-of-town" buyers only—we prefer showing the goods themselves to city buyers.

We simply ask a comparison of our styles and prices with what is to be found elsewhere—that's all.

On all orders of $1 up we prepay delivery.
