Now's the Time To Buy Your Wheel.

The wheeling season is now fully open. The weather is sufficiently warm to prevent danger of taking cold. The roads are in the finest condition. Our prices are reduced to a point where everyone can afford to have a good wheel. Our entire stock of high-grade English wheels must be closed out at once and we intend making our prices do it. If you want a wheel—a good, reliable one, fully guaranteed—write to us for our reduced prices. They are low enough to suit everyone. It is not now a question of making money with us, but of clearing out our entire stock, and our prices are arranged accordingly. Guaranteed wheels with Dunlop tires at $35 and up.

WORLD'S BICYCLE CHAMPIONS.

International Cracks Contest at Quebec—American Tandem Team Won.

Quebec, May 26.—The great championship bicycle races on the Q.A.A.A. grounds at 4 o'clock this afternoon were greeted with fine weather and a big crowd of spectators. The track was a little soft, or too slow, is the sport says.

The first event was a one-mile novice. It was won by P. Aubin, F. Bolduc second and E. S. Wade third.

In the second event, a one-mile professional handicap, the riders were five champions, two French, Leon Boulay and Rene Cavally; two Americans, John S. Johnson and James Bowler, and one German, Karl Kiser. They appeared one after the other in the track, the band playing the national airs corresponding to the nationality of the champions. The race was closely contested, and won by Leon Boulay, Rene Cavally second, and John S. Johnson third. Time 2m4⅕. Prizes were: 1st, $50; 2nd, $25, and 3rd, $10.

The third race was half-mile amateur. C. L. Levy 1, Aubin 2 and Bolduc 3.

The fourth was a half-mile professional, international, between the champions, John I. Johnson, Boulay, Bowler, Cavally and Kiser.

An accident occurred during the second and last lap of this race. One of the wheels of Karl Kiser's bicycle broke, the rider being precipitated headlong on the track. Dr. Park was called immediately, and found that, fortunately, no bones had been broken and that Kiser would be all right after a day's rest. Leon Boulay took the first prize, $50; James Bowler came second, and won $30, and Rene Cavally got the third, $10.

Then there was an exhibition of bicycle trick riding by Fred St. Onge of Paris, France. St. Onge is one of the cleverest trick riders of the world.

The most interesting race was a one-mile tandem international professional, between America and France. Johnson and Bowler, the American champions, were on one tandem, and Boulay and Cavally, the French champions, were on the other. During the three first laps the riders were pretty near equal, following each other. The French riders were most of the time a few feet ahead, but at the last the American riders went out and won.

John S. Johnson (paced) succeeded for the first event of the day to establish a mile professional record for the Q.A.A.A. quarter mile track. He made a mile in 2.15, lowering by many seconds the old record of the track.

Bishop Ridley Cricket.

Ridley College opened the season on Saturday by playing Hamilton at Hamilton and a junior eleven of the Hamilton Club in the college grounds. The college was beaten in the senior game by 106 to 84, which was a fair showing before the strong eleven opposed to them, including as it did Pattison 26, Dixon 37, K. and F. R. Martin and Counsell. For the college Dalton made 26, Doolittle 10, Baldwin 13, Gander 14, Mr. Wood 11. The third eleven won their game by 61 and 44 to 29 and 23. For the college Duggan took 8 wickets for 1 run. On the 24th two games were won on the college grounds, against the Grimsby first and second elevens. The senior game was won with only about 2 minutes left to play. The junior game was won by 48 and 48 to 18 and 36. The full scores are:

T.A.C. Boxing Bouts.

The T. A. C. have secured excellent talent for their boxing entertainment which will be given on Saturday evening, 28th inst. The card calls for five contests, and while all the mills will be fast and scientific, those between Oliver Brown and Tommy Kennedy (champion amateur lightweight of Buffalo) and Jimmy Barry (champion of Canada) and Jim Pop's young brother will be of special interest. Those wishing good seats had better apply at once, as the number is limited, the prices having been fixed at 25c for admission, with 25c more for a reserved seat. The plan is at the club house.

Q.C. Press Agent Breaks Out Again.

Scott, the Queen City twirler, struck out sixteen of the Leafs of Guelph in last Tuesday's game. Fouts, formerly of the Torontos, bit the dust three times and big Dan O'Connor twice.

Not a single man stole second base on Shorty Holden, the Queen City catcher, last Tuesday at Guelph.

Two bad errors let in two runs in the Queen City-Owen Sound game on Queen's Birthday in the first innings. Not a man reached second base after that. Ward struck out ten of them and only allowed four hits.

