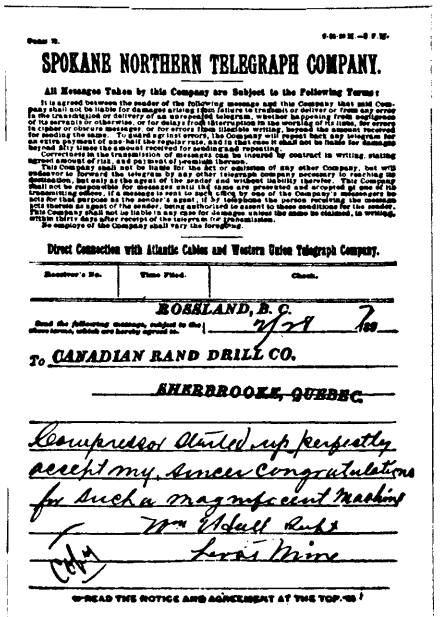
The Compressor and what was said of it after it had been put to work and a thorough test.



SPOKANE NORTHERN TELEGRAPH COMPANY.

All Messages Taken by this Company are Subject to the Following Terms:

It is agreed between the sender of the following message and this Company that said Company shall not be liable for damages arising from failure to transmit or deliver or from any error in the transmission or delivery of an unrepeated telegram, whether happening from negligence of its servants or otherwise, or for delays from interruption in the working of its lines. No errors in cipher or obscure messages or for errors from illegible writing, beyond the amount received for sending the same. To guard against errors, the Company will repeat back any telegram for an extra payment of one half the regular rate, and in that case it shall not be liable for damages beyond fifty times the amount received for sending and repeating.

Corrections in the transmission of messages can be insured by contract in writing, stating agreed amount of risk, and payment of premium thereon.

This Company does not guarantee the transmission of any other Company, but will endeavor to forward the telegram by any other telegraph company necessary to reaching the destination, but only at the agent of the sender and without liability therefor. This Company shall not be responsible for messages until the same are presented and accepted at one of its transmitting offices. If a message is sent to such office by one of the Company's messengers be acts for that purpose as the sender's agent, if by telephone the person receiving the message acts therein as agent of the sender, being authorized to assent to these conditions for the sender. This Company shall not be liable in any case for damages unless the same be claimed, in writing, within thirty days after receipt of the telegram for transmission.

No employee of the Company shall vary the foregoing.
