SUFFERING OF YOUNG WOMEN

This Letter Tells How It May be Overcome—All Mothers Interested.

Toronto, Ont.—"I have suffered since I was a school girl with pain in my left side and with cramps, growing worse each year until I was all run down. I am a children's nurse, and I was so bad at times that I was unfit for work. I tried several doctors and patent medicines, but was only relieved for a short time. Some of the doctors wanted to perform an operation, but my father objected. Finally I learned through my mother of Lydia E. Pinkham's Vegetable Compound, and how thankful I am that I tried it. I am relieved from pain and cramps, and feel as if it has saved my life. You may use my letter to help other women, as I am only too glad to recommend the medicine."—JEAN KENT, 42 Blamford Ave., Toronto, Ont.

Girls who are troubled as Miss Kent was should immediately seek restoration to health by taking Lydia E. Pinkham's Vegetable Compound.

Those who need special advice may write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass. These letters will be opened, read and answered by a woman and held in strict confidence.

CUSTOMS OFFICER PRAISES TANLAC

Says Wife and Mother-in-Law Were Both Wonderfully Benefited

G. W. McKay, a Customs Officer at Beaver Harbor, Charlotte County, N. B., called at the Ross Drug Store in St. John the other day for a bottle of Tanlac and on being asked if he could recommend the medicine said:

"Yes, indetd, it's a pleasure for me to endorse Tanlac, for both my mother in law and my wife have taken it and after seeing it used with such splendid results in my own family I could not do otherwise than recommend it.

"My mother in law was about as badly run down as people get to be. She had no appetite at all and she could not eat anything but what disagreed with her and caused her great distress. She had become very nervous and restless, couldn't sleep at all well and hardly had strength to get around.

"We were so impressed with what others said about Tanlac that my mother in law wanted to try it, and it couldn't have done her more good if it had been made especially for her case. It soon corrected her stomach trouble and she can eat hearty and digest her food without distress or pain. Now her appetite is just splendid and she is eating just anything she wants and judging for the way she looks her weight must have increased at least ten pounds. She can now sleep well, looks many years younger and is always praising Tanlac. My wife took it, after being poorly for some time and it has also done her a world of good so I am glad to recommend Tanlac as an extra fine medicine and one that I think should be in every home."

Tanlac is sold in Bridgetown by S. N. Weare in Middleton by Clifford A. Mumford and in Bear River by L. V. Harris.
