The Song of Wau-kah-wau-kah.

Have you heard of Wau-kah-wau-kah,
If not I will tell the story,
Better far than Hiawatha,
Knocks the socks off Hiawatha,
Hiawatha's coat is no where
When you hear of Wau-kah-wau-kah.

Once upon a time a trader
Paid a visit to Toronto,
Looking for a place to fix a
Wigwam to supply the people.
Soon he fixed a splendid wigwam,
Put a fine stock in the wigwam,
Painted "WALKER" on the wigwam,
Called it "WEEKLY PAYMENT" wigwam,
Walker soon made things to hustle,
And the people said we've got just
What we wanted in Toronto,
We can get just what we want to
On the weekly payment system,
Furniture and splendid carpets,
Smyrna rugs and Brussels carpets,
A cot and carriage for the papoose,
For the latest little papoose;
Everything to fix a home with
We can get on time from Walker.
Walker sells for cash or credit,
Walker gives the poor man credit;
Walker doesn't charge high prices,
Then the opposition traders,
Weak and feeble little traders,
Want to know how Walker does it,
How in thunder Walker does it.

OUR LATEST IMPROVEMENT.

(PATENTED IN CANADA AND UNITED STATES.)

THE BELL ORGAN

IS THE ONLY INSTRUMENT MADE HAVING A PERFECT

DUST, MOTH AND MOUSE EXCLUDER.

Is always closed and is much superior to the so-called "Mouse Proof Attachment" advertised by another company. Their improvement consists in a grate around the Pedals, which is opened and closed with the fall board; should the organ at any time be left open dust and vermin are freely admitted, and they will assuredly eat their way out. No other company can use our

PATENT PEDAL,

And we would advise all intending purchasers to buy only the BELL ORGAN, which contains all the most Important and Practical Improvements known to the Trade.
