Keeps Our Bodies Warm.

Pure, rich, red blood is a necessity in the production of animal heat. It keeps our bodies warm. We all know very well that when the arteries that carry it to a limb are bound or tied, the temperature of the limb is immediately lowered.

There is a suggestion in this that, at this time of year especially, we should take Hood's Sarsaparilla, if our blood is impure, impoverished or pale. Hood's Sarsparilla makes the blood good in quality and quantity. It has an unequaled record for radically and permanently removing blood diseases, scrofula, rheumatism and catarrh, and giving strength and tone to the whole system. It is a scientific combination of roots, barks, herbs and other medicinal substances that have long been used by successful physicians. Get it today.

Newbro's Herpicide

Aids Nature and Keeps the Scalp Clean From Dandruff

Reasonable care and effort are all that are required to enable almost any woman to have good hair. When the hair falls out and is stringy, uneven, dry, brittle and generally unsightly, the condition is nearly always due to dandruff.

Before the hair will grow naturally and luxuriantly, the scale-like accumulation must be removed and the dandruff eradicated. That is what Newbro's Herpicide does. It is an aid to nature. Herpicide keeps the scalp clean, adds a softness and luster to the hair which indicates health. It not only prevents the hair from falling out but causes it to become one of woman's greatest charms.

Beautiful hair and lots of it may be the reward of every woman willing to devote a little personal effort to the use of the First and Original Germ-Remedy for Dandruff. Herpicide stops itching of the scalp. It has an exquisite odor.

You can obtain a trial size bottle and booklet telling all about the hair by sending ten cents in postage or silver to The Herpicide Co., Dept. S, Detroit, Mich.

Your dealer sells Herpicide in two sizes, 50 cents and $1.00, and guarantees satisfactory results or money refunded. Insist upon having genuine Herpicide and not some "off brand" said to be "just as good" preparation. The substitute costs you just as much as the real article. Why take chances?

Herpicide applications obtained at the better barber shops and hair dressing parlors.

ST. STEPHEN

St. Stephen, Jan., 11—On Thursday evening, Jan., 3rd the Baptist Vestry presented an interesting and attractive appearance when the Women's Patriotic Association gave a dinner to the Great War Veterans Association. The tables were prettily decorated with red white and blue crepe paper and flags. A delicious dinner was served, at the close of which the following toasts were proposed by Capt. E. Smith of Milltown, who acted as toast master—"The King," in response to which the National Anthem was sung. "The Governor General of Canada and Lieut. Governor of N. B.," to which "O Canada" was sung. "The O. C. and Officers overseeas" which was ably responded to by Lieut. Jerome Sullivan. "The Nom-Coms and men overseas," responded to by Sgt. Walter Tuck who paid glowing tribute to our splendid boys overseas. The toast "To those who have made the Supreme Sacrifice," drank in silence pregnant with thoughts of our brave boys who will not return but whose memory will ever be with us. "Our Allies" was responded to by Pte. Everett Mills, who spoke splendidly of our Allies, the French, Americans and Italians, and expressed the faith that Russia would arise out of the chaos into which she has been plunged and be as before, our splendid ally. "Our Hostesses" was well and ably responded to by Lieut. James Inches. Little Miss Barbara Vesey recited "You Counted the Cost and Went" and another patriotic poem with much grace and sweetness. Both of these poems were written by Miss Emma Veasey, Vice-President of the W. P. A., and "speech from the author" was demanded, but she modestly refused to speak. Rev. Dr. Goucher spoke in a touching and impressive manner to the veterans, speaking of the occasion as an historical one for St. Stephen and Charlotte county. This was followed by short but impressive speeches by Rev. W. W. Malcolm and Rev. H. S. B. Ströthard. Then followed what was the "real reason" for the gathering and Mrs. A. E. Vesey, president of the W. P. A., in a few well chosen words presented a flag to the G. W. V. A. which Capt. E. V. Sullivan, president of the G. W. V. A., gracefully accepted. Appropriate songs and choruses were sung during the evening by the young ladies who had the honor and privilege of serving at the dinner, in some of which the boys joined heartily. The evening closed with the singing of God Save the King. The fury of the storm kept many away who would otherwise have been there, but it was a gathering which those who were privileged to attend will not easily forget.
