TORONTO LEAGUE BASEBALL.

Stars Easily Defeat the Nationals—Wilmots Beat Crescents.

A good crowd witnessed the game at 2 p.m. Saturday between the Nationals and Stars of the Toronto Senior Baseball League on the old Upper Canada baseball grounds. Loose fielding by the Nationals and inability to hit Pitcher Smith lost them the game. The fielding of the Stars was the feature. The score:

Eastern League Baseball.

There is an interesting struggle going on in the Eastern League. Although the Syracuse Stars that play here next Monday are near the bottom, a very few victories would put them near the top. The team is playing good ball. Jay Faatz was laid off because he fell off in his batting, but he may play with the team here. Troy has a good lead with 30 won and 11 lost. Then follow: Wilkesbarre, 22—15; Providence, 26—18; Springfield, 21—21; Erie, 17—21; Buffalo, 19—27; Syracuse, 16—24; Binghamton, 11—26.

Baltimore Ahead in the National.

Hanlon's Orioles still hold their lead in the National League, although the champion Bostons are right on their heels. Pittsburg, Brooklyn, Cleveland Philadelphia and New York are also above the 50 per cent. mark. The victories and losses up to date are: Baltimore 33—12, Boston 34—13, Pittsburg 31—20, Brooklyn 29—19, Cleveland 27—18, Philadelphia 28—19, New York 27—23, St. Louis 22—29, Cincinnati 18—31, Chicago 16—33, Washington 16—35, Louisville 12—37.

Twelve Innings and No Score.

HAMILTON, June 23.—A very interesting and exciting game of baseball was played before a big crowd at Dundurn Park on Saturday afternoon between the Galt and Hamilton clubs in the Canadian Western League series. It was a pitchers' battle throughout, and the teams were so evenly matched that twelve innings were played without a run being scored. After the twelfth innings the visitors had to leave for home, and the game will be played again. Moore and Burnett pitched.

Leafs Slaughter the Alerts.

GUELPH, June 23.—The Alerts of London and the Leafs of Guelph met here to-day for the first time this season. The game was characterized by heavy batting on both sides. At the end of the fourth inning Sippi took ill and had to leave the field. Score:

London	1	1	5	1	0	0	0	— 8	9	10

AN OUTSIDER WINS THE DERBY.

Lucky Baldwin's Ray El Santa Anita Beats Senator Grady and Domino Disgraces Himself.

CHICAGO, June 23.—The Maltese cross of "Lucky" Baldwin's stables on the back of Jockey VanBuren was borne first past the post to-day in the American Derby by that sterling, steel-limbed Californian colt Ray El Santa Anita. The crowd, which was primed for a victory by either Domino or Senator Grady, was taken so completely by surprise that it lost its cheering powers for a moment and sat mute, but when the name of the winner was carried from mouth to mouth and the blackboard with the figures were hung up over the judges' stand the spectators forgot their disappointment and pecuniary losses and cheered long and loudly for the crack colt of the Santa Anita Stables and his fast time.

Ray did it easily too. From eighth place passing the stand to a winner by nearly four lengths over a track a few seconds slow was a remarkable performance. Senator Grady was second, two lengths in front of Corrigan's colt Despot. Keene's pride, Domino, no longer wears the title of "The Unbeatable," but to-night grovels in the infamy of defeat. He was not only whipped, but every horse in the race simply took him and wiped up the track with him.

Domino Out of Condition.

Domino certainly was out of condition and it is probable his long journey from the east had much to do with his overthrow, although his trainers say he was sound. He got off second and kept well up until the stretch, where the pace was so hot that he faltered and seemed to give up. Taral was evidently waiting for the stretch to bring the crack through, as he kept him well up, but as the bunch rounded homeward Baldwin's horse shot out like an arrow from a high-strung bow and passed the cavalcade in a furlong. Senator Grady's performance was notable. He was last at the quarter, but gradually drew up until the head of the stretch, when he, too, set out for home at a business gait. He was surprised, however, by the burst of speed by the California horse, and although he was pushed with vigor he was not dangerous.

"Lucky" Baldwin was voted to-day to be the luckiest man on earth by more people than filled the space inside Washington Park track fence when his bay colt won the eleventh American Derby contest with as much ease as though the son of Cheviot and Alaho had been on a trial spin. The hopes of scores of thousands who had hazarded all on Senator Grady, Domino, Despot and Dorian were dashed to pieces by the easy winning of the California colt, and incidentally the bookmakers are rolling in a bed of greenbacks to-night, for the winner of the $20,000 purse was backed but lightly by the talent at 30 and 40 to 1.

A Rising Jockey.

The Derby of 1894 will also be distinguished in sporting history for the lightning change made by the winning jockey, Van Buren, from comparative obscurity into fame and a small fortune on a single race and will also be famous in turf history from the fact that Ray El Santa Anita covered the distance, and handily, too, in 2.36, the time made by his immediate predecessor, Boundless. Last year's track, however, was much faster than that of to-day.

