JERSEY CITY, Sept. 13.—Jersey City and Toronto are even up in this closing series of the season's games, the Skeeters winning to-day's game with the score of yesterday reversed. Joe Kelley's champions were unable to make further progress toward the flag against Lake's twisters, and were saved a shut-out by two hits and Lake's wild heave in the eighth round, sending their only run over the rubber. NEWARK, Sept. 13.—Newark shut out the Buffalos in a nine innings finish to-day, 1 to 0. There was one man out at the time. Mahling was on third and Catcher Ryan of the Buffalos threw to that base, trying to catch the runner napping. The throw was low and Hill let it go by, Mahling coming in with the only run of the contest. Score:

American League Scores.

At Detroit—Cleveland took the first game by bunching hits on Mullin in one inning. Thielman held the locals safe. The second was played under an agreement on time limit, and Cleveland's efforts to prevent five innings being completed almost incited a riot. Intentional misjudgments of easy flies and refusals to make plays on runners were the main means of delay, and were continuous from the third innings on. Joss was hit hard from the start, while Donovan was a puzzle and Cleveland gave up as soon as Detroit took the commanding lead.

ANNUAL CHAMPIONSHIPS TO-DAY AT VARSITY FIELD

New Athletic Records Expected at 24th C.A.A.U. Games—Officials for Meeting.

The twenty-fourth annual athletic championships of Canada take place to-day on the varsity grounds, when a large assembly is sure to see fine work on track and field, with the probability of several records being broken. Secretary Crow has gone to considerable trouble to compile the correct marks, that have heretofore been considerably confused. All will be given on the official program. The games will commence at 2.30 p.m.

The mile, half, quarter and five-mile events will be the chief items. The five-mile race should be great, when Canada's four fastest Indians — Tom Longboat, Ben Howard, Hilton Green and Joshua Nichols—are up against Coley, Sellen, Meadows, Lawson, Near and other good ones.

Following is the list of officials: Referee, President Stark; starter, Jas. Pearson; judges at finish, Frank Grierson, O. Heron and G. W. Orton; jumping judges, H. G. Crawford, Dr. Hendry, A. J. Taylor; weights, M. McDonald, J. W. Curry, N. J. Stevenson; timers, S. P. Grant, J. D. Morrow, E. R. Hooper; judge walking, Dr. W. J. Laker; clerks of course, W. G. McClelland, J. J. Clark; scorers, A. J. Hardy, John Westren, R. E. M. Meighan, B. Darlington; inspectors, T. C. Flanagan, J. G. Merrick, R. H. Nicholls, T. B. Barnes; announcer, W. H. Scott.

This evening the annual meeting will take place in the King Edward Hotel, when the new plan of dividing the Dominion into districts will be completed. The new Big Four Rugby Union and the admissibility of Montreal will also form an interesting matter for discussion.

The Ward Marathon.

Among the entries this week for the Ward Marathon is W. B. Goldsbro of the Central Y.M.C.A. Goldsbro finished next to Longboat in the Ward Marathon last year and is in good condition. Pat Kielty, the long distance runner of the Toronto Police Athletic Club, has also entered. Kielty has won several road races and is getting in shape for the big race on Oct. 12. Several entries have been made in the boys' races under 14. Boys must give age and the school they attend. The Canada Cycle & Motor Company have given a silver trophy worth $20 for the ten-mile bicycle race on the same day. Messrs. C. Millar and C. L. Bailey have each given gold medals for the Ward Marathon. The Marathon Club of the West End have donated a gold medal.

The trustees will meet early next week at Inspector James L. Hughes' office, to arrange the details of the race. The distance will be about 18 or 20 miles and will start a half mile on exhibition track and finish the same.

The question of whether or not Controller Ward's suggestion to charge a small admission fee of ten cents to the grand stand, and giving the total receipts to assist sending the Canadian athletes to the Olympian games in England next year, will be acted on, will be taken up by the trustees of the trophy.

CAN'T MISS MR. KELLY

Thru a bit of carelessness on the part of the office boy Kelly's reminder was relegated to the oblivion department last week, but now, as the late respected Mr. Barnum would say, it is bigger and better than ever. Mr. Kelly simply wants to emphasize the fact that he is the man who owns that satisfactory liquor store at 749 West Queen-street. He can deliver goods to all parts of the city and he has no counterfeits. He is a genuine business Kelly, with honest intent and you can get the best there is promptly sent to you if you phone Park 2286. Do it now.

For America's Cup.

A London cable states that Sir Thos. Lipton will challenge for the America's Cup, match to be sailed in 1908. Fife will be asked to design the challenger, if he is not already at work on the model of Shamrock IV. The New York Yacht Club announce that the challenge will be accepted.

A Big Bargain For Pipe Smokers

Must be sold—1000 tins of tobacco. So out they go at less than manufacturer's cost of production. It is a delicious combination of high-grade tobacco, possessing a delicacy of flavor and richness of aroma unequaled; a tobacco equal to many brands sold at $3.00 per pound. The reason for the reduction is the fault of packing. The tobacco should have been packed in air-tight tins, but, through an error, it was sent in ordinary tins. Although it is in perfect condition at present, it is not what we ordered.

You get the benefit.

To clear at half price, 35c per 4-oz. tin. We have a number of tins open for your inspection. See them in our window.

TOBACCO POUCHES

Small, medium and large sizes; oval and square shape; corrugated and plain rubber; regular 35c, 40c, 50c and 65c

each; special, Saturday, 25c each; also large size, self-closing pouches, regular 50c, Saturday 25c each.

