Newfoundland Agricultural Board.

PUBLIC NOTICE.

The Agricultural Board has had many requests from members of Agricultural Societies and others to import for them approved varieties of seed potatoes for spring planting.

Realizing the necessity for this the coming spring, the Board has, after extensive enquiry from reliable New Brunswick, Nova Scotia and Prince Edward Island dealers, procured prices for different varieties covering cost of delivery of same at St. John's, and will now undertake to order for such as may require them any of the varieties on which it has quotations.

The quotations received by the Board are based upon its order being for not less than carload lots. Carload lots, however, may consist of two or more varieties.
