It is always ready for use, and I believe if properly applied and rubbed in, will do its work every time. HANDLED 15 YEARS WITH SATISFACTION.

Clarington, Ohio.

I have handled Gombault's Caustic Balsam for about 15 years, and, of course, in that time have sold hundreds of dollars worth with pleasant satisfaction to myself and great pleasure to my patrons. It is a delight quite seldom experienced by present time druggists to have a remedy that can be honestly recommended without fear of having more in future sales than is gained by the profit in push sale talk. With little or no advertising, Gombault's Balsam has had an ever increasing sale because of neighborhood introduction and my present effort of pushing a good thing along.
