respectable body with which you stand associated, have appointed you to occupy a more extensive field where your talents and faithful labours will no doubt be more extensively appreciated.

Your removal is a very sudden one: we feel it keenly: we have listened to your voice from the Pulpit with rapture and delight, and we trust our souls have been benefitted. You go with our *real, true,* and *heartfelt* affections and prayers.—We shall ever pray for your welfare, and that we may all meet you where parting is not known.

We remain, Dear Sir,
Your's very affectionately,

REPLY.

Hamilton, Bermuda, August 19th, 1854.

Gentlemen.

It is with emotions of an indescribable nature that I respond to your affectionate address, received yesterday, expressive of the high estimate you have formed of my personal character and public performances during my somewhat limited sojourn among you. I can assure you that the friendly sentiments therein embodied are most highly appreciated by me, and meet with a most cordial reciprocation in my breast. The spontaneous, disinterested, and unceasing attention and kindness which have been evinced towards me by the inhabitants of St. George, have produced an impression on my heart which time will never obliterate; and wherever providence may appoint my sphere of action my mind will revert to my residence in Bermuda with sincere gratitude and pleasure, and nothing will afford me greater gratification than to hear of the temporal and spiritual prosperity of yourselves and all associated with you.

In all my prayers to God, pastoral visitations, and pulpit Exercises, my supreme solicitude has been for the intellectual and moral elevation of those around me, and the assurance which you have now afforded that my exertions have, under the Divine blessing, been advantageous to you, abundantly compensates for all the labour I have expended.

I contemplate my departure from these beautiful Islands and their hospitable people with feelings of intense sorrow, which receive mitigation only from the consciousness that the arrangement is providential, and will be the means of establishing my health, and thereby of giving me a more favourable opportunity of devoting myself unremittingly to the promotion of the highest interests of my fellow men, than I have enjoyed here in consequence of frequent Physical indisposition.

Receive my warmest thanks for the multiplied evidences I have received of your affectionate regard, and be assured that in my invocations at the throne of grace you will never be forgotten; I shall ever pray that God whose I am, and whom I serve, may abundantly bestow upon you and yours, the choicest blessings of his providence and grace; and that after having passed through the difficulties and vicissitudes of this world he may introduce us all to the enjoyment of his celestial kingdom, where the friendship commenced by us here, will be renewed and for ever perpetuated. "And now I commend you to God, and to the word of his grace, which is able to build you up, and to give you an inheritance among all them which are sanctified."

I remain, Gentlemen,
Your's very affectionately.
(Signed) THOS. M. ALBRIGHTON.

WHEREAS Almighty God has been pleased, in His infinite mercy, to spare the Inhabitants of this Island from the ravages of the Cholera, which has smitten down great numbers of the creatures of His hand elsewhere; and moreover has, in His great goodness, rewarded the husbandman of this land with a bountiful harvest this season: I have thought fit, by and with the advice of Her Majesty's Executive Council, to issue this my Proclamation, enjoining that a General Thanksgiving to Almighty God for these His mercies be observed throughout this Island, on THURSDAY, the 19th day of October next; and I do entreat that the said day of Public Thanksgiving be reverently and decently observed by all Her Majesty's subjects within this Island, as they value the favor of Almighty God; and that all ministers do hold public services in their respective churches or chapels on that day.

Given under my hand and the great seal of this Island, at Charlottetown, this Twenty-third day of September, in the year of our Lord one thousand eight hundred and fifty-four, and in the eighteenth year of Her Majesty's reign.

The Great British Quarterlies, and Blackwood's Magazine!

LEONARD SCOTT & CO. New York, continue to Re-publish the following British Periodicals, viz.:

1. The London Quarterly Review (Conservative.)
2. The Edinburgh Review (Whig.)
3. The North British Review (Free Church.)
4. The Westminster Review (Liberal.)
5. Blackwood's Edinburgh Magazine (Tory.)

The present critical state of European affairs will render these publications unusually interesting during the year 1854. They will occupy a middle ground between the hastily written news items, crude speculations, and flying rumours of the daily Journal, and the ponderous Tome of the future historian, written after the living interest and excitement of the great political events of the time shall have passed away. It is to these Periodicals that readers must look for the only reliable history of current events, and as such, in addition to their well-established literary, scientific, and theological character, we urge them upon the consideration of the reading public.

Arrangements are in progress for the receipt of early sheets from the British Publishers, by which we shall be able to place *all* our Re-prints in the hands of subscribers, about as soon as they can be furnished with the foreign copies. Although this will involve a very large outlay on our part, we shall continue to furnish the Periodicals at the same low rates as heretofore, viz:—

	Per an.
For any one of the four Reviews	$3 00
For any two of the four Reviews,	5 00
For any three of the four Reviews,	7 00
For all four of the Reviews,	8 00
For Blackwood's Magazine,	3 00
For Blackwood and three Reviews,	9 00
For Blackwood and the four Reviews,	10 00

Payments to be made in all cases in advance.

