The Angelus

A mechanical wonder, relieving the music lover of the labor of finding and striking the keys of the piano, while yet leaving him free to express his own soul in interpretation of all grades of music written or arranged for the piano. It can be attached to any piano, and can be played by anyone; it plays the simplest and most elaborate compositions; it cultivates taste and increases knowledge of music; it sets up a standard of excellence for the guidance of piano students; it brings the music of the orchestra and of the opera into the home; it makes the piano useful and enjoyable without any demand for practice. It surpasses any instrument of similar design and purpose. Sold only by

Will redeem a plain-featured face it is a set of wholesome-looking teeth. "A mouthful of pearls" is not to be found every day, but teeth that are white, even and attached to healthy gums, may be the rule and not the exception.

Don't abuse your teeth—they will retaliate if you do. Neglect is the worst kind of abuse.

Keep them clean and in perfect order by using Odontine (C. & L.) It whitens the teeth—perfumes the breath and makes the gums firm, rosy and healthy. Only 25 cents. Be sure you get the genuine, which bears the name
