LONDON GETS LARGER PORTION OF GRANT

Evidence of the steady growth of the Western Fair and its advancement over its nearest competitor, the Ottawa exhibition, was given today when Secretary A. M. Hunt received a check for $1,443 from the Ontario Government. This grant is based on the amount of prize money paid by the exhibition the previous year. An appropriation of $5,000 is made for the Toronto, London and Ottawa exhibitions. Toronto receives $2,500. London this year has received the larger portion of the remaining $2,500, indicating that it is well ahead of the third exhibition. The amount is an increase of about $43 over the grant received last year.

OWEN SOUND MAN MAKES 220 PER CENT PROFIT ON LIQUOR

Ponzi's Fifty Per Cent Profits Beaten by James Hicks.

OWEN SOUND, Aug. 23.—Ponzi with his 50 per cent profits was a piker compared to James Hicks, of Owen Sound, who looks only at profits of 220 per cent. Taking the cost of whiskey to be $30 for a case of twelve bottles, and subtracting that from a selling price of $8 a bottle, leaves $5.50 profit on every bottle sold. This is what Hicks pleaded guilty to making at the police court this morning, but the $400 fine imposed by Magistrate Creaser will eat up quite a bit of his profits.

On Saturday night Hicks made an arrangement with Joseph Crowe to motor to Markdale, where the market for liquor was said to promise even greater profits than in Owen Sound, but on the way Hicks fell out with his driver, and Crowe returned to Owen Sound, where he was gathered in by the police and sentenced this morning to seven days for driving an automobile while in an intoxicated condition. To the court he told all the arrangements he had made with Hicks, even to the $8, which he was supposed to pay for his share of the two bottles they opened between them.

The police gave another man $8 to buy a bottle of whiskey, and when Hicks was arrested some of the marked bills were found on him. Hicks decided to pay the fine, but has not handed over the cash yet, although he claims he expects to do so.

Small Boys Rob Guests, "Divvy Up" With Parents

Toronto Police Learn Secret of New Money-Making Scheme.

TORONTO, Aug. 23. — Two small boys who were arrested here tonight are alleged to have let the police into a secret as to how they made money out of guests of their parents. The boys said that at parties given by their parents who live in a reputable quarter of the city the guests were made drunk, and the boys rifled their pockets, while the visitors were in a state of stupor. The boys divided the available cash with their parents, according to their story.

TOBACCO CUTTING TO COMMENCE THIS WEEK CROP IS VERY HEAVY

High Cost of Labor Will Send Up the Price of the Weed

CHATHAM, Aug. 23.—One of the most promising crops of tobacco is predicted for this year throughout the county, and particularly in the township of Dover, in which some farmers will commence their cutting this week. All the tobacco drying barns are being prepared for the crops, which are reported the heaviest in the townships of Raleigh and Dover.

The general consensus of opinion among the growers is that prices will be higher this year than they were before owing to the high wages that have to be paid out for farm help, and the cost of transportation to the buyers' shipping point.

It was stated authoritatively this morning that representatives of the Union Natural Gas Company will not be allowed to be present at the first meeting of the municipalities here on Friday next. An open meeting will be held in the afternoon of that day, and if so, the companies may be allowed to send representatives.

R. L. Stratton, local manager of the Bell Telephone Company, addressed the weekly meeting of the Chamber of Commerce directors today, and explained the proposed adjustments in the rates.

City Engineer F. P. Adams stated this morning that the output of the municipal paving plant will average 20,000 square yards each year for the next five years.

It was learned late this evening that a light frost settled in some parts of the country last evening, but so far as can be learned, no damage was done to the crops.

The local travelers, aid during the month from July 20 to August 20, assisted 291 people, the largest record yet attained.

DOCTOR THROWN OUT OF AUTO TO SAFETY AS TRAIN HITS IT

TORONTO, Aug. 23.—Dr. W. S. Pearson of Mount Dennis, Ont., had a marvelous escape from instant death this afternoon, when his auto was struck by a C. P. R. freight train. When the engine came in contact with the auto the opposite door of the auto flew open and the doctor himself was thrown free of the train. The auto was carried a complete wreck on the engine pilot for about 75 yards before the train was brought to a standstill. Dr. Pearson was injured, but not seriously.

How to Beautify a Summer Soiled Face

It's really a simple matter to renovate a face soiled by sun, winds or dirt. Ordinary mercolized wax, used like cold cream, will transform the worst old complexion into one of snowy whiteness and velvety softness. It literally peels off the outer veil of surface skin, but so gently, gradually, there's no discomfort. The wornout skin comes off, not in patches, but evenly, in tiny particles, leaving no evidence of the treatment. The younger, healthier underskin forming the new complexion, is one of captivating loveliness. One ounce of mercolized wax, to be had at any drug store, is enough to remove any tanned, reddened, pimpled, freckled or blotchy skin. Apply before retiring, washing it off mornings.

Many skins wrinkle easily with every wind that blows, with heat, worry, etc. An excellent wrinkle remover, because it tightens the skin and strengthens relaxed muscles, is a wash lotion made as follows: Powdered saxolite, one ounce, dissolved in witch hazel, one-half pint. This gives immediate results.—Advt.
