Greatest Tennis Ever Seen.

Queen's Royal, Niagara-on-the-Lake, Ont., July 12.—The greatest tennis ever seen in this part of the country was witnessed to-day on the Queen's Royal courts at Niagara-on-the-Lake. In the morning W. A. Larned of Summit, N. J., Middle States champion, met his friend, Arthur Foote of Yale, in the final of the all-comers. It was magnificent tennis, but Larned's pace and his side line smashes outweighted Foote's placing and lobbying, and the Columbian won in three straight sets, 6—1, 6—4, 6—2.

Larned is in splendid form at this tournament. The grass courts, which are in excellent condition, are to his liking, and the returns yet seen in this part of Canada. Larned and Fischer seemed to vie with each other in their magnificent drives and the speed of their returns, while Parker and Foote covered the court very cleverly.

The game went with a snap that is seldom seen, and the speculation was very brisk until the last set had been called to a finish. Fischer and Parker, by their combined play and their endurance, carried off an event that will live long in the memories of the tennis lovers of Canada as the finest double yet seen in this part of the world. Three hard-fought sets were played, but Ward beat his opponent nicely.

Moss Park L.T Club.

The Moss Park Lawn Tennis Club has recently revised its constitution and bylaws and elected new officers. The membership is increasing, and a committee are preparing for a tournament. The following are the newly-elected officers: President, Mr. T. S. D. Lloyd; vice-president, Mr. E. W. Hinde; Sec.-Treas., Mr. G. E. Streeter; captain, Mr. A. Cox. The above, with Miss Draper, Miss S. Fullerton, Dr. Alexander and Mr. G. F. Shaw, form the Executive Committee, of which Mr. Hinde is the chairman. The Field Committee of 12 gentlemen have elected Mr. R. Richardson their chairman. The club is willing to arrange matches with other clubs, and those wishing to play should write to the captain, whose address is 35 Richmond-street west. The members play daily at Moss Park Rink, which has recently been put in good condition. On Saturday a match with Rusholme will be played at the rink at half-past 2 o'clock sharp, when it is hoped the members and their friends will be on hand.

Lacrosse Points.

This will be a busy day in Ottawa lacrosse circles. The Capitals play the Montrealers, and the Young Capitals play their hardest match of the season—against the Quebecers of Quebec. It is generally conceded that if the Young Capitals win that game they will as good as carry off the championship in the Intermediate League.

The Torontos play a Senior League game with the Shamrocks in Montreal to-day. As Courtney has gone to Muskoka, the defence will be considerably weakened. The team left per C.P.R. last night, as follows: Goal, Allen; point, McCullough; cover, Wheeler; defence, Hartley, Moss, White; centre, Hendry; home, Dewar, Keith, Burns; outside, Peaker; inside, Nelson; field captain, Knowles.

The Tecumsehs play the Athletics of St. Catharines at Hanlan's Point at 3.30 p.m. to-day. The team: Goal, Pringle; point, Douglas; cover-point, Yorke; defence field, Brummell, Davis, Irwin; centre, Jack; home field, Drury, Macdonald, Snell; outside home, German; inside home, Baker; captain, H. B. Clemes.

At St. Catharines yesterday the Athletics II. defeated the Alerts of St. Catharines by 4 goals to 2. The Athletics scored the first, second, third and sixth goals in 11, 16, 9 and 6 minutes. The Alerts scored the fourth and fifth games in 12 and 10 minutes. The result of the game played to-day makes the Athletics II. and Alerts tie in the Niagara district, the record being three games won and one lost.

THE VICTORIAS' WALKER CUP

C. J. LEONARD CAPTURES THE BIG DOMINION PRIZE.

J. H. Horsey's Yacht Club Rink was the Runner Up—Dr. Wood, W. H. Biggar, M.L.A., C. Lavis and J. S. Russell Remain in the Consolation Competition—Singles and Doubles To-Day.

Good progress was made in the Dominion lawn bowling competition yesterday, notwithstanding the rain. There was a goodly array of spectators on the pretty yacht club lawn, where play began at 10 a.m., the chief attraction being the Walker Cup semi-finals, which resulted as follows:

J. H. Horsey, R.C.Y.C., 19; J. G. Gibson, P.P., 14.

C. J. Leonard, Victorias, 23; W. Elliott, M., 17.

The cup final was started early in the afternoon, and resulted in a victory for the Victoria quartet over their yacht club rivals by 8 points. Score:

Victoria.	R.C.Y.C.
F. J. Lightbourne.	C. C. Ross.
D. Henderson.	P. J. McNally.
J. B. O'Brien.	J. E. Robertson.
C. J. Leonard, sk., 19	J. H. Horsey, sk, 11

In the consolations there are still four rinks left, the play yesterday resulting:

Third draw, rink, consolation, at 10 a.m.:

C. Lavis, Belleville, 19; F. O. Cayley, R.C.Y.C., 17.

Dr. Wood, Mitchell, 21; R. McClain, Gr., 18.

