EXPORTERS TO HOLD MONTHLY MEETINGS IN VARIOUS CITIES

Decision Reached At Meeting Held Here On Friday.

Following a policy adopted at a meeting held in this city on Friday, the United Exporters of Western Ontario during the ensuing year will hold monthly meetings in one of the several cities or towns represented in the organization. The next meeting, it was announced, will be held in Brantford, October 28.

According to the bylaws adopted on Friday, the objects of the organization will be as follows:

To increase the exports of manufactured and natural products of the counties of Perth, Brant, Huron, Waterloo, Kent, Essex, Grey, Elgin, Wellington, Lambton, Oxford, Bruce, Norfolk and Middlesex.

Export Councils.

To urge the formation of local export councils in the boards of trade, chambers of commerce and other commercial organizations in the various larger cities, towns, and counties named, for the purpose of exchanging ideas and information of general value to exporters.

To assist in arranging periodic general meetings of the exporters of the counties at any of the larger towns, and cities, where there are local export committees, for the purpose of acquiring information and knowledge of the export business by hearing speakers, and for the exchanging of ideas.

By taking united action, to accomplish any object considered to be of interest to exporters.

The membership to be open to any exporter or manufacturer whose name is recommended by any local committee of the various boards of trade.

When one of the members suggested that farmers should be represented on the executive, because it would be bad for the organization if it were entirely in the hands of the manufacturers, a long discussion resulted.

Will Admit Farmers.

It was the opinion of practically every representative that the objects and the aims of the farmer exporter were entirely different from those of the manufacturer. As his markets were different, his commodity entirely different, and because he sold almost entirely through commission men the manufacturer and the farmer could get little help through the interchanging of ideas.

C. H. Ivey, Jun., who occupied the chair throughout the greater part of the evening believed that as farmers have been exporting for a number of years their experiences would be of great value to the members of the club. Gordon Philip advanced the argument that the object of the association was not to sell goods, but merely to obtain ideas. If the farmers could give any ideas whatsoever they should be welcomed.

Mr. Ivey felt that the constitution was broad enough to admit any agriculturist who wished to join, and so the matter was left in the hands of the local organizations. If any committee in a rural district wishes to appoint a farmer to the executive it will be at liberty to do so.

PRESENTS NEW PLAN FOR AMALGAMATION OF VETERAN BODIES

Ottawa, Sept. 17. — After several months of discussion concerning the amalgamation of all existing ex-soldiers' organizations in Canada into one body, a definite plan to bring about the desired unity has been advised by David Lougnan, former editor of the Veteran, and an active worker in the Great War Veterans' Association of Canada since its formation. He proposes that all existing associations shall maintain their present identities, but form a federated body, which will function in all matters of general interest to include all ex-service men.

It is suggested by Mr. Lougnan that this supreme body assume the name of "British Empire Service League (Canada)."

It is proposed that the federated organizations have its headquarters at Ottawa, and each affiliating group maintain a secretary at its own expense.

PROMISES VIGOROUS PROSECUTION DURING ARBUCKLE HEARING

Crowds Storm Doors of Court House to Hear Evidence in Case.

San Francisco, Sept. 17.—Comedian Roscoe Arbuckle was cast today for a new court scene in the tragedy of Virginia Rappe, motion picture actress, who died, according to accusers of Arbuckle, following a drinking orgy in the actor's apartment in a San Francisco hotel, and as a result of mistreatment by her host. Today Arbuckle was to be arraigned in superior court upon an indictment charging manslaughter, returned by the county grand jury. But this arraignment is mere formality, it was said, and District Attorney Matthew Brady was scheduled to ask a continuance of the manslaughter case until action has been taken on the charges of first-degree murder pending against Arbuckle in connection with Miss Rappe's death.

The district attorney had announced the murder charge will be pushed, and it will be left up to a jury to decide whether Arbuckle shall be convicted of first degree murder, second degree murder, manslaughter or turned free by acquittal. There was also one other alternative which was that if the police court at the preliminary examination of Arbuckle failed to hold the comedian to answer to the superior court on charge of murder, the state then would be forced to go to trial with the manslaughter indictment. Acquittal or conviction on the murder charge would mean automatic dismissal of the manslaughter charge, for the law holds a man may not be twice placed in jeopardy for one cause.

Crowds long before court opened today attempted again to gain places of vantage about the courtroom of Superior Judge Harold Louderback, where Arbuckle was to be arraigned, that they might view the film star. Arbuckle, in all his court appearances since his arrest has shown disinclination to face these curious folk.

Scores of letters and telegrams continue to arrive at the jail for Arbuckle, and in such number he cannot answer them, it was said.

FAIR TRAFFIC LIGHT ON ALL RAILWAYS

Popular Gasoline Buggy Is Blamed by Railroad Officials.

Passenger traffic in and out of this city durin gthe past week was the lightest of any Fair week in many years. This condition was true both on the C. P. R. and the G. T. R., according to statements made by both railways.

It is estimated that on the many special trains which for thre days were run to this city over every branch line of the G. T. R., not more than three or four thousand people traveled. The traffic on the two C. P. R. specials was as correspondingly light.

The biggest day of the week as far as far as the railways were concerned was Wednesday, with Thursday running a close second. A fairly large crowd traveled on riday, but today the station platforms were almost deserted.

In speaking of the comparative lightness of the traffic two or three of the oldest employees of the G. T. R. in this city, who long ago saw service as trainmen, recalled the time when even with the aid of special trains the people hardly could be handled. Practically every train would arrive in the city loaded to the steps, he said, while even the baggage care were filled. At one time it was necessary on the Sarnia branch to use five grain freight cars on the end of the train to care for the overflow.

One of the officials attributed the light traffic to the inroads made by automobiles, which are now possessed by nearly every farmer in Western Ontario.

INCREASED AMOUNT OF GRAIN IN STORAGE AT CANADIAN ELEVATORS

Ottawa, Sept. 17.—According to returns received by the Dominion Bureau of Statistics for the week ending September 9, 1921, the quantity of grain in store at the different elevators throughout Canada has increased by 5,409,448 bushels, made up as follows: Wheat, 4,011,059 bushels; oats, 404,047 bushels; barley, 815,079 bushels, and rye, 188,424 bushels. Flax showed a decrease of 9,161 bushels.

The public and private terminal elevators at Port Arthur and Fort William showed increase in wheat of 1,149,949 bushels; barley, 260,424 bushels, and rye 131,341 bushels. Oats and flax showed decreases of 139,795 and 7,900 bushels, respectively.

U. S. FOOD PRICES INCREASE.
