DAWSON 21 GOALS BEHIND SECOND STANLEY CUP GAME

Ottawa Beat Klondikers 23 to 2 Before Great Crowd—Many O.H.A. Matches Decided.

Ottawa, Jan. 16.—(Special.)—The Dawson hockey team was to-night defeated by Ottawa by the overwhelming score of 23 goals to 2, in the record match of the series for the Stanley cup. Ottawa was almost short of the honor on the two games played by a score of 32 to 4. There was some doubt as to whether Dawson would show the series to go in two straight games, many believing that their first defeat was due to the fact that the team was suffering from the effects of its long journey to the capital. But to-night, even after a prolonged rest, the team was never in the running for a moment, being outclassed as decisively as the score indicates. Forrest, in goal, however, put up a fine game for his team, and but for him the score against Dawson might have been doubly as large. There was a great crowd present, the rink being crowded to the doors. Dawson goes from here to Amherst, N.S., where it plays the first of its total of exhibition matches. Following were the teams:

Ottawa (23): Goal, Finnie; point, Pulford; cover-point, Moore; forwards, Westwick, McGee, Smith, White.