J. S. Russell, Vic., 19; D. Dexter, Ham. V., 13.

W. O. Thornton, Vic., won by default from A. P. Scott, Gr.

W. H. Biggar, Belleville, 20; C. C. Dalton, Gr., 18.

Fourth draw at 2 p.m.:

Dr. Wood, Mitchell, 15; G. R. Hargraft, G., 14.

C. Lavis, B., 18; W. Elliott, M., 12.

J. S. Russell, V., 16; J. G. Gibson, P.P., 14.

The rain necessarily curtailed the program and the singles and doubles were not started. Thus to complete the different events to-day play will be started promptly on the arrival of the 9.15 boat at the lawn. All those not present at that time will be scratched. Only fifteen ends will be played in all matches but the final, when 18 will be bowled.

To Recognize Professionals.

A correspondence between officials of the C.W.A. and L.A.W. has brought about a new departure for both national bicycle organizations, and henceforth professional races and professional riders will be under their control and rulings, and decisions of each will be recognized by both bodies.

Bicycle Briefs.

The Wanderers will run to Weston this Saturday afternoon to play baseball.

R.C.B.C. riders and non-riders will play a game of baseball this afternoon at 2.30 at Norway.

At Asbury Park yesterday Zimmerman rode an exhibition mile, paced by a quad, in 1.57 1-4, the fastest mile ever ridden by the champion in America.

They are to have wheels instead of horses at the Providence race track. A new bicycle track is now being constructed at the course, as race-goers who have attempted to follow form at the track must have a surplus of wheels now.

Apropos of woman perched on a bicycle, the very thought inspired a western orator to proclaim this great truth from the pulpit: "Whatever she wears, she will wear what she pleases. Neither Chicago aldermen nor Episcopalian bishops can keep her back when her mind is once made up. With one toss of her pretty head she has her own sweet way."

Fast Work at Windsor.

Windsor, Ont., July 12.—2.35 class, trotting, purse $800—Volunteer Medium, b g, 1; Augustine A, 2; Bessie Albatross, 3. Best time 2.22 1-4.

2.25 class, trotting, purse $800—Harry B, b g, 1; Sweetchild, 2; Don O Loid, 3. Best time 2.17 1-4.

Mascot went a mile in 2.07, doing the last quarter in 30 1-2.

A striped bass, weighing 26 1-4 pounds, was taken from the water at Peekskill, N.Y., last week.

Sporting Notes

The price for seeing the Corbettt-Fitzsimmons fight will be as follows: Box, with five chairs, $200 or $40 a chair; reserved seats, $20; general admission, $10.

Milton Young, the famous breeder, has shipped from Lexington to New York 11 thoroughbred yearlings by the great Hanover and Strathmore, and of famous brood mares. They are the property of Michael F. Dwyer, and will be shipped to Mr. Dwyer's stables at Newmarket, Eng., at once. They will be entered heavily in stake races by Mr. Dwyer.

The Toronto C.C. plays Rosedale to-day on the University lawn at 11 o'clock sharp. The Toronto club will not have Laing, Saunders, Wadsworth, Tucker, Cooper and A. F. Martin, who have been playing in Philadelphia, Toronto's team is: Goldingham, Collins, M. Boyd, Rykert, Wood, W. J. Henry, McMurtry, Johnston, A. D. Strathy, Green and McVity.

All arrangements have been made for an exhibition race between Gaudaur and Durnan to take place over the Toronto Rowing Club course on Civic Holiday, Aug. 19.

THE POPULAR ARGONAUTS.

Henley Oarsmen Give the Canadian Crew a Great Ovation.

London, July 12.—The thousands who witnessed the races of the Henley Regatta are to-day discussing the merits of the letters issued by Cornell and Leander, and the consensus of opinion is that the Leanders' statement is the proper account of what occurred. Cornell's letter is thought to partake somewhat of the character of special pleading. The Cornell men left Henley at 3 o'clock this afternoon. Their boats were loaded on four trucks attached to the train. The crew have not altered the arrangements to sail for home on July 27. They will not do any rowing in the interim.

The Argonauts of Toronto left Henley this morning. They visited all of the rowing and sporting clubs, at Henley last evening, and received a great ovation. Later they were entertained at dinner by the Leanders.

The Canadians were the most popular of all the visiting crews, though the Dutch crew of the Nereus Rowing Club of Amsterdam University vied with them in popularity. The Dutchmen also left Henley this morning. They will spend a few days in London, and will then return to Amsterdam. They have announced their intention to come to Henley in 1896 to compete for the Grand Challenge Cup.

Professional Singles and Fours.

Orillia, July 12.—Jake Gaudaur dropped into The News-Letter office, bearing in his hand a letter from John Crotty, the rowing enthusiast of Austin, Texas. Mr. Crotty wrote to say that he had just formed a joint stock company for the purpose of holding a regatta at Austin immediately after the Corbett-Fitzsimmons fight in Texas in September, and $3500 would be given in prizes for three races. The money will be laid out in this way: $1000 for a single-scull race, $1000 for a double-scull race, and $1500 for a four-oared event between the four best American oarsmen and the four best English oarsmen.

