Dungannon.

At a meeting held in the Dungannon school house on Saturday, the 7th instant, for the purpose of organizing a Teachers' Association, A Molesworth was elected President; Charles Grover, Vice President; R. Forbes Secretary, Treasurer. It was resolved that the regular meetings of the Association be held on the 1st Saturday in each month. Teachers and others interested in the cause of education are invited to attend. Initiation fee fifty cents.

R. FORBES,
Secretary.

The Good Templars of Dungannon have lately organized a Lodge there with agood prospect of success.

☞ The Syracuse men, of whom so much has been said, have, we learn, departed without having done anything in the way of purchasing salt-territory.

THE REASON.—How is it that this confounded *Signal* is always so damp when it comes," said a grumbling father the other evening: "P'raps," said his little bright-eyed son, "it's cause there's so much due (dew) on it. Mother says it ha'n't been paid for for three years!" "Mary, whip that young rascal and put him to bed!" was the inhuman rejoinder.

The Freshet at Bayfield.

To the Editor of the Signal.

Never before have we seen, within the last 12 or 13 years, the water rise so high in such a short time; it has carried away every thing before it. The ice being thick and strong, there being no thaw previous, it came down in terrific force, forming a jam at the bridge, undermining the South crib so that it fell about six inches. The ice gave way there, it jambed at the old dredge rose about 5 feet, carrying away fish shanties, and otherwise doing considerable damage. One poor man, D. Beaton, living on the flats, had hardly time to get out his family out of the house the water rose so rapidly. This morning (16th) about 6 o'clock the dam commenced to give way, and in about an hour there was forty feet of the east side gone, and it is still going, it is feared that it will all go as the current comes down the west side and runs along the face of the dam. It will be a serious loss to Messrs. Vanston, as they were putting in a new Circular Saw in the saw mill which was almost ready to store. By what we can learn it will amount to about four thousand dollars including lost time. It is feared that Mr. Rutledge's store house which is moving with wheat will also go as the current is washing away its foundation.

COX.

☞ Said one of our jolly tars the other day! "Or is it the rabbit the 'Ares in this country are called bloody wabbits?"

SALT MEN.—The exodus of operatives from the oil regions to Goderich has filled our town with new faces lately. A batch of ten or twelve arrived last night.

NEW STORE.—Messrs. Pollock & Johnston, as will be seen by advertisement elsewhere, have opened a new store on Kingston street, and having inspected their goods, we are prepared to state that they are of first-rate quality and cheap as the cheapest. The character of the gentlemen composing the firm will be a guarantee of honest fair-dealing with the public. Give them a call.

Impeachment.

Washington, March 6.—The Impeachment Court commence its organization to-day, and has given President Johnson until Friday next, the 13th, to appear and answer to charges. The Court adjourned until that day.

☞ Mr. Geo. McKibbon, of Teeswater, determined not to be behind the times, has procured a lot of our excelsior illuminated posters with which to advertise his goods.

☞ Dan. Lizars, Esq., our respected Clerk of the Peace, who, we are glad to see has been restored to good health, has been appointed Issuer of Tavern Licenses. See adv. elsewhere.

☞ It is intimated that the Grand Trunk Co., will put two propellers on the Goderich and Chicago route this season. When we see the line established we shall be most happy to chronicle the fact.

A NEW HARROW.—Our old friends, R Runciman & Co., having purchased the County right for Kinsey's patent, are now manufacturing a harrow which, while it is as cheap as the old style, is a very great improvement. By an ingenious ball joint this harrow will work upon the most unequal ground as perfectly as on the most level surface. Messrs. R. & Co., have also added an improvement which will greatly facilitate the loading of the implement on a wagon. Farmers should look at this harrow and give it a trial.

THE EXODUS.—A number of young men first rate mechanics, most of them, left this morning in the *New Brunswick* for the United States. We know of several others who intend to follow, and the probability is, that the coming spring will witness a greater exodus of our people than any we have had for a number of years.—*St. John Globe.*

MR. DAVIS' TRIAL FURTHER POSTPONED.—The trial of Mr. Davis, which was to have taken place on the fourth Wednesday in March, is again postponed until the 15th April.

Rowdyism is again becoming rampant in Hamilton. The *Times* says ladies venturing abroad in the evening without protection are subject to insult and anboyance. No mercy should be shown the graceless vagabonds who would molest the fair; and the police should be on the alert.

There is a plan in New York to receive from all the prominent points of the West quotations of the labor market, so that emigrants may be sent at once to the points where their services will be most in demand.

MOTHERS, READ THIS!—HOLLOWAY'S WORM LOZENGES are a certain and safe remedy for Worms in Children and Adults.—As it is a well-known and measelmy fact that one great cause of death among children is from Worms alone, it cannot be too deeply impressed upon the minds of parents the necessity of closely watching their children. By no doubt, and understanding the symptoms and true cause of the disease, thousands of children might be saved from early graves. SYMPTOMS OF WORMS:—The following are a few of the very numerous symptoms and diseases which are caused by Worms: Deranged appetite, pain in distended extremities, offensive breath, frequent picking at the nose, grinding of the teeth during sleep, hardness of the belly, with frequent slimy stools, and sometimes convulsive fits; pain in the head and stomach, unquiet sleep, fainting, trembling, dougha, indigestion, low spirits, frightful dreams, and a gradual wasting away of the system.

They are palatable and self-administered to the child—drive out the WORMS thoroughly without pain and completely cleanse the stomach—thereby doing away with the necessity of administering Castor Oil or other unpleasant cathartics—as is the one of other Worm Medicines.

CANADIAN PAIN DESTROYER

A Family Medicine, well and favorably known for the past ten years, never failing in a single instance to give permanent relief when timely used, and we have never known a single case of dissatisfaction where the directions have been properly followed, but on the contrary all are delighted with its operations, and speak in the highest terms of its Virtue and Magical effects.

THE CANADIAN PAIN DESTROYER has won for itself a reputation, and stood upon its merits, alterative stomach tonic, unsurpassed in the history of medical preparations. It seldom fails to cure Dyspepsia, Liver Complaint, Indigestion, Heartburn, Sick Headache, Kidney Complaints, Acid Stomach Pathetic or Asthma, and restores to vital activity the system debilitated by suffering and disease.

Its magical and wonderful success in curing sudden colds, Sore throat, Coughs, Diptheria, pains in the side, loins and back, neuralgia, tooth ache, rheumatic and other pains in any part of the body, not from whatever causes, has given it a place in every household and stands superseding all other preparations of the kind.

It is also an effectual and prompt remedy for Scalds, Burns, Bruises, Sprains, Chilblains, Frost Bites, Cramps in the Stomach, Diarrhoea, Cholera morbus, Bilious Choric, Cholera Infantum, Dysentery, &c.
