LOOKS BAD FOR THE OUTLAWS

C. W. A. and L. A. W. Working in Harmony for Success at Montreal and Boston.

DONLEY AND GERLACH CONFER.

Convenient Circuit for European Riders Who Will Contest for Championships.

Simcoe, Ont., May 25.—Fred W. Gerlach of Chicago, chairman of the Racing Board of the League of American Wheelmen, spent last night and to-day in Simcoe with Mr. H. B. Donly, secretary of the C.W.A. The object of Mr. Gerlach's visit was for the purpose of making certain arrangements looking to the forwarding of the two great wheel meets to be held during August in Montreal and Boston. The L. A.W. and C.W.A. are working in the utmost harmony and will give each other every assistance in the promotion of the two meets. Both associations will join forces to secure the attendance of all the great European riders and latest reports from across the water are of the happiest augury for complete success in regard to this feature.

The Racing Board of the L.A.W. will shortly announce the details of the competition to be held for the selection of the riders to be nominated by the league as its representatives in the international championships.

European riders are to be well looked after in the way of a fine circuit, to be continued for some weeks after the Boston meet. It will be arranged with an eye to giving them a continuous string of splendid purses to compete for and will be arranged so that the greatest possible number of big cities will be reached at a minimum of railway travel.

Mr. Gerlach stated while here that the leaders of the outlaw movement in the United States still continue to encourage their riders by stories of a mail vote to be taken by the L.C.A. in July in the question of U.S. recognition. Nothing could be more unwarranted in view of the actual facts.

It is now officially known, both to the C.W.A. and the L.A.W. that at the Paris meeting the question of a mail vote was never publicly mentioned and that the only possible course now open to the outlaw stars who wish to compete for world's championship honors is complete submission to the L.A.W. Without this they are shut out from both championship honors and any portion of the $16,000 hung up in prizes at the two biggest bicycle meets America has as yet ever witnessed.

The members' badges may be obtained from the secretary-treasurer at 36 and 38 Lombard-street. There are still six championship matches to be played at Rosedale.

For the Golf Championship.

London, May 25.—In the golf championship games at Prestwick yesterday, heavy rain and wind were the weather conditions. Interest centered in the contest between Champion Tait and the Surrey crack, Sydney Fry. Tait led throughout and won. Maxwell defeated Balfour Melville, the Royal and Ancient crack, in the fourth round. H. H. Hilton, Hoylake, defeated John Gairdner, Mid-Surrey, and John Williamson beat John E. Laidlay, Royal and Ancient.

Beautiful weather prevailed at Prestwick to-day, and great interest was taken in the fifth round, when the strongest Scotch players met the best English players, resulting in Tait beating Hilton, and Ball, an Englishman, defeating Maxwell.

Whigham and Williamson also got into semi-finals. Ball of the Royal Liverpool beat Whigham and Tait of the Black Watch beat Williamson.

Orton to Compete in England.

New York, May 25.—George W. Orton of the New York Athletic Club, who, a year ago, won the two-mile steeplechase championship of England, has decided to make an eort to retain his title. At a meeting of the Athletic Committee of the New York A.C., held on Tuesday night, it was decided to have the famous long-distance runner carry the winged foot again in England this summer. His entry was mailed last night to Secretary Herbert of the Amateur Association of England for the one-mile and four-mile runs, and the two-mile steeplechase.

Kid McPartland is once more in line for the lightweight championship, while our friend Spike has dropped back from the firing line.—Buffalo Courier.

Eddie Connolly and Kid Mcartland were matched on Tuesday night to box 25 rounds before the Broadway A. C. within three weeks.

TORONTOS LOST THE LAST.

Providence Made it Three Straights by Batting Kershaw Out of the Box.

NEXT THEY TACKLE MONTREAL.

Champions Win Again and Are Nearly 200 Points Ahead of Islanders.

Some fans may feel pleased because the Torontos left the town last night; for haven't they lost seven out of nine since they returned from their initial successful trip? The Islanders play in Montreal to-day, and let us hope they'll have some more success, because they're on the road. The directorate has promised to bolster up the team with new men, and here's that they come along quick. The boss rooter threatened to go to the races yesterday, but the hope for victory induced him to cross the bay once more, only, alas! to see the Greys rip 'em up the back, as on the holiday, and now the record looks like this:

	W.	L.	Pct.
Montreal	15	6	.714
Rochester	11	7	.611
Springfield	9	8	.529
Worcester	9	8	.529
Toronto	11	10	.524
Providence	9	12	.429
Syracuse	6	11	.353
Hartford	7	15	.327

Games to-day: Toronto at Montreal, Worcester at Rochester, Hartford at Syracuse.

Providence Made It Three Straights

The management gave the Toronto team a shuffle for yesterday, but Providence made it three straights all the same. Bannon was put at second, Davis at short and Wagner, with his lame hand, went to the right garden. If Toronto's half of the first innings could be cut out the score would show a fine game.

Kershaw went in to pitch, and was hit hard—two doubles, a triple, two singles and two charities being the record, and ten hands batted. Best relieved the southpaw and pitched a steady game. He was touched for nine hits, of which two were doubles, but they were scattered. By badly-judged base-running the visitors cheated themselves out of a couple of tallies, and it should be mentioned that the home team did some good fielding in the meantime. Bannon worked hard, and gave a good account of himself in covering the second bag. Davis only had two fumbles at short, but one of them let a man score. Beamis made a bad throw to second in one instance, but on the whole handled himself well behind the bat.

Silver Braun kept the locals down to five hits, and Murray's men put up a good all-round game. Toronto's only bunch after the first was in the sixth, when Grey, Smith and Wagner batted around a run. The score.