The Queen Citys have a very fast lot of base-runners. Shannon, Dunlop, Holden, Dowlin, Sharkey and Keffer are all fleet-footed players.

Rowlin, the Queen City's crack left-fielder, is batting well this year.

Scott and Ward, the Queen City pitchers, are both heavy batters.

The Queen Citys have won five straight games, viz.: Standards, Hamilton Crescents, Athenaeums, Maple Leafs of Guelph and Owen Sound Clippers.

The Queen City's will play a game in Stratford shortly.

We think you cannot get a better tire than the Goodrich Res-Flex Single Tube. Possibly you think a detachable tire is better than a single tube.

You pump Goodrich Res-Flex Single Tubes once a month. If you want your detachable tire that airtight, get a Goodrich inner tube.

A detachable tire with a Goodrich inner tube is nearly as good as a Goodrich Res-Flex Single Tube. Only Goodrich rubber is good enough to hold air in a tire for a whole month.

FAVORITES AND OUTSIDERS

All Sorts Finish in Front on the Fifth Day at Woodbine Park.

Violent, Starting at 8 to 1, Beat Out Maritana at 1 to 10—Sir Lawrence, 5 to 1, Won the Steeplechase; Laurentian, 4 to 1, Two-Year-Old Race, and Defender the Handicap—Favorites to Land Were Tragedian, Aragnol and Straystep, All at Odds On.

Canadians naturally are irrevocably in love with their Jockey Club races, but any just criticism of their standing must in the course of things come from outside. Mr. Francis Trevelyan, a Winchester College and Oxford man and the noted sporting writer of The New York Journal, who is acting steward of the races here, can of course speak with authority. Conversing with The World in the grounds yesterday Mr. Trevelyan said: "I am charmed with the racing here, with the horses, the beauty of the track, its graceful curves and the attendance. It is all gilt-edged to a degree the outsider has no conception of and in class and tone there is nothing equal to it this side of the Atlantic."

The third race had just been run, and amid the strains of "Swear to be Good and True," the gaily-dressed crowds had begun to promenade again. "Jove! Canadian women are a pretty lot!" exclaimed Mr. Trevelyan, with enthusiasm. "The scene reminds me of Ascot, with its style and swagger, and the Toronto hospitality, too. Judge Post, whose wife is a cousin of the Morgans of New York, and Frank Webb of the Webbs of Philadelphia are loud in their praise of it. There is another thing I like about the racing here," remarked the Oxford man, "they don't run too much on the 2-year-old horses. You give them a chance, but with us they are done to death." Here a bevy of pretty girls wanted Mr. Trevelyan to tell them the next winner, and The Journal man was led off captive.

Favorites were beaten in four of the seven races, including Maritana II., who started at 10 to 1 on and finished second to Violent, an 8 to 1 shot. The three first choices to finish in front were at odds-on: Tragedian 9 to 10, Aragnol 4 to 5 and Stray Step 1 to 2.

Laurentian, 4 to 1, won the Mayflower Plate, the split favorites, De Blaise and Ree Mitchell, finishing second and fourth. Sir Lawrence at 5 to 1, Mr. Dawes' good thing over the jumps, lowered the colors of Rosebery and Mr. Dunlap, the favorite, finishing a good third just outside the money.

Mr. Dawes repeated his success in the handicap, Defender, 5 to 2, the second choice, winning easily, the favorite Duchess only getting third place.

Four started strung out for the opening purse. Williams took Tragedian out in front and by the half-mile post and won in a gallop. Lord Zeni and Brandywine straggled in. Purse Proud and Cyclone quit in the stretch.

The second race was a nice one, and apparently fought out all the way, though Laurentian went to the front when asked and won easily, full of running. De Blaise raced out, and only beat Mischief Maker by a head. Ree Mitchell finished well up, but the rest were lengths back.

Violent, who was a bad last on Wednesday, when the 1⅛ miles were covered by Wenlock, the winner, in 2.04, pulled herself together and beat a better field the same distance in 2.02½. Maritana was at prohibitive odds, and was easily beaten by McGlone's mount, the Dyment filly finishing the road home. Bulseye was well ridden by Brooker and beat Braemer Jig out for the show.