Wilson's Marcello Cigars—The choice of particular smokers, 5c straight; equal to many of the popular 10c brands.

Wilson's Dark Shag—For pipe or cigarettes; 1-2-lb. package, 50c.

Wilson's Waverly Smoking Mixture, 10c package, or 1-2-lb. tin, 50c.

Granda Clear Havana Cigars, regular 3 for 25c; special, 4 for 25c, or $2.75 per box.

W. D. O. Willis' Westward Ho Tobacco, 2-oz. tin, 20c.

E. W. Ansties Co. of Devizes, England

Makers of High-Grade Tobacco for over two centuries. We carry a full line of the above firm's goods. Here are a few of these well-known makes:

Darkey Boy Shag, 4-oz tin, 40c.

Red Indian Shag, 4-oz. tin, 40c.

British Empire Smoking Mixture, 2-oz. tin, 20c.

Musketeer Smoking Mixture, 2-oz. tin, 20c.

Regatta Smoking Mixture, 4-oz. tin, 40c.

Also Thin and Thick Twist, 3 ounces for 25c.

Special Saturday

We have just purchased 25,000 La Patrona Cigars, that were made especially for a wholesale jobber to sell as a 10c leader, but most Toronto dealers only sell staple brands, and the firm found it more difficult to place a new brand on the market than they expected, so they offered the lot to us at a big reduction, and we paid them cash. La Patrona Cigars are a full 5-in. smoke, union hand-made, filled with long Havana tobacco, with a choice Connecticut binder, and a high-grade Sumatra wrapper; packed 25 in a box, and every cigar banded. Special, 6 for 25c, or $1.00 per box of 25. Drop in and see them to-day. Looking means no obligation to buy.

Burke No Match for Johnson.

BRIDGEPORT, Conn., Sept. 13.—Before a crowd that packed Smith's Theatre from pit to dome, Sailor Burke and Jack Johnson met last night for a six-round bout. Burke entered the ring at 165 lbs., and the colored man at 185. Both were in good shape. Johnston had all the better of the bout. Burke being lighter than the colored fighter, his blows had little effect on him, while Johnson's swings to the body landed with telling effect.

In the fifth round Burke was sent to the floor three times. He was very tired, his legs were wobbly, and he hung on his adversary for support.

The affair could hardly have been called a fight. It was merely an exhibition, in which Jack Johnson showed what a clever boxer and accurate hitter he is. He showed that he is infinitely cleverer than Burke as a boxer, much too strong for him as a "tinker," and far too fast as a fighter for the sailor to even hope to compete with him. Burke was knocked down or wrestled to the floor fourteen times in the six rounds. In fact, he hit the floor about five times oftener than his glove collided with any part of Johnson's anatomy. It was a pitiable exhibition, and only served to show that Burke can take a lot of punishment.

At the Woodbine—A Perfect Team.

Judging from the entries, the fall meet of the O.J.C. promises to be a successful one, and the track is likely to be crowded to-day. A capital team between races is Fisherman Scotch and radnor water. Fisherman is a real, pure Scotch whisky and blends admirable with radnor.

Bay Billy Wins Match Race Big Day's Racing at Dufferin

Six Heats in Class C.; Lou Belle, Lou Ferguson and Fox Pugh the Winners — Lou Belle Trots a Half in 1.09.

It was a great day for the Lous yesterday afternoon at the Dufferin track, as Lou Belle, Edmanson & Bates' good-looking trotter, won the Class A trot, and the grey pacing mare, Lou Ferguson, won the Class C event. The former won in four heats, but it took the latter six before she annexed first money.

It was also a great day for Jimmy Noble, jr., as he piloted two winners, Lou Belle, and also Fox Pugh, who won in Class B.

The much-talked-of match race between Lady Lavanda, all the way from Cobalt, and Bay Billy, formerly of Cobalt, but now of this city, was an interesting affair and was closely contested for three heats, but in the fourth lack of condition told on the Cobalt mare, and she was badly beaten. The mare was the favorite before the first heat, and probably would have won the opening heat had her driver, young Tripp, paid more attention to his own mount and less to his opponent. As it was, the gelding just won by Nesbitt outfinishing Tripp. The mare won the second heat in a very close finish, but at that she was lucky to get it, as she swerved badly in the stretch, interfering with Bay Billy. The gelding won the third by a length and the fourth by fully a hundred yards. In the final heat young Tripp made way for his father in the sulky, but the mare was all in and could never get within striking distance.

Class A was a good contest. Dan Lochrie very cleverly landed his mare, Hattie R., in front in the opening heat, but after that it was Lou Belle one-two-three. In the second heat the winner stepped the half in 1.09, which is very good time, considering the track is nearly ankle-deep in sand.

William C., the roan pacer, in Jimmy McDowell's string, was looked upon as the good thing in Class B, but second to Jimmy Noble, jr.'s, Fox Pugh was the best McDowell could do. Fox Pugh won in straight heats, never being headed thruout the race, and by his win got out of the maiden class.

Class C was a long-drawn-out affair, with the talent all at sea. Swartz's mare, Nellie Brown, at 10 to 1, finished in front in the first heat, and again in the fifth, but fell away in the sixth and final, which was won by Lou Ferguson. The race was desperately contested and was not finished until 7 o'clock.

The attendance was large, and those who were fortunate enough to be present went away satisfied that they had seen a day of great racing. Summary:

Class A, trot, half-mile heats—
