Past President Advises Replaying L.O.B.A. Game

John De Gruchy Favors Toronto Ladies Waiving Everything and Taking On Shamrocks At Once.

Special to The Advertiser.

Toronto, March 16.—When the London Shamrock team defaulted their game with the Toronto Ladies on Thursday, March 6, there were three interested gentlemen seated in the large audience. These gentlemen were John DeGruchy, past president of the A. A. U. of C., Ontario branch; Mr. Johnson, president, and A. W. Steele, secretary of that organization. After the game had failed to be held, they met in close conference. All that was announced after that meeting was that the A. A. U. of C. would "look into the matter further."

Last Wednesday morning a telegram arrived at the office of the A. A. U. of C., stating that Dr. Smith, coach of the London Shamrock team, was on his way to Toronto. It was requested that a meeting be called at which Dr. Smith might be present.

Up to the present no details of this meeting have been published. Saturday morning, when interviewed, Mr. DeGruchy announced that it had been left to him and Mrs. Smallman to settle the matter.

Decision Would Be to Play.

"I would much prefer that the Toronto Ladies waive everything and say we will take them right on," he said. "This would be our official decision, so it would be wiser not to let it get that far. I wrote Thursday evening to Mrs. Smallman.

Mr. DeGruchy showed a copy of the letter which he had sent to Mrs. Smallman on March 12. It stated that the protests had been taken up at a meeting of the registration committee held upon that day. The following quotations are significant:

"After fully discussing the matter from every angle we unanimously decided that in the best interests of the game it would be advisable that the Shamrocks be allowed to play off the defaulted game of March 6th.

"We came to this decision because of certain points somewhat vague in the L. O. B. A. rules, which under the constitution did not provide for other than the Spaulding or men's rules.

"We wish it clearly understood that this decision does not in any way question your judgment in the matter, or ruling concerning same.

"Our position is purely and simply that of an arbiter, as such to consider every phase and thus arrive at an equitable and fair solution and to endeavor as far as possible to legislate for that which is best in promotion of wholesome amateur sport.

"I am writing you in a personal manner rather than as an official of the union, although conveying the viewpoint as decided at our meeting, and would urge, as I feel it will do good, that the L. O. B. A. order a replay, say a week from tonight, in Toronto, giving as a reason for your action the advice of the Amateur Athletic Union.

Clean Sports.

"The Toronto girls have shown themselves very clean sports in every way.

"On Wednesday afternoon we had a meeting, at which Dr. Smith was present, but only by courtesy, not as a matter of any right, but because both teams had entered a protest to the Ladies' Basketball Association we as an independent body had taken the matter of the protests up and the question that had arisen over the voting which had taken place in the matter of the Toronto protest. He had no rights in the matter, and the only argument he raised was they had no right to settle the protest without both sides being heard from. Further, that Guelph had not given an answer as suggested by Mrs. Smallman. Unfortunately, I had in my possession a letter from the lady in charge of the Guelph team in reference to this question. After having had a conversation with someone in London, and considering the matter further, they (Guelph) were still of the same opinion as the rest of the league.

"Another point Mr. Smith raised was that in any case London had won, because, under the rule, they had a four-point lead, and the winning of the game on Thursday night only gave two points to the Toronto team. Technically speaking, they were within their rights in that. Both sides entered a protest from different angles. London were right according to the Spalding rules about the basket—that is, technically. Last year's rules called 'for cord or other suitable material.' Under the new Spalding rules it distinctly calls for 'white cord baskets.' This is highly technical. It struck me a wise stand would be to have the game replayed. Smith answered, 'No; not fair to London; but play two games, one in London and one in Toronto.'

"In this way they might run up a big score in London and come down here with a good deal of feeling prevailing.

"I would not consent to this, but suggested that the game be replayed next week in Toronto on the West End 'Y' floor and leave the first game in London as it stood, eliminating the second and third game. They have won two games, and in all fairness, when they have won two games they are entitled to this consideration. London are asking for a meeting this afternoon of the executive of the L. O. B. A., to be held in Hamilton, which the executive are not in a position to finance.

Technically L.O.B.A. Wins.

"If it comes down to a legal question, the T.O.B.A. would automatically win.

"If the technicalities are in order, and as both teams have already questioned on technical points the protests by the two teams should be considered. No matter what we think personally we are entitled to consider all things from every angle, and the stand taken by Dr. Smith re the cord baskets would justify the London stand. We are not overriding the judgment or wisdom of the L.O.B.A., but are only suggesting. I am sure the Toronto team want to win the game on the floor itself and do not want to take it as it stands.

"The question of registration of players, brought up by Dr. Smith, does not enter into the question at all. If this were so the Toronto team could secure ringers from other teams in the city and meet the London team with a very formidable array of players. If London were allowed to register players for any game, the Toronto team also should be allowed this privilege, and I believe the team which has played all season is the one which should compete when it comes to the finals for the championships.

"For the good of the game itself I would like to see the game replayed on the Toronto floor.

"In so far as the game of Saturday night is concerned (Toronto v. Niagara), if the Toronto team wins out on the round it could stand as the first of the finals, but if London wins they will play Niagara for the finals," Mr. DeGruchy said.

KITCHENER KNIGHTS CAPTURE LANG CUP

St. Jerome's College Sextet Puts Up Game Fight Against Heavier Team.

Special to The Advertiser.

Kitchener, March 16.—The hockey championship of the Twin City and the Lang Cup, emblematic of that achievement, were won Saturday here by the Knights of Columbus, when they defeated St. Jerome's College, 5 to 3, in a fast game of hockey. The Knights were the winners of the senior division of the City League, while St. Jeromes won the junior championship.

The losers, though all under nineteen, put up a strong battle against their heavier and more experienced opponents, and their goalie, Oberle, saved the situation many times. In the first period no score was registered, but in the second St. Jeromes opened on a lone rush by Regan. The Knights replied with two counters before the period closed. In the final canto the Knights counted three and the Collegians two.

George Hainsworth, former Kitchener senior goalie, who tended the nets for the Saskatoon Crescents this year, who returned from the West last week, refereed.

The teams:

Knights of Columbus—Goal, McCarthy; defence, Krug and Hearn; center, Schumaker; wings, A. Hannenberg and Frank; subs, Hummell, Corrigan and Young.

St. Jerome—Goal, Oberle; defence, Regan and Culleton; center, Lobsinger; wings, Dentinger and O. Hannenberg; subs, Devine, Lippert and McDonald.

Referee—George Hainsworth.
