Goodwin's Turf Guide.

Messrs. Goodwin Bros.' annual guide for 1904 has just come to hand in two large volumes. It is the twenty-fourth season of publication, and this year's contains reports of eleven hundred more races than in 1903. Among the new features is a list of horses that have won $100,000 or more on the American turf, sub-divided into years—that is, it shows how much money each horse won in each year of its racing career. An excellent feature is a separate and special list of winners of the four great spring handicaps—Metropolitan, Brooklyn, Suburban and Brighton. In accordance with a resolution of the Jockey Club, the annual contains the complete rules of racing, including changes and amendments up to date.

Wingham's Horse Fair.

Wingham, Ont., March 8.—Wingham held their first annual horse fair to-day. The weather was pleasant and a very large crowd was in attendance. There was a large turnout of horses and the prices were here turnout of horses and the prices were high. A good many buyers were in attendance, both local and foreign, and the prices offered were keenly contested, for the fair was pronounced as one of the most successful ever held here.

To the Horsemen.

The horsemen of Toronto, and others who are interested in the speedway question, are cordially invited to attend the meeting to be held Thursday evening next at 8.30 o'clock, at The Repository, corner Simcoe and Nelson-streets, to hear the discussions on the speedway. Bring along your friends and take active part.

TOBACCO AND LIQUOR HABITS

Dr. McTaggart's Tobacco Remedy removes all desire for the weed in a few days. A vegetable medicine, and only requires touching the tongue with it occasionally. Price $2.

Truly marvelous are the results from taking his remedy for the liquor habit. It is a safe and inexpensive home treatment; no hypodermic injections, no publicity, no loss of time from business, and a certainty of cure.

Address or consult Dr. McTaggart, 75 Yonge-street, Toronto. 47

Jack-of-all-Trades is Master of None

One of our tailors couldn't make an entire garment any better than the custom tailor's man does.

We ask him to make only one part of a garment—he is master of that certain part of the tailoring art.

It is his specialty, and he does nothing else in the Semi-ready tailory.

One Semi-ready garment goes through the hands of between 30 and 40 experts, each doing the part he knows best how to do.

Doesn't it stand to reason that they can turn out a better tailored garment than one man who has the whole suit to make?

Vespers Henley Entry Endorsed.

Philadelphia, March 8.—Mayor Weaver ordered the huge gold seal of the City of Philadelphia to be pressed to the entry of the Vesper Boat Club for the Grand Challenge Cup at the Royal Henley regatta, as a form of endorsement. In addition to expressing himself as thoroly approving of the Vespers' voyage to England, the mayor said: "Let us hope you will bring back the cup." It was ascertained that Charles L. Pearson, the British consul of this city, had signed a similar endorsement at his residence late last night.

Roberts spoke as the club would have nothing to do with the league, owing to the heavy traveling expenses. But with the impetus given the sport by the games of Dunsmore Gardens this winter it is expected a local league will be started at Ottawa that will furnish good paying sport for several clubs.

After the Puck.

The Marlboros, champions of Ontario, in bowling, assembled at the Mutual-street Rink last night, decided to tender a formal thank offering to the royal rooters who accompanied them to Peterboro, and a resolution was accordingly adopted. They practice to-night from 8 to 9.

The Rat Portage Thistles will likely play an exhibition match with the Marlboros in the Mutual-street Rink next Tuesday night.

St. Georges held a good practice last night, and will be in fit shape for their game Saturday night for the city championship. They practice again to-night from 7 to 8.

The total gate receipts at Peterboro amounted to $765.15, over $100 larger than any gate ever collected there before. After all expenses were paid the Marlboros and the Smith's Falls teams and the O.H.A. got $205 apiece.

Referee Fraser was in the city yesterday, returning from Peterboro to Galt. He said that he did not consider it such a good exhibition of hockey, probably because of the sticky ice. The Marlboros showed to startling reversal of form in the latter stages of the game, as compared with their early efforts, which were puerile and weak. Ridpath, he considered, the star of the forwards, with Armstrong a close second. He thought Lee Sweur to be one of the best goalkeepers he ever saw perform in the nets. On the whole, the Marlboros were the cleverer team, and well deserved their victory.

Parkdale plays the Ketchums a Junior Lacrosse-Hockey League final to-night at 8 on Victoria College ice. The Parkdalers are asked to meet at the collegiate rink at 7.
