The "HORTICULTURIST," And Journal of Rural Art and Rural Taste.

THE Subscriber, who has long been connected with Mr. BARRY, as one of the pupils of the *Genesee Farmer*, has purchased the *Horticulturist*, so ably conducted by A. J. DOWNING, and after the conclusion of the present volume, it will be Published at ROCHESTER, and Edited by P. BARRY, assisted by many of the best Horticulturists of the country, whose communications will materially add to its value. The ARCHITECTURAL DEPARTMENT will be conducted by gentlemen of ability and reputation.

To render the work accessible to a greater number, and consequently more beneficial, the price will be reduced to TWO DOLLARS per year, in advance, and at the same time various improvements made. Each number will contain a full page engraving of some new, rare, and valuable fruit or flower, drawn from nature, and engraved in a style not excelled.

Still further to add to the value of the work, and meet the improving taste and increasing wants of the horticultural community, we shall also publish an edition with COLORED PLATES, each number containing a full page engraving of some new, rare, and valuable fruit or flower, correctly colored from nature, by the best living artists in this line. This will be a new and important feature, in this country, and must command the attention and patronage of both professional and amateur Horticulturists. As the number of colored plates we can furnish will be limited, from the care and time required in their preparation, those who wish the *Colored Edition of the Horticulturist* for 1853, will do well to order immediately. Price with colored plates, FOUR DOLLARS, *in advance*.

All who cultivate fruit or flowers, should read the *Horticulturist*, as it is devoted entirely to Horticulture, and its kindred arts, Landscape Gardening and Rural Architecture, and will keep its readers advised of everything new on the subject, either in Europe or America.

It will be our aim not only to make the *Horticulturist* superior both in style and matter to any work of the character in this country, but equal to any of the Horticultural Journals of Europe; and we confidently ask the aid and co-operation of the Horticulturists of the country. The work is published monthly, and contains forty-eight large pages, without advertisements, stitched in a beautiful and appropriate cover.

Saint John Sale Stables.

M. A. CUMMING, Veterinary Surgeon, begs to intimate to parties having *HORSES* to dispose of, that he is about to open a Sale Stable, those premises next the Catholic Chapel, head of King's Square, St. John; where Horses will be kept at livery, and bought or sold on commission.

There being no well-understood place in St. John where those *having* Horses, and those *wanting* Horses, know where to find each other, M. A. C. flatters himself that a HORSE BAZAAR, or Sale Stable, properly conducted, may in some measure supply a want often felt by the public; while from the knowledge of horses derived from his profession, he may be able at times to give useful advice both to seller and purchaser.

N. B.—Two or three good young Harness Horses wanted; and a STRONG, HEAVY FAIR, full mouthed for shipyard work.

Mr. ROBERT ALEXANDER KIDSTON, *Act. Sec'y.*

THE object of the *ART UNION OF GLASGOW* is, briefly, to aid in extending amongst the Community a knowledge of the FINE ARTS, by the purchase and dissemination amongst the Members of Meritorious Works.

A Subscription of ONE GUINEA constitutes Membership for ONE YEAR. The whole Subscriptions, after deducting the necessary Expenses, are devoted to the purchase of PICTURES, DRAWINGS, SCULPTURES, ENGRAVINGS, and other Works of Art. Each Member for the present year, for every Guinea subscribed, is entitled to the following privileges:—

I. To a Copy of the very beautiful Engraving on Steel, of *THE KEEPER'S DAUGHTER*, after the Painting by Richard Ansdel, Esq., and W. P. Frith, Esq., A.R.S. Engraved by H. T. Ryall, Esq. Size, 19½ by 16 Inches.

II. To the chance of obtaining one of 100 *PARIAN STATUETTES* and *GROUPS*, with Shades and Stands.

III. To the chance of obtaining one of *TWO HUNDRED INDIA PAPER PROOFS*, in Folio, of Ten Etchings on Steel, by W. B. Scott, Esq., after Paintings by his late distinguished brother, David Scott, Esq., R. S. A., with a Memoir of his life, Engraved and Written expressly for the Art Union of Glasgow.

IV. To the chance of obtaining a PAINTING, or other Work of Art, at the Annual General Meeting.

The Committee of the *ART UNION OF GLASGOW* have much pleasure in directing particular attention to the Engraving of this year, and the very beautiful selection of Etchings from the Works of the late talented Artist, DAVID SCOTT, Esq., R. S. A., to be given as Prizes; and would also draw attention to the Plan of the Art Union of Glasgow, which partakes of all the best features of the different systems now adopted by contemporary Associations; for while, on the one hand, a guarantee is afforded, from an experienced Committee purchasing the Pictures, that nothing but Works of Merit will be bought, the Subscribers, on the other hand, have all the advantages of *Money Prizes*, in having the privilege of selecting from the Works of Art purchased, according to the number of the Prize allotted to them, each Painting, or other Work of Art, as may be most pleasing to them. This plan has been in operation for several years, and has given the most unqualified satisfaction.

The Committee respectfully urge on all friendly to the diffusion and encouragement of Art, not only to benefit them by their own support, but to induce their friends also to become *Members of the Society*, at as early a date as possible, that the Committee may be enabled to commence their Purchases *without delay*.

☞ The Engraving of "*THE KEEPER'S DAUGHTER*," and Specimens of the Etchings by Mr. Scott, are on view at Geo. T. Haszard's Bookstore, and which the Public are respectfully invited to inspect. The *ENGRAVING WILL BE DELIVERED TO SUBSCRIBERS*, on Payment of Subscription, in the Spring.

Twelvetrees Brothers' Soap Powder,

(an entirely new invention.)

IS the cheapest, safest, best, and most effectual article for all washing purposes, a packet of which is equal to ten Pennyworth of Soap!

The saving of Time and Labour is so astonishingly great, that a WEEK'S WASH can be accomplished BEFORE BREAKFAST—no rubbing being required.

This wonderful Article is MORE SERVICEABLE THAN SOAP, as it produces a better and much quicker lather, and is adapted for purposes for which Soap cannot be safely or effectually used.

It will not injure the hands, or the most delicate material; but whilst it is incomparable for permanently whitening Linens, &c., after they have become discoloured by age, or injured by bad Washing, it is also unsurpassable for improving the colors of FLANNELS, BLANKETS, WOOLLENS, COLORED PRINTS, MUSLIN and LACE.
