MC2035 POOR DOCUMENT

PERSONAL AND SOCIAL NEWS OF THE WEEK IN ST. JOHN

The Sheffield Choir has received in Montreal, as in St. John, very flattering press notices. Their concert here Saturday night was given before an audience that filled every available seat in the Opera House, from dress circle to gallery. Not only was it a brilliant audience, but an artistic one as well; brilliant because of the many beautiful costumes of the ladies present, artistic in as much as nearly every lover of music in the city was there. The boxes were occupied by the Lieut.-Governor and Mrs. Tweedie, Mrs. Byrne and Captain Barker aide de camp to the governor. In another box sat his worship the mayor and Mrs. Frink and Miss Frink. Other boxes had seated in them Mr. and Mrs. F. E. Sayre and Miss Doris Sayre, Mr. and Mrs. Percy Thomson, Mr. and Mrs. Fred Schofield, Miss Edith Skinner and Mr. A. O. Skinner. On the stage, the ladies composing the choir, wore white dresses, on the bodice of which was pinned the red rose of England, presented by Mayor Frink, a graceful, happy thought much appreciated by the recipients. The lady soloists were Miss Lonsdale and Miss Taggart. The former was very handsomely gowned in white satin with silver trimmings. Miss Taggart had on a lovely pink satin veiled with heliotrope chiffon and trimmed with beaded Oriental bands and crystal fringe.

Finding that the steamer would not arrive in St. John for the afternoon concert, Lady Norah Noel and her brother Lord Campden, went directly to Montreal. After the magnificent musical programme was concluded. The ladies and gentlemen of the choir were taken to Keith's assembly rooms, where a reception in their honor was held. Under the direction of Miss Travers and Mrs. Horace Porter the reception rooms were beautifully decorated with bunting. The tea tables were placed at one end of the large hall and they too were elaborately adorned with flowers, cut glass, china and handsome silver ornaments. There was also in this room an ice cream table which, like the others, was effectively decorated. The ladies and gentlemen who formed the reception committee were his honor Lieut.-Governor Tweedie and Mrs. Tweedie, Mr. George A. Henderson, Mayor and Mrs. Frink, Mrs. Robert Thomson, Mrs. George West Jones and Rev. G. A. Kuhring. An orchestra was present. The ladies who presided at the tea tables were Mrs. T. H. Estabrooks, Mrs. J. V. Anglin, Miss Murray, Mrs. Kimball, Mrs. R. J. Ritchie, Mrs. James Doody, Miss Hegan, Mrs. George Hegan, Mrs. Earle, Mrs. Colby Smith and Mrs. John M. Magee. Serving the ices were Mrs. Bonnell, Mrs. L. A. McAlpine, Mrs. Cross, Mrs. W. H. Shaw and Mrs. Rankine.

Mrs. J. Morris Robinson, Queen Square, is in Montreal, the guest of Mrs. H. Beverly Robinson. Afterwards she will visit her daughter, Mrs. Ellis, in Quebec. Mr. H. Beverly Robinson has gone on a business trip to western Canada.

NEWBRO'S HERPICIDE

Solves the Problem of Good Hair

After Prof. Sabourand confirmed the germ origin of dandruff, science was confronted by a new problem which was not solved until the discovery of Newbro's Herpicide. Herpicide being the first successful preparation compounded in harmony with this new theory, becomes the original remedy to kill the dandruff germ.

Since then, numerous preparations said to be "just as good" as Herpicide have been thrown upon the market; others have adopted Herpicide claims, and without making any change in their remedies, but none have ever reached the same degree of popularity. Everywhere this remedy is recognized as the one genuine dandruff germ destroyer, as a result Herpicide has more satisfied users than all other hair preparations combined.

Being the original remedy, users expect more astonishing results from Herpicide than they would look for from any other preparation and they usually get them. So wonderful has been the success of this germicide that it is now recognized as the standard hair remedy of the world.

Herpicide kills the dandruff germ, checks falling hair. It stops itching of the scalp almost immediately.

For sale at drug stores. One dollar size bottles are guaranteed. Applications obtainable at the good barber shops. Insist on having real Herpicide. Send 10c. in postage for sample and book to The Herpicide Co., Dept. R., Detroit, Mich. E. Clinton Brown, Special Agent.

