AMERICA'S GREATEST LAWN BOWLING TOURNEY COMMENCES

Four Hundred and Fifty Bowlers in Action at London R. C. Greens

FORTY-FOUR TOWNS ARE REPRESENTED

While Fifty-Two Clubs Have Sent One Hundred and Eleven Rinks.

The greatest bowling tournament of them all—the W. O. B. A.—will commence this afternoon at 2 o'clock. The draw was made on Saturday night, and when Hon. Secretary Dr. J. N. Wood started, he found that no less than 111 rinks had to be placed. This is a record for Canada—in fact, for all countries. The W. O. B. A. approached it last year, some 104 rinks being in line, but this year 113 were entered, but two withdrew at the last minute.

The rinks come from all over Ontario, and one from Winnipeg. This is the first time any Manitoba rinks have ever competed, and there are many rooting for Cobb Weid and his gallant crew from the west.

Toronto sent eleven rinks, including that skipped by the veteran winner, F. S. Willison, and many other good ones. A number of the old timers are present, including Eddie Seagram, Waterloo, Billy Euler, Berlin, Eddie Weettlaufer, Berlin, Peter Hawden, Ridgetown, And. Taylor, Toronto, Frank Smoke, Paris, and a bunch of others.

It should be the greatest ever, and all experts are looking forward to some rare bowling for the Labatt trophy.

The draw.

GOING TO ST. KITTS.

Ottawa, July 22.—Mr. Harvey Pulford is authority today for the statement that the Ottawa Rowing Club will defend the honors they won at the Canadian Henley at St. Catharines last year.

On the occasion of the last regatta the Ottawa crews won the eight-oared championship of America and the senior fours.

Although the present senior crew may not all go, some of them undoubtedly will, and Coach Ten Eyck considers that the juniors who will take their places are just as good, and will be able to retain the premier honors.

ELLIOTT'S SAINTS WIN THE FINAL

London Beaten in Overtime Session in Final Game of Triple Series.

PECULIAR DOUBLE MADE

Ball Was Handled Eight Times Before Two Men Retired—A Word on "Knocking."

Counting a pair in the opening session, Chanter Elliott's St. Thomas crew gave London something to think about in the last game of the series on Saturday afternoon, but when the Tecumsehs evened matters up and sent the milling into overtime, the visitors made out three bingles and obtained two additional tallies by forcing these two with an ill-timed heave to second sack by Reske. The score was 4 to 2.

London had another opportunity, but three men went down in order, and the game closed with the visitors in possession of a .333 percentage on the set.

The battle was one of peculiarities, the official scorer being given a writer's cramp in several sessions, particularly the second, when the ball was handled eight times in the making of a double play that blasted London's chances to count a tally that might have saved the overtime effort and warded off defeat.

A Remarkable Play.

In this session three men went down in attempting to purloin sacks, the official account of the double play being "Howick to Speer to Wright to Forgue to Wilde to Wright to Forgue to Graney." This is sufficient work for six players, but St. Thomas fans can scarcely call the retiring of the London outfit an easy matter.

However, the real bloodshed occurred in the tenth, when Reske, believing that the curtain was about to rise, went from first to second, although he had made no motion, threw the ball at the sack, Brant and Nicholls, not anticipating any such move, were unable to recover, and Peter Dinsmore reached it in centre field the path man was sitting on the middle bag. Then two of those three hits were slammed, and two men were sent across with London's bacon.

A great crowd turned out to the affair, and witnessed a beautiful battle, which was not altogether marred by the unexpected defeat of Keenan's Kids.

Knock Those Knockers.

It might be said, however, that there are half a dozen professional "knockers" who attend every game, apparently for the sole purpose of abusing the London squad, no matter how fine the play or what the result of the mill.

Although London took both ends of the double on Friday, with comparative ease, these nuisances were very much in evidence. They clamor for baseball in London, and work themselves into a frenzy to drive the team away. Some of them are absolutely insulting in their remarks to the players, and should be thrown out of the park.

London has been playing good ball, and the fans, with the exception of these nonentities, agree that the brand of pastime offered is a credit to the league and the city. The circuit is going strong now, and by next season its financial condition will be materially bettered.

BERLIN TAKES EASY ONE FROM GUELPH LEAFS 8-2

Sterling's Offerings Spanked Aplenty by League Leaders on Saturday.

Berlin, July 22.—The Sox took another from Guelph today, playing superior ball all the way and hitting when hits meant runs. The score was 8 to 2, and the locals led all the way through, breaking into the run column in the second inning and scoring two. Sterling did the heaving for the visitors and he was located for twelve safeties; they came in bunches, and this, added to a number of errors by the visitors, allowed the Sox to win easily.

Chaput did the twirling for the home team, and the visitors got nine hits off his delivery. They were well scattered with the exception of the eighth, when three in succession resulted in a run. The feature of the game was Bramble's home run, when he knocked out the longest hit ever seen on the local grounds. The crowd was one of the largest of the season. Score:

The next inning the Jubilees tied the score, and the rest of the game was close playing on both sides. In the sixth and eighth innings St. Marys scored again, and the Jubilees made one run in the seventh.

A RECORD PRICE IS PAID FOR STAR FLINGER

PITCHER O'TOOLE AND CATCHER KELLY.

Minneapolis, July 22. — Barney Dreyfuss, president of the Pittsburg club of the National League, late today purchased Marty O'Toole, for $22,500, the highest price ever paid for a ballplayer in the history of organized baseball.

All of the bidders dropped out of the running today with the exception of Dreyfuss and Mike Cantillon, who was acting in the role of agent for Charles Comiskey, of the Chicago Americans.

Following O'Toole's sensational work against Milwaukee, when he struck out seventeen men, equalling Rube Waddell's famous record, he defeated the heavy-hitting Minneapolis team Friday, striking out ten of them. In a previous game with Toledo, he struck out eleven men, and jumped in a short time into a national limelight.

Bresnahan, of St. Louis, started the bidding by offering about $15,000 for O'Toole and Kelly, his catcher.

Cleveland and Chicago were both attracted by the showing of the youngster and the bidding started. The price was lifted a thousand at a time until today, when George E. Lennon, of the St. Paul club, named $25,000 as his price for O'Toole alone.

This caused a dropping of all efforts to get the pitcher by everyone, except Dreyfuss and Cantillon, representing the Chicago Americans.

Cantillon offered $20,000 as a final bid, the limit set by the Chicago magnate. After some haggling Dreyfus split the difference and promised Lennon a check for $22,500. After some parley this was accepted.

O'Toole was summoned and announced himself as satisfied to go to Pittsburg, but declared he would like to have Kelly go with him. Dreyfuss is said to have offered $5,000 for Kelly, but Lennon is desirous of realizing at least $7,500 for him.

The contract calls for delivery at the end of the American Association season.

NELSON NOT AFRAID OF BRITT, HE SAYS

Wishes Jimmy Were Lightweight Title Holder.

Medford, Ore., July 23.—"I only wish that Jimmy Britt was the only man between me and the championship. His statement that he will 'get me' on Labor Day is too ridiculous even to be considered."

In this manner did Bat Nelson make reply today to the statement of James Edward Britt that he would surely stop him within the 10-round limit of their coming fight in New York.

Continuing, Nelson said: "I'll admit that Moran gave me a good beating, but I wasn't in condition. Since then I have worked hard and never was in better physical trim."

Nelson is training for a 10-round meeting here with Tommy Gaffney, set for July 29.
