Ayer's Hair Vigor,

For restoring to Gray Hair its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. *It soon restores faded or gray hair to its original color, with the gloss and freshness of youth.* Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed; but such as remain can be saved by this application, and stimulated into activity, so that a new growth of hair is produced. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. The restoration of vitality it gives to the scalp arrests and prevents the formation of dandruff, which is often so uncleanly and offensive. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a HAIR DRESSING, nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich, glossy lustre, and a grateful perfume.

Progress was reported on a bill to confirm and perpetuate the Bishop of Fredericton as a Corporation.

St. John Slaughter House bill passed.

St. John Assessment bill passed. As amended the amount of general assessment shall be $60,000 instead of $70,000; the amount for police and fire departments $10,000 instead of $15,000, to be expended $6,500 for the Fire and $3,500 for the Police Department.

THE PARLIAMENT OF CANADA.

(*Special to the Daily Tribune.*)

A Centennial Appropriation—Pacific Railway—Riel's Successor.

OTTAWA, April 1.

After the passage of several private bills after recess, Holton moved that the House proceed to the Government orders.

Ross, Middlesex, asked the House first to take up his order to go into committee to consider measures to diminish the evils of intemperance. He said all he wanted was for the House to affirm the principle of prohibition.

After a brief discussion Holton's motion was carried, and the House took up supplementary estimates for 1875-6, dropping prohibition. On item for $60,000 additional for the Philadelphia Exhibition Jones (South Leeds), as a manufacturer, objected to the item.

Sir John Macdonald opposed it on the ground that the Americans knew Canada's natural productions and manufactures would be a shabby display.

Dymoud, Wood and Mackenzie defended the item, the latter expressing a determination to make the Canadian department a success. The item passed and House adjourned at midnight.

Dewaney will move to-morrow that the selection of the Victoria route of the Pacific Railway be delayed until next session.

Dubuye was yesterday elected Speaker of Manitoba.

Hon. Mr. Bannante has been returned to the Dominion Parliament for Provencher, Riel's constituency.

The Columbian is thirteen days from Liverpool to-day, and is expected to arrive at Halifax every hour. Pilot Cline went over this morning to bring her round.

The India, from London, is nine days out to-day, having sailed on the 23d ult.; and the Sidonian, Edwards master, sailed yesterday.

Portland Elections.

The nominations are beginning to come in faster as the week draws to a close. In addition to that of Mr. McCluskey the following have been received by the Clerk:

Ward 1.—James Holly, nominated by A. N. Shaw, R. A. Gregory, Joseph Horncastle, Alex. Barnhill, Lewis Rivers, John Tapley, and over ninety others.

James Kennedy, nominated by John Tapley, David McLellan, D. V. Roberts, P. Nase, W. B. Day, and others.

Ward 3.—Thomas E. Milledge by Thos. McElroy, John H. Parks, Francis Roden, Sames Taylor, John Hegan and others.

Saturday is the last day for receiving nominations.

The Victoria House on Fire.

About ten a. m., on Thursday fire was discovered in the upper flat of the four story brick building situate on Prince William street and known as the Victoria House. The ground flat and part of the second flat were occupied by Mr. E. D. Watts as a dry goods store, while the remainder of the building was in the occupation of Mr. Charles R. Ray, wholesale dry goods dealer. The fire, which is thought to have originated from the stove pipe, started in the rear of the fourth story and getting among a lot of cotton samples and other inflammable matter, quickly spread through the room, creating a dense smoke and rendering necessary the application of a large quantity of water. In about an hour the flames were extinguished, but not before they had seriously damaged the upper story, the roof being so injured that it can not be repaired without new timbers and covering. The room in which the fire orginated contained a quantity of boxes and rubbish, while the stories below were used as show rooms, Mr. Ray doing a commission business and selling by sample. As the water saturated the whole building the stock of samples is well soaked. Mr. Ray has no insurance.

Mr. Watts's clerks removed a portion of his stock before the water reached his premises, but a large quantity which could not be got out is badly damaged. Mr. Watts, who is now on his way home from England, was insured for $800 in the Imperial and $500 in the Etna. Mr. R. Marshall is agent for both offices.

The building was owned by Mrs. Susanna Robertson (Stanton estate) and was not insured. It has been under lease to Mr. Watts until within a few months ago, when the lease expired. Since then Mr. Watts has been occupying the premises without a lease.

Death on the Street.

About 2 o'clock to day Thomas Miller, a sailmaker, dropped dead on Prince Wm. st., near the store of Mr. Thomas Gunn. The deceased was about 70 years of age and without a family. He boarded at the Revere House, where an inquest will be held this afternoon.

Stealing at the Fire.

During the progress of the fire this morning, a young man named William Mullin, belonging to Lower Cove, was found coming out of Mr. Watts's premises with a pair of boots under his arm, and was at once taken in custody and marched to the station on a charge of theft. He will probably be examined this afternoon.

A New Policeman.

The Chief has secured the services of Mr. William Boyle in the place of policeman Evans who left the force last night. Boyle has held Corporation offices before. He was sworn in by Judge Gilbert this morning. The Chief expects to engage a man in O'Donnel's place this afternoon.

City Police Court.

Noel Alexander, whose name is invariably mispelled "Newell," is an Indian, with a weakness for fire water, who has often been before the Court and often excused. This morning he was brought forward on a charge of lying drunk on Carmarthen street. The Magistrate reminded him of his frequent appearance at the Court and told him he would have to go to the penitentiary this time, certain; all of which Alexander heard with attention, and sagely shook his head. At last he ventured to suggest that he might be allowed to go to his camp at Sussex, and the Magistrate, after a little hesitation, bade him travel without delay. The dusky son of the forest evidently thought the Magistrate got a pretty good "April Fool" on him by threatening to send him to the penitentiary and then telling him to travel to his camp.

James Gorden, drunk in Prince Wm. street, was fined $4.

Michael Rodgers, drunk in St. James street, was fined $6.
