SKEETERS AND LEAFS BREAK EVEN ON SUNDAY

Four Run Lead Just Saved Us in First—Luque Outpitched in Second Game.

JERSEY CITY, July 11.—Bill Clymer's Maple Leafs and Joe Yeager's Skeeters made it an even break in today's session, which concluded the Toronto Club's mid-season visit at this end of the route by dividing the double-header, which featured the wind-up of the series. The Leafs punctured the Skeeters' winning streak, which, previous to today, had reached seven straights, by getting away with the curtain raiser by a score of 6 to 5, after one of the hottest struggles witnessed on the local field in weeks. The Skeeters, however, came back in the twilight portion of the program with a victory of a score of 4 to 3, giving them the series, two games to one.

In the breakaway Herbert for Toronto exchanged shots with Dick Crutcher, for the Skeeters, formerly a member of Geo. Stallings' staff of twirlers. Herbert showed the best form, proving the most steady in the pinches, while Crutcher fell badly in the third and permitting three of the Leafs to stroll and three others to land safely, three tallies being accumulated, giving the Clymer boys a lead that could not be overcome.

Toronto collected twelve hits in all in the first attack, while Jersey City had totaled thirteen, which proved an unlucky number for Joe Yeager.

Motordrome Results

Sensational riding, exceptionally keen competition, several surprises and very fast speedwork were the features of the Saturday night. Jimmie McNeil, the Flying Scotchman, finally disposed of Carslake in their $1500 international match series, altho Brownie scored a clean-cut victory over his rival in a 4-mile start when McNeil's racing mount acted balky at the start. McNeil scored another brilliant victory in the 10-mile Canadian championship event, however, when he more than lapped Carslake. He simply flew around the track for the 40 laps and covered the distance in 6.29 2-5, which is at the rate of 97 miles per hour for the whole drive.

One of the prettiest races at the local saucer was one of the 4-mile events of the McNeil sweepstakes, in which the speed boys rode practically the whole distance with four abreast on the narrow track. The manner in which they fought it out in this sensational flight was simply astounding. Henikman, the Detroit daredevil, finished first by a narrow margin, with Doherty, another fearless one from the City of the Straits, in second position, while Burtschaell, the Atlanta flyer, rode a close third. Time, 2.49. Henikman also won out by inches in the 5-mile event from Burtschaell, with Brigham Young third, while at six miles Doherty proved the winner in a tight finish, Henikman and Burtschaell following in order.

Nine of the bicycle stars competed in a really thrilling motor-pace race, which was run off in three heats and a final. The result was a huge surprise beause George Wright of the Riversides was actually trimmed for the first time this season. His conqueror was Gordon McMillan of the Torontos, who won out in a desperate sprint in the last half mile of the four-mile final by 50 yards. Norm Webster, the Riverside youngster, finished a good third, altho this was his first attempt at the motor-pace game. The time for the four miles was 5.28 2-5.

The largest crowd of the season witnessed the sterling races, and the spectators could not help but be highly enthusiastic. The next meet is Wednesday night, when a complete assortment of speed trials will be held. On Saturday night another big series will be started in which the competition will be three-cornered, the riders being Carleton, Francisco, the Italian cannonball, on a Cyclone; Brownie Carslake on an Indian, and Jimmie McNell on his fast Excelsior.