They can be received by Mail at a very small additional postage.

PROCLAMATION

TO THE

Good People of P. E I.

PROBABLY there is not a family in your Province but what some members of it are more or less afflicted by Humours or Chronic Affections. As a remedy for these various complaints, there are numerous preparations brought into the market, but all of them of little or no good. But there is a discovery which has recently been made in chemical analysis that is wonderful in its operation. It has been long enough tried and we have proof sufficient to satisfy—all from men holding the highest offices the people of the United States can give—that the medicine will do just what it is recommended. It is DOCTOR HAMPTON'S VEGETABLE TINCTURE. The medicine is compounded from the Vegetable Kingdom and may be used by any person without injurious consequences. By a wise choice and combination of some of the best of each class of co-operative, simple remedies, it fully reaches all the essential organs of the human system and there it has proved itself so effectually curative of the WHOLE ROUND of chronic affections.

CERTAIN HELP.

Numerous Extraordinary, Anatomical, Explanatory Coloured, Engravings. In Six Languages. Fifty-third Edition. Price 2s. 6d. in a sealed envelope through all Booksellers' or sent post free from the Author, for 42 Postage Stamps.

THE MEDICAL ADVISER on the physical decay of the system produced by delusive excesses, infection, the effects of climate, &c.; with remarks on the treatment practiced by the Author with such unvarying success, since his settlement in this country. Rules for self-treatment, &c.

Sold also by Gilbert, 49, Paternoster-row, London; Watt, 11, Elm Row, Edinburgh; Powell, 15, Westmoreland-street, Dublin; and through all others.

Dr. DE ROOS, from long practical experience in the most celebrated institutions of this country and the continent, has had, perhaps, unusual opportunities of observing the peculiarities relating to the physiology, pathology, and general treatment of the disorders referred to in the above work, and having devoted his studies almost exclusively to this class of diseases, he is enabled confidently to undertake their removal in as short a time as is consistent with safety.

PERSONS IN ANY PART OF THE WORLD, may be successfully treated by forwarding a correct detail of their case, with a remittance for Medicines, &c. which will be returned with the utmost despatch, and secure from observation.

The CONCENTRATED GUTTÆ VIVÆ, or Vegetable Life Drops, are recommended to all those who have injured themselves by early excesses, and brought on Spermatorrhœa, Nervousness, Weakness, Languor, Low Spirits, Aversion to Society, Study or Business, Timidity, Trembling and shaking of the Hands and Limbs, Indigestion, Flatulency, Shortness of Breath, Cough, Asthma, Consumptive Habits, Dimness of Sight, Dizziness, Pains in the Head, &c.

Their almost marvelous power in removing contaminations, Secondary symptoms, Eruptions, Sore Throat, Pains in the Bones and Joints, Scurvy, Scrofula, and all other impurities, must be felt to be believed. 4s. 6d.; 11s.; and 33s. per bottle. The £5 Packages, by which £1 12s. are saved: and the £10 packages, by which a still greater saving is effected, will be sent from the Establishment only, on receipt of the amount per draft on a London house, or otherwise.

PAINS in the BACK, GRAVEL, LUMBAGO, RHEUMATISM, GOUT, Indigestion, Bile, Flatulency, Headache, Nervousness, Debility, Diseases of the Bladder and Kidneys, Stricture, &c.

THE COMPOUND RENAL PILLS, as their name Renal (or the Kidneys) indicates, are the most safe and efficacious remedy for the above dangerous complaints, Discharges of any kind, and Diseases of the Urinary Organs generally, which if neglected, frequently result in stone in the bladder, and a lingering, painful death. They agree with the most delicate stomach, strengthen the digestive organs, increase the appetite, improve the general health, and will effect a cure when other medicines have utterly failed. Price 4s 6d., 11s., & 33s. per Box, through all Medicine Vendors.

GUARD AGAINST the recommendation of spurious or other articles by unprincipled Vendors, who thereby obtain a large profit. To protect the PUBLIC against FRAUD, Her Majesty's Honourable Commissioners have directed the words, "WALTER DE ROOS, LONDON," *to be printed in white letters on the Stamp Affixed to the above, to imitate which, is felony.*

Sold by Non Leuzgy, Lall Bazaar, Calcutta; Ashton, Richardson & Co., Mount Road, Madras; Hulse & Nephew, Agra; Treacher & Co., Poonah & Kurachee; Esperance & Co., Bombay; Smith & Co., Scinde; Dodsworth & Co., Colombo & Kandy; and obtainable through all Medicine Vendors, of whom also may be had "THE MEDICAL ADVISER," or should difficulty arise in procuring any of the above, enclose the amount by draft, or otherwise, to 35, Ely Place, Holborn Hill, London, and they will be sent securely packed, per return.
