A Constitution for the Seven Australian Colonies to be Prepared.

BY TELEGRAPH TO THE GAZETTE.

SYDNEY, N. S. W., March 2.—The National Australian conference opens today for the purpose of preparing a general constitution for the seven Australian colonies. A number of the delegates favor a constitution similar to that of the Dominion of Canada as the basis of the instrument to be formulated. A strong feeling, however, is in favor of absolute independence and it is said the adherents to that principle will endeavor to capture the convention. The conference will be in session three week.

The Remington Paper Co.'s largest pulp mill, about two miles below Watertown, N. Y., was almost totally destroyed late Saturday night by high water, causing about $50,000 damage and killing one employe.

Hermon, St. Lawrence county, with about 600 inhabitants, and six miles from DeKalb Junction, was nearly wiped out by fire yesterday morning. About twenty buildings were burned. The loss is upwards of $75,000 and the insurance but $40,000. Most of the losers had but little insurance.

MUTINOUS GRITS.

CONSERVATIVE SPEAKERS INVITED TO A LIBERAL MEETING IN MONTREAL.

Failure of an Organized Attempt to Prevent Them Being Heard—Several Conflicts Take Place—Mr. Laurier Could Not Keep Order—Sir John Completely Recovered.

SPECIAL TO THE GAZETTE.

MONTREAL, March 2.—At a meeting called by Liberals to hear the Hon. Mr. Laurier at St. Henri on Saturday, to which the Conservative speakers were invited, an organized attempt was made to prevent the Conservative speakers being heard. But the meeting was largely composed of Conservatives and the attempt failed, though not before many exciting scenes had occurred.

Several hand to hand conflicts took place and at one time it looked as though a free fight would occur. Hon. Mr. Laurier was unable to quell the disturbance being hooted and yelled down, but the efforts of the Hon. Mr. Beaubien, J. J. Curran and other Conservatives restored order.

The Conservatives were attentively listened to, but Mr. Laurier and his assistants had great difficulty in obtaining a hearing and then had to cut their speeches very short. From all parts of the country cheering prospects are received. It is expected that Hon. Mr. Langevin will be returned in both Three Rivers and Rouville by large majorities. Caron is safe in Rimouski and Colby will have a big majority in Stanstead.

A despatch from Kingston says Sir John has completely recovered from his indisposition and has re-entered actively in the contest.

Broke a Horse Shoe.

This afternoon while Hugh McCarthy, janitor of the Bijou, was cleaning up the stage he noticed several horse shoes which C. P. Blatt, the strong man had been using. Picking up one which had not been broken Mr. McCarthy thought he would try his hand at breaking it. When he gave it the first tug he thought the shoe gave a little and throwing off his superfluous clothing he went to work at the shoe with a will. After a great deal of difficulty he bent the shoe almost double. Twisting and bending for three quarters of an hour his efforts were rewarded by the shoe breaking in two pieces directly in the centre.

Blatt who has recently been giving exhibitions of his powers in breaking horse shoes offered $100 to any man who could break a shoe with his naked hands. Blatt has left town but McCarthy, the local champion, feels that should Blatt return he could win the $100 all right. The shoe was broken by McCarthy with his naked hands without the use of either gloves, rosin or pads, all three of which were used by Blatt when breaking shoes.

A FLOURISHING LODGE.—Tilley lodge, No. 33, I. O. G. T., paid Thorne lodge No. 25, I. O. G. T. a fraternal visit Saturday evening, a splendid programme of vocal and instrumental music, readings, and recitations was carried out, which was enjoyed by all present. Refreshments were served by Thorne lodge to the visiting members during the evening. Thorne lodge is in a very flourishing condition, it being only one and a half years old, and starting with but 11 charter members. It now numbers 114 members in good standing. Over 60 members were initiated the last four months.

MISS LORDLY VS HALIFAX.—In the action brought by Mrs. Lordly, of St John, against the city of Halifax, on acount of injuries which are said to have been sustained by running against a fire plug one dark night when the electric light was out, the question seems to be, which should not have been out that night—the light, or the fire plug, or Mrs. Lordly? The Mercury would decide the matter at once, only that the case is still before the court, and it has much respect for the court while a matter is pending. —Halifax Mercury.

THE INTENSE INTEREST in the general election in Canada on Thursday next, is not confined to the Dominion people. As the results will probably be reported in the Boston papers in only meagre measure, and not till Friday, arrangements have been made for a gathering of Providence people on the evening of election day—Thursday, March 5, at Tremont Temple, —at which there will be a choice entertainment, consisting of music, readings, etc., and arrangements have been made with newspaper men across the border to telegraph the result of the election in various counties directly to the Temple, where the returns will be thrown by stereopticon on the curtain before the audience, interspersed with humorous and patriotic pictures.—Boston British American Citizen.

With Temperance Honors.

A death that surprised and shocked the community of Carleton occured yesterday morning at 2.30 o'clock. Walter Howard third son of Mr. Wm. A. Howard died after a three days illness. On Wednesday last he was on the streets and in apparently perfect health. Thursday he was attack by inflammation of the bowels which resulted in his death. He was a member of several temperance organizations and was quite a favorite among his large circle of young companions.

The funeral of the lad took place this afternoon from his father's residence, Carleton, and was largely attended. The different temperance societies of which the deceased was a member attended in a body.

The Equity Court.

In re John Grey confined in the Carleton county jail on the several warrants of committinent for offences against the Canada Temperance Act. An adjournment was ordered until tomorrow in order that Mr. I. Allen Jack who appears for the officials may secure if possible facts to controvest the statements on behalf of the prisoner. Mr. A. I. Trueman who appears for Grey contends that the warrant having been placed simultaneously in the hands of the jailer the period of imprisonment is concurrent. Grey, it appears, was arrested on warrant number one. and a few minutes later warrants Nos. 2 and 3 were lodged in the jailer's hands.

In re R. Peniston Starr vs William Parks and Son, came up today as per adjournment. This is the proceeding instituted for the purpose of securing an order under the Winding up act. Mr. C. J Coster appeared for the applicant.

Mr. A. I. Truemen on behalf of Hon. Mr. Pugsley, counsel for the defendant corporation, asked for a further adjournment.

His Honor ordered that the matter stand over until the hearing which he sat down for the 12th inst.
