THE BALL SEASON BEGINS

Toronto Teams Disport Themselves on Diamonds Green.

T.A.C. Plays a Runaway Game With Varsity — Irwin's Steinert Cup Holders Make a Splendid Showing in Their Opening Game Against Philadelphia — The Amateurs at Play.

Toronto Athletic Club baseballists signalled their initiation on the green diamond by trouncing the crack Varsity nine yesterday afternoon on the campus by 16 runs to 4. The weather was fine, and the attraction brought out about 1500 spectators, two-thirds of whom watched the game from outside the fence.

The students started off well, and were ahead for an inning. Then T.A.C. batsmen got together and knocked out five, and remained in the lead. The Athletics batted like old-timers, with plenty of confidence, everyone hitting Glassford freely. Lee, at the bottom of the list, leading with four clean singles. On the other hand, the clever T.A.C. twirler kept his own guessing, striking out 14 and only allowing five hits, one of which was Blanchard's triple over Doc Sheppard's head. The T.A.C. men took all chances on the bases, and, while eight of them died after reaching first, five succeeded in stealing sacks. Parry nailed four going to second, and he alone attempted to steal on Boyd. The score:

Athenæums Scored a Victory.

At the Old U.C.C. grounds yesterday the Athenæums' Island team played an exhibition game with the Grand Unions, the Church-street aggregation winning out easily. The Athenæums played in championship form and, taking into consideration that it was their first game this season, too much cannot be said in their praise. Claude Armstrong, who officiated in the box for the Islanders, proved himself to be as fast as ever and will no doubt worry many a striker on the Island diamond. He was ably supported by O'Brien, who played with his usual vim behind the bat. The general fielding of the players was superb and the hitting very heavy, two and three baggers being much in evidence. The score:

Athenæums	3	0	2	2	0	1	1	2	x	—	11
Grand Unions	2	0	0	1	2	0	1	2	0	—	8

Batteries—Armstrong and O'Brien; Purdie, Ryan and Stone.

Toronto Played Well.

Philadelphia, April 8.—Toronto played well to-day, although it was the first time the Canadian players got together. The pitchers, however, were not in good condition. Attendance, 700.

In the absence of Carney at first and Freeman in right, they proved that Manager Irwin has made no mistake in his selections for this year. Gathus at third and Sheehan in left did wonders, and for the first time the men have had their uniforms on this year they made a wonderful showing. Mock was tried in one innings, but, as it was his first game in fast company, had no control of the ball, and forced in four runs. Baker and Johnston shared up well against the heavy-hitting Phillies. Casey is stronger than ever, and the work of Fox at short, Taylor at second and Grey in centre were features of the game. Score:

That Tired Feeling

An exceedingly common and dangerously significant condition.

A warning which must be heeded, or, as with the express train which fails to regard the danger signal, disaster must follow.

A sure indication of thin, weak, impoverished blood. A certain admonition that the blood is not properly feeding the nerves, tissues and organs of the body.

An imperative demand for the tonic, vitalizing effect of Hood's Sarsaparilla upon the blood.

Weak, nervous, tired men and women are found everywhere. Men strive too hard to "keep their ends up," women too anxiously work "on their nerves" to meet the demands of home and society, all have too little sleep, and the excessive drain on strength and nervous energy will soon completely ruin health.

The strength must be built up by pure blood, and the nerves must also find in pure blood the proper nerve food. For this purpose nothing equals Hood's Sarsaparilla.

The thousands of wonderful cures it has accomplished, the like of which no other medicine and no combination of medicines can show, prove its curative merit; prove that it has never been equalled as a blood medicine; prove that Hood's Sarsaparilla is indeed the ideal spring medicine, the best nerve and stomach tonic, the one true blood purifier.

"I was feeling tired all the time, as tired in the morning as I was at night. I began taking Hood's Sarsaparilla and it has helped me so that I have no such feelings now. My little girl suffered with pain in her stomach, but Hood's Sarsaparilla has cured her." JAMES T. MANN, Hubbardston, Mass.

Weakness and Loss of Appetite.

"Last spring my little girl had no appetite and was weak. I gave her one-half bottle of Hood's Sarsaparilla, which cured her. We will now take no other medicine but Hood's Sarsaparilla, and recommend it to everyone for weakness and loss of appetite." WM. F. HANES, Brysonia, Pa.

All Tired Out.

"My husband was all tired out and run down in health. He felt the need of something to build him up, and he began taking Hood's Sarsaparilla and Hood's Pills and the result was very satisfactory. We regard Hood's Sarsaparilla and Hood's Pills as excellent medicines." MRS. H. L. MOWRY, Towanda, Pa.

Tired and Worn Out Feeling.

"I have been taking Hood's Sarsaparilla and cannot say too much in its favor. It has done me more good than any medicine I have ever tried. I have advised my friends to use it for a tired and worn out feeling, as I know that it gives relief." WILLIAM T. HURDLE, Hollyville, Del.

DEATH OF JOHN CAVEN.

The Patron Member of the Last Ontario Legislature for Prince Edward Has Passed Away.

Picton, Ont., April 8.—Mr. John Caven, ex-M. L. A., died this morning at 7 o'clock of heart failure. Mr. Caven was 65 years old, and for thirty years had been prominently identified with the Conservative politics of this county. For years he had a seat in the County Council as Reeve of North Marysburg, the township in which he resided. When the Patron movement was inaugurated a few years ago he enthusiastically espoused the Patron cause and became a leader of the movement in this county, and in the provincial elections of 1896 was their candidate in Prince Edward, carrying the county by over 600 majority against a very popular opponent. His subsequent career in the Provincial Parliament is too recent to be forgotten. He at once became one of the leaders of the Patrons in Parliament, second only to Mr. Haycock. His long connection with municipal councils enabled him to render important service to the country when legislation respecting municipal matters came up in the House. He was again the Patron candidate at the last election and was defeated by dissensions in the Patron and Reform ranks. He leaves a widow, two sons and two daughters. The funeral will take place Sunday.

New Action Against Zola.

Paris, April 8.—The officers composing the court martial which acquitted Count Esterhazy met to-day and decided to commence civil actions for libel against M. Emile Zola and M. Perreux, publisher of The Aurore, who were recently sentenced to imprisonment, and who were also fined, for making charges, which were not sustained, against the conduct of the court martial. The officers also expressed the wish that the Minister for War would ask that M. Zola be expelled from the Legion of Honor.