Springal, Rosebery and Bob Neeley were five lengths in advance of the other three on leaving the pig pen. Neeley carried them out of the course, and Prince Mark, Sir Lawrence and Mr. Dunlap took the water jump in advance. Kidd couldn't stay on Neeley's back, and a couple of falls retired him. Prince Mark had a good position until he bolted at the lower end. Rosebery made up considerable lost ground, and entered the stretch almost on even terms with Sir Lawrence and Mr. Dunlap. The Dawes jumper had the speed on the flat and won easily. Rosebery beat out Dunlap for the place.

Mr. Dawes' fine-looking Rayon d'Or horse secured a good place in a straggling start for the fifth race, with only Dumbarton ahead of him. McGlone had Defender well in hand to the betting ring, and the brown and yellow was easy to pass. The Duchess who was third to get away, stayed in that position and the others were content to remain as the starter had sent them off.

Aragnol went off to a running start and won all the way galloping. The Planter finished strong. Jaubert secured third money, due to the bad start of Distant Shot, who came fast in the end. The also rans were strung out for an eighth. Red Monk and Cheatham made a play to the half and then quit.

The extra race furnished the best and quickest start of the seven races. Stray Step was away first and, like Violent and Aragnol, he never was headed. Devault and Hartford Boy took their positions early in the game and made a great race for the place. The balance of the field, with the exception of Col. Rowles, were well up at the finish.

Owing to four favorites being bowled over, the books scored another big day over the public. In the first race Lord Zeni and Tragedian carried a lot of money, and Brandywine was played to show. The winner in the second race carried very little money in small bets, while many lost heavily on the favorite, De Blaise. Ree Mitchell and Mischief Maker were well backed for the place and to show. The prohibitive odds on Maritana in the third race kept the public from backing her and the winner carried a lot of money for the place, the bets on her to win being more or less small ones, and on this race the books generally made money, though one or two of them were severely crimped.

In the fourth race Bob Neeley, the favorite, was not heavily played, opening at 2 to 1, and was extended to 4 to 1. The most of the money in this race was carried by Rosebery and Prince Mark for the place, Mr. Dunlap being picked to show at better than even money.

The books raked in a lot in the fifth race. The Duchess was heavily backed, as was Kenosha for the place, the winner being played principally to show.

After the first betting in the sixth race some of the books would not take Aragnol money, while others took it at 4 to 5. Aragnol carried a lot of money, and Distant Shot was well played for second place, the others being only nibbled at.

Stray Step, the favorite in the last race, was pounded at short odds, and the books paid out a lot on this race, as there was a tip on the Shields stable, which was well backed for the place.

The mutuels had another hard luck day, doing little or no business. In the first races they only returned the money; in the fourth the field paid $6.90, in the fifth the field paid $8.10, in the sixth the favorite paid $8.10, and in the last the mutuels paid better than the books, $8.90 on the favorite.

Gleason was fined $25 for disobedience at the post in the fifth race.

Starter H. D. (Curly) Brown, who will wield the flag at Hamilton next week, was among the visitors.

Owing to the death of John Hendrie at Hamilton yesterday, brother of the Vice-President of the O.J.C., all the Valley Farm horses carded for to-day will be scratched.

Fast time was the general order of the day, Tragedian's 1.15¼ for three-quarters equals the track record, while Laurentian's 4½ furlongs in 55½ is a new record for the Woodbine. He did the half in 49¾, also a new mark.

The Executive of the Ontario Jockey Club held their annual dinner in connection with the spring meeting at the Toronto Club last night, where a most enjoyable evening was spent under the chairmanship of Sir Frank Smith. The Mayor was among the guests, also the officials of the meeting and representatives of our American visitors and horse owners.

ONE GAME FOR MONTREAL

Islanders Could Not Hit Dooley's McFarlan After the First.

Gaston Was Fairly Effective, but the Enemy Bagged Three Bunches of Twos—Buffalo Beat Rochester, and There Was Rain Everywhere Else—Varsity's Tour.

Only two games were played in the Eastern League yesterday, and Toronto was one of the beaten teams, much to the amusement of the habitants of Montreal and the pleasure of one Dooley. But Irwin has several chances to get even, and his supporters are sanguine he can turn the trick. Buffalo beat the Frantic Three and there was rain everywhere else. The standing:

Toronto	13	7	.650

The Score at Goderich.

Goderich, May 25.—Varsity duplicated yesterday's performance in administering a severe defeat to the Goderich football team. The collegians indulged in some fine batting, the fielding of both sides was sharp and clean. Greer and Boyd were the points for Varsity and Pennington and Doyle for Goderich. For the home team Shannon in left field played a beautiful game, capturing several very difficult flies. The students take a long jump to-morrow, when they play in Kingston.
