RECORDS BY ELECTRIC LIGHT.

MARVELOUS RIDING AT THE ISLAND TRACK.

G. H. Doherty Wins the Novice Mile in 2.13 1-5—Young and McCarthy Won a Race Each and the Third Was a Dead Heat—Hulse Defeats McKellar—Gibbons Captures the Lap Race.

The racing at Hanlan's Point Saturday night by electric light was of the phenomenal order. The biggest and most fashionable crowd of the season was present, and it was electrified by close contests, exciting finishes and marvelous time. Records fell in every race, and oneof the fastest novice events the world has ever seen was ridden by G. H. Doherty of the Torontos, his time of 2.13 1-5 being within two seconds of the mark made last season in California. Hulse won his match race with McKellar in straight heats, the unplaced mile being a close finish. It was a great contest between Young and McCarthy. The latter had the pole in the quarter mile and won by half a wheel. Young caught the tandem in the mile event; McCarthy went ahead of the pace-makers at the grand stand, but could not get in ahead of the little flyer and dropped out. Young continued and finished in 2.03 1-5. He caught the tandem in the half, McCarthy hung on behind, went out at the bleachers and made a dead heat of it. The tie will likely be ridden off at the races next Saturday night. It was a pretty race between Gibbons and Mc Coll, the contest being decided by the last lap, when Gibbons showed a game spurt and cleverly won by half a wheel. Summaries:

One mile novice, class A, first heat—G. H. Doherty, T.B.C., 1; T. R. Johnson, T.B.C., 2; P. Humphreys, R.C.B.C., pace. Time 2.21 2-5. J. Tucker, A.C.C., and G. R. Sturgeon, W.B.C., also started

Final—G. H. Doherty, T.B.C., 1; T. R. Johnson, T.B.C., 2; M. Baeke, Tourists, 3. Time 2.13 1-5. The riders were paced by a tandem, Doherty hanging on throughout the whole distance, the others being unable to hold the pace. Doherty's time of 2.13 1-5 clipped a big hunk off the Canadian novice record of 2.20, held by Bounsall.

One mile handicap, class A, first heat—R. O. Blayney, Simcoe, 25 yards, 1; F. R. Crowley, W.B.C., 40 yards, 2; F. F. Heebner, T.B.C., 25 yards, 3; Time 2.16. W. M. Campbell, W.B.C., 80 yards; G. R. Match race, one mile, paced by tandem—H. Hulse, T.B.C., 1; H. D. McKellar, W.B.C., 2. Time 2.10 2-5. This time is 3-5 of a second under the former Canadian class A competition record.

Match race, 1 mile, unpaced—H. Hulse, T.B.C., 1; H. D. McKellar, W. B.C., 2. Time 2.24. The last quarter was made in 28 3-5 seconds.

Detroit, Aug. 3.—The Belle Isle 25-mile road race record of 1.05.58 2-5, which was made a year ago, was clipped 46 3-5 seconds by T. R. ALL-CHICAGO ELEVEN BEATEN

HYMAN'S CANADIANS WIN BY OVER A CENTURY.

A Week's Cricket Finished by the Visitors in a Blaze of Glory—Home Players Tried to Kill Time—Last Ball Bowled the Last Windy City Batsman.

Chicago, Aug. 4.—Canada cricketers won the two-inning game with the All Chicago team to-day in brilliant style, closing the week's series of unbroken victories, and earning praise from their opponents as well as the thousands of men and women who have turned out to see the play. The close of the day's contest was unique. Chicago had scored 170 for the first inning, part of which was played yesterday. Canada's first innings yesterday netted 241, and when eight of the visitors inthe second had put together 190, including extras, Capt. Hyman elected to close for six wickets down, believing his men could easily retire the Chicago 11 for a less score than 431, the grand total for Canada before the umpires called the game at 6.15 o'clock. And the Canadians just did it without a second to spare, thus saving the game from being called a draw. It was the stroke of the minute. Nine Chicagoans had been put out. The last ball had been bowled by Grew, a slow raising one. Morrison hit into Grew's hands. The Chicagoans played towards the last to kill time and keep the innings from coming to an end before the call of time, but were outplayed, 430 to 324. Score:

Hall got 6 wickets for 22 runs and Chambers 3 for 14. Parkdale, in their first innings, found Kidner and Lancaster nearly as deadly as their own men, and were got rid of for 52, C. E. Chambers being top scorer with 18. In Murray's second venture, Clark played a careful innings of 22, and when the last wicket fell at 57, Parkdale needed 49 runs to win; which were obtained with the loss of 2 wickets, Garrett and

Dons' Great Record.

The Don Rowing Club won more races at the Canadian regatta than any club in the Dominion. Their four-oared crew won the intermediate and the senior. For a four-oared to win two races at one regatta has never been known in the history of Canadian rowing. Also L. Marsh was entered in the junior, intermediate and came in third in the senior, beating the champion of the N.A.A.O. His pluck and performance is deserving of more than passing notice. The officers and members, who number only about 60, of the Don Rowing Club are to be congratulated on their record. Not only have they been successful at regattas but they are in a grand financial condition.

Defender Easily Outfooted Vigilant.

Newport, R.I., Aug. 3.—The New York yacht squadron on Saturday departed on its cruise to the eastward. The wind was blowing 10 knots from the south. The Defender came down from Bristol with an entire new rig. Her immense mainsail from luff to leach was hauled out taut on the 15-foot hollow boom and new gaff. At 10.50 o'clock the gun for the first-class sloops boomed and the Defender was off almost on the instant. Vigilant was two minutes later and was very near being handicapped. The Volunteer did not cross for nearly a minute after the second boat. The new boat easily outfooted the Vigilant, and the old Volunteer could not hold up with her competitors. The wind was blowing at a 15-knot gait. The finish of the sloops, first-class (80 to 90 feet): Defender 2.02.11, Vigilant 2.09.58, Volunteer 2.25.02.

CANADIAN LEAGUE BASEBALL

LONDON ALERTS EASILY DEFEAT THE CRESCENTS.

The Score Was 8 to 1—A Good Game Enjoyed by a Fair Crowd at Hanlan's Point—Both Pitchers Do Good Work—A Brace of Defeats for Chapman's Aggregation.

The championship Canadian League match at Hanlan's Point Saturday afternoon between London and the Crescents was marked by good work by both pitchers. Ward was unsteady in the first innings, and, with a couple of errors, the Alerts took 5 runs and a good grip on the game. Tierney showed himself an unusually clever man on third. The Crescents earned their only run in the third. The fielding was especially sharp on the visitors' side, and many apparent hits were spoiled by their clever work. Upwards of 1000 persons were present and thoroughly enjoyed the contest. Score:

In Advanced Years

The strength and pure blood necessary to resist the effects of cold seasons are given by Hood's Sarsaparilla.

"I have for the last 25 years of my life been complaining of a weakness of the lungs and colds in the head, especially in the winter. Last fall I was again attacked. Reading of Hood's Sarsaparilla I was led to try it. I am now taking the fifth bottle with good results. I can positively say that I have not spent a winter as free from coughs or pains and difficult breathing spells for the last 25 years as was last winter. I can lie down and sleep all night without any annoyance from cough or pain in the lungs or asthmatic difficulty." E. M. CHAMBERS, J. P., Cornhill, N. B.