Jake says the American four will in all probability consist of himself, Peterson, Teemer and Rogers. He would like to have his brother Charley in the boat, but thinks the other fellows would vigorously object, as Charley's abilities are unknown to them.

The English four he expects will be Harding, Bubear, Sullivan and Berry. In the doubles the champion will row with either Peterson, Rogers or Charley Gaudaur. Jake expects that the course this time will be straightaway up the river from Austin.

Rowing Ripples.

It would take a Gaudaur to defeat Guy Nickalls, the English amateur champion, judging by the way he defeated E. A. Thompson of the Argonauts, thinks a New York exchange.

Cornell has now met with two defeats at Henley. Their four-oared crew was beaten in the race for the Stewards' Cup by a Cambridge four in 1881, the stroke-oar fainting in their boat.

The Muskoka Lakes Association announce their second annual regatta and At Home, to be held at Port Sandfield on Monday, Aug. 19, on Toronto Civic Holiday. The day has been selected for the convenience of city people who wish to spend the holiday in Muskoka. The program includes skiff and canoe sailing, rowing, paddling and swimming races, and Messrs. Ryrie, Bros. of Yonge-street have received orders for special medals and prizes. His Honor the Lieutenant-Governor has promised to be present at the sports, and it promises to be a great day for Muskoka.

Racing at Asbury Park.

Asbury Park, July 12.—The national meet of the L.A.W. this morning was given over to trial heats at the Athletic grounds, the 26 preliminary events attracting an audience of fully 5000 spectators.

A big surprise to many was the appearance in the professional event of Con. Baker and I. A. Silvie of Staten Island, who have previously figured in class B.

The other features of extraordinary character were the "quad" race, Zimmerman's and Dirnberger's trials against time, and the one-third-mile handicap race between two very small boys, Masters Louis Benner, aged 4, and John J. Benner, a 6-year-old.

In the "quad" race, L. B. Callahan, Nat. Butler, A. McLeod and F. Haggerty went a superb mile in 1.50 3-5, a new world's "quad" record. "King" Dirnberger, paced by the latter "quad," established a new track and state amateur record, riding handsomely in 2.01.

Zim has ridden fast miles elsewhere, but he cruised around three times in 1.57 4-5, the third being made in 39 1-5, and two-thirds in 1.18 1-5. This is the fastest mile ever ridden by the only Zim in this country.

The regular racing events were a two-mile handicap, two-thirds mile, open and half-mile championship.

Church captured the handicap by a short length from Davidson, the Canadian. Two-thirds-mile, open, for a trip to Europe and return, was a battle royal between Bald, Porter, Murphy, Gardiner, Coulter, Jenney. At the head of the stretch Bald was fourth, and seemed to be beaten, but Gardiner and Coulter swung wide in turning, and the Buffalo boy cut by them at the pole, running home in a driving finish a wheel ahead of Charley Murphy, who had loomed up on the outside. The half-mile national championship was called, with Murphy, Zeigler, Bald and McDonald on the mark. Murphy went ahead and stayed there until the last turn, when Bald and McDonald flashed by him, with Zeigler on the outside. Down the stretch came the two columns of boys abreast, straining every nerve. At the tape McDonald made a supreme effort, and in trying to swing himself over first raised his front wheel clear off the ground in the attempt. To many in the stand it looked like McDonald's race, and Bald, thinking the same, rode in with his perennial smile for once sumbered in grief. But the judges decided on Bald as the winner. Things were so even that none could contradict them. In the "A" events, which grew tedious through their multiplicity, Tom Butler, H. E. Winters and Walter Douglas were the stars.

A FAMILY OF COUNTERFEITERS.

Armondy Made the Money and His Wife and Two Children Got Rid of It.

Los Angeles, Cal., July 13.—The police captured a complete counterfeiting outfit in this city to-day, and arrested C. J. Armondy, his wife and two children. The woman had been getting rid of false coins by peddling and using them in change. One of the children worked as a domestic, and got rid of considerable change at odd moments. Armondy devoted his time to the manufacturing of nickels, dimes, quarters and halves. He produced the best counterfeit ever seen on the Pacific Coast. He is an old hand at the business, but held good positions once in banking and real estate firms in Leonard, Kan. He came to California about three years ago, and has passed thousands of dollars worth of spurious coin. The entire family is locked up in the county jail.

Bernard Lindman, Esq., Toronto.

Dear Sir,—It is now about three months ago since I first noticed that a cure of my rupture was being effected by the use of one of your Wilkinson Trusses, and now I am fully convinced that the cure is both complete and effectual. I have on several occasions within the last few weeks taken long walks without truss or support of any kind, and have every confidence that my rupture, which, as you are aware, was of a very severe description, is now permanently healed, and I can assure you that I feel deeply thankful for the beneficial results. I have already recommended your appliances to several of my friends similarly affected.

Yours very sincerely,
J. H. MICKLER, Supt.