D&A CORSET

The Corset Makes The Gown

When you see a woman with that indefinable air of being absolutely well-dressed, you may be sure she is wearing a good corset. The D & A and the La Diva Corsets are steadily displacing all competitors in the favor of Canadian women.

Our designers get their ideas fresh from Paris and these ideas are faithfully carried out by our large organization of the most skillful work-people on the continent.

There is about the D & A and the La Diva Corsets the unmistakable touch of style. They give to the figure long, sweeping lines of grace and beauty.

712

All good stores carry the D & A and the La Diva Corsets, in models suited to every figure and at prices ranging from $1.00 up to $5.00. The illustration shows D & A No. 712, which sells at $2.75. This is a model well suited to many figures, and has very graceful lines. Any imported corset of equal merit sells in Canada at about $4.00.

Fat Reducing Ideas Are Proven Nature's Best

Fat is food turned into the wrong kind of material for the body. Instead of the blood taking up the food we eat and giving it to the body in the form of good, hard, sound flesh, nerve and bone, fat is thrown into the tissues and is packed around the organs and beneath the skin. This at last tears down all the vital forces of the system and destroys not only manly health and comeliness, but likewise results in death. The sure way and the best way is to take a Marmola tablet after each meal. You may then eat what you will, and when you will, and the stomach and digestive organs will turn the meal into the very kind of nourishment you most need. Fat is stored up place on the fat you have is removed in a way that nature herself suggests, at the rate of from 12 to 15 ounces per day, and there are no flabby rolls of skin and deep wrinkles left to remind you of days when you were fat. Every druggist sells these tablets, which are made up of the famous Marmola Prescription. They are harmless, but thousands prove that they do reduce fat just as we say they do. If you can't buy them from your druggist or you do prefer send 75 cents, the price of a case, to The Marmola Co., 1179 Farmer, Bldg., Detroit, Mich., and they will send same to you by return mail in a sealed and unmarked package.

TEMPERATURE OF SEA WATER.

The temperature of the ocean water varies at the surface from 28 degrees Fahrenheit at the poles to more than 80 degrees Fahrenheit in the tropics. The cold water at the poles has an annual variation of less than ten degrees Fahrenheit at any one spot and the warm water at the tropics also has an annual variation of less than ten degrees Fahrenheit in a band that nearly encircles the earth; this is the region of coral reefs and atolls. Between these regions of small annual variation there are two bands surrounding the earth where the annual variation is greater and may exceed in certain regions 40 degrees Fahrenheit at any one spot.

Thirty-seven young ladies of the congregation had in mind 37 pairs of slippers for the curate for Christmas. But one young lady made known her intention, and when the day arrived the curate received one pair of slippers and 36 dressing gowns.

AFTER SUFFERING YEARS

Cured by Lydia E. Pinkham's Vegetable Compound

Fox Creek, N.B.—"I have always had pains in the loins and a weakness there, and often after meals my food would distress me and cause sickness. Lydia E. Pinkham's Vegetable Compound has done me much good. I am stronger, digestion is better, and I can walk with ambition. I have encouraged many members of families to take it, as it is the best remedy in the world. You can publish this in the papers."—Mrs. WILLIAM BOURQUE, Fox Creek, N.B., Canada.

The above is only one of the thousands of grateful letters which are constantly being received by the Pinkham Medicine Company of Lynn, Mass., which prove beyond a doubt that Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, actually does cure these obstinate diseases of women after all other means have failed, and that every such suffering woman owes it to herself to at least give Lydia E. Pinkham's Vegetable Compound a trial before submitting to an operation, or giving up hope of recovery.

Mrs. Pinkham, of Lynn, Mass., invites all sick women to write her for advice. She has guided thousands to health and her advice is free.

Dodd's Kidney Pills Cure All Cases of Kidney Disease

Scores Will Tell You as Philip Vibert Does, "I Feel a Lot Better Since Taking Dodd's Kidney Pills"—The Best Spring Medicine

Miscou Ligat House, Gloucester Co.—N. B., Mar. 31—(Special)—So many remarkable cures of serious diseases by Dodd's Kidney Pills are recorded in the newspapers that one sometimes wonders if they are equally good for those slight Kidney Troubles, which make the joy of living out of the lives of so many plain, every-day people. And investigation in this neighborhood shows that in a case of Kidney Disease it is no slight ailment too severe for Dodd's Kidney Pills to cure. Take one example. Mr Philip Vibert says:

"I am pleased to tell you I am feeling a lot better since taking Dodd's Kidney Pills. I recommend them to all who suffer from Kidney Trouble."

Scores of others tell you the same thing. Dodd's Kidney Pills are a splendid tonic because they strain all impurities out of the blood and help circulation. For the same reason they are the very best spring medicine.

MODERN MARTYRS!

The age of martyrs is not passed.

There are thousands of women all over the country enduring physical torture and mental anguish almost beyond description. They are not victims of persecution, like the martyrs of old; they are not called on to face the scaffold or the stake, but their sufferings—Borne in silence and hidden from the world at large—are scarcely less intense.

These ladies, as a rule, are women and girls of refined and sensitive temperaments. Knowing that their sufferings are due to a disordered condition of the female functions, their native modesty deters them from seeking relief in the earlier stages; and when they do consult a physician, they usually get some drug mixture to take internally, which is not more effective for troubles of this kind than it would be for a toothache, a bruise, or any other strictly local ailment.

The seat of the trouble being in some one of the female organs, the remedy, to be effective, must act on this portion of the anatomy.

This is the secret of the success which always follows the use of ORANGE LILY in derangements of this kind. It is a strictly local treatment. It is absorbed directly into the parts that are inflamed and congested and its beneficent, soothing influence is noticeable from the start. The irritation of the delicate membrane is relieved, the congestion is overcome by the discharge of the watery matter which served to oppress the nerves and cause mental depression; the nerves are toned and invigorated; and the sunshine and joy of life again becomes part of her being. Read the following letters:

Archer, Ont., Feb. 1, '09.

Dear Mrs. Currah:—I received your kind letter some time ago, but was feeling so well, and not needing medicine, that I neglected replying sooner. I must say I have more confidence in ORANGE LILY than in any other thing I have ever used. Before I knew or found out anything about this medicine, I doctored away hundreds of dollars, and when I thought I was dying with inflammation of the womb, a box of ORANGE LILY was sent me through the mail from a friend. The first suppository I used I was greatly relieved, and in a few months completely cured. That was nine years ago this winter, so you can imagine with what esteem I hold the ORANGE LILY. I am thankful there is such a relief for poor, suffering women, for I have been one of them and can sympathize with others. Yours sincerely friend, MRS. NORMAN WEAVER.

Trenton, Ont., Dec. 4th, 1909.

Mrs. F. E. Currah, Windsor, Ont.:

Dear Friend,—I feel it my duty to write you a testimonial as to what Orange Lily has done for me. I was feeling very miserable indeed. I could scarcely do my housework, during my menstrual period, and for two months or more I was never free from pain in the womb and ovaries. The pain would run down the groin, so I would walk nearly double up. Then the pain began going up the back of my neck to my head, until I hardly knew what I was doing at times. Life was a burden to me. I did endure it no longer, so went to our leading town doctor and had an examination. He pronounced it (I forget the word) a rigid condition of the generative organs, produced by repeated attacks of inflammation. He said I would have to take a course of treatment, and if that failed to overcome the rigid condition, might, in time, be compelled to have the ovaries removed. I objected, as that so filled out Dr. Coonley's symptom blank and forwarded it to him, and he diagnosed the disease the same as my local doctor, so I decided to take Dr. Coonley's Treatment. I have used two jars of Cerate Massage, two packages of Vaginal Bomb Tonic and six boxes of Orange Lily. It is eight months since I began the treatment, but I feel like a new woman. I work right through everything now. Hardly know a pain, even during menstruation now. I often say, "I would not take $100 and be in the state that I was last March." I feel that Dr. Coonley's Home Treatment is a Godsend to suffering womankind, and shall continue to sound its praises whenever I have an opportunity.

Yours gratefully, MRS. T. H. HATTON.

ORANGE LILY as a remedy for these ills, as well as for leucorrhoea, painful periods, irregularities, cancers in their earlier stages, tumors, displacements, lacerations, and all ovarian troubles, has long since passed the experimental stage. So confident am I of this that I will send ten days' treatment, which is worth 35 cents, to any sufferer ABSOLUTELY FREE. The treatment is inexpensive, used at home, and no physician is necessary. Send at once for the