No rain was falling from the threatening clouds when at 3.50 p.m. the Derby starters came to the post. Cashday and Lucky Dog had been scratched just before the limit of time set, leaving nine three-year-olds to made the great race for gold and glory as follows: Ray El Santa Anita, Senator Grady, Despot, Prince Carl, Dorian, Orinda, Resplendent, Alcanor and Domino. As the nine precious animals paraded past the grand stands and the club house for the benefit of the sweltering thousands of spectators mighty and sustained cheers and pet calls greeted all who had friends and backers, and all the horses had both more or less. Domino, Senator Grady, Despot and Dorian received the greatest share of the demonstration on the part of the expectant multitude, which had impatiently looked at the first two races.

A Good, Quick Start.

Starter Pettingill kept the bunch at the post only 13 minutes, then dropped the flag to a good start. Corrigan's gelding had the honor of the lead, being ahead in front of Domino. Baldwin's colt started third one length before Dorian. Senator Grady, the idol of the Eastern contingent, got off last in the procession of racers. At the quarter Alcanor was first by three lengths, Domino a half length in front of Prince Carl, though being pushed hard by Despot. The California colt had fallen back to seventh place, while Orinda and Senator Grady brought up the rear. As the bunch reached the stand the splendid cavalcade brought up a double company front. Resplendent showed in front of the Senator, Alcanor and Prince Carl were lapping Senator Grady, with Domino close up, while Despot, Dorian and Sanat Anita were in front of the lonely filly Orinda. At the three-quarters Resplendent was holding his own. Senator Grady, running without effort, was slightly in the lead of Alcanor, Dorian and Prince Carl. The California beast was dragging along in seventh place. As the crowd reached the mile, Garrison brought Grady up very neatly and assumed a prominent lead. VanBuren also did some pushing, and as the horses straightened out up the back stretch Anita was in second place. Alcanor was third, half a length to the good of Domino, while the others were strung out. Van Buren was uneasy and nervous and pushed Grady. By the time the quarter was reached he had passed the Eastern crack and was holding his own without apparent effort. Prince Carl braced up a bit and took third place, while Domino could do no better than fourth.

Closing Up For the Stretch.

There was a gradual closing up as the bunch reached the head of the stretch The jockeys leaned forward, let out a knot or two, and many of them brought the whip into play. Rounding to the stretch Anita still held first place by a length. Garrison on Senator Grady began to whip and pushed the Californian hard, but failed to rush him. Prince Carl was third, a half-length in front of Despot, Domino in the fifth place, and laboring hard. Evidently it was all up with him. Nearing the wire VanBuren gave Anita his head and he came under the wire a winner by four open lengths. Grady was in the place, three lengths ahead of Despot. Prince Carl, Dorian, Orinda, Resplendent and Alcanor came straggling in, while Domino brought up the rear. The time 2.36. The time by quarters was: First quarter .27¼, half .52¾, three-quarters 1.19¾, one mile 1.45¼, mile and a quarter 2.10, mile and a half 2.36.

The Rookies Got All the Money.

Thirty-five thousand people saw the races and the bookmakers got all their money. Billy Lyle's Feytonia, mentioned as a Derby possibility, won the first at 100 to 1, and one Eastern bookie had the audacity to give 300 on the beast. The favorite, Maid Marian, was never heard from. The other races were evenly divided between favorites and second choices, who were not very heavily played.

It is calculated that 50,000 people were present. Senator Grady at 7 to 5 against, and Domino at 2 to 1, were the favorites. The results follow:

First race, 1 mile—Feytonia 1, Senator Ciby 2, Flora Thornton 3. Time 1.41¼.

Second race, ¾ mile—Glenmoyne 1, Cora Taylor 2, Uncle Luke 3; time 1.15.

Third race, American Derby, 1½ miles, $25,000 added, of which $20,000 to first, $3000 to second, $2000 to third.

Pat Oakley Bolted.

NEW YORK, June 23.—About 15,000 persons witnessed the fourth day's races of the meeting at Sheepshead Bay to-day. There was not a breath of air at the track, and if anything it was warmer than in the city. The first race was practically a gift for Stonenell. He took the lead in the first furlong and won as he pleased by a length and a half. The second race was hotly contested. The coon was the first to show in front, but was quickly joined by Gutta Percha. The pair, only heads apart, alternated in the lead the entire journey. Opposite the betting ring Littlefield began to drive the filly, and at the sixteenth post Doggett, on The Coon, went to the whip. He outrode Littlefield clearly and won the race, after a terrific struggle, by a nose. Deception took the third race from Melody, after severe punishment, by a head. In the fourth event on the card, the Coney Island Handicap, Sirrocco took the lead and held until coming out of the dip, where Hurlingham took up the running. The latter was quickly challenged by Armitage, who took the lead and maintained it to the wire, winning by a neck. In the fifth race Spread Eagle and Herald led the favorite Roche until they had reached the turn for home. Littlefield then gave Roche his head, and he quickly passed the others and won by half a length. Thirteen horses faced the starter in the sixth race, which was won by Lord Harry, with Houri second and Rosa H. third. The last race on the card was the Coney Island Grand National Steeplechase over the full course. The race proved to be a pretty one, and was won by Glenfallon by one length. Rodman finished second five lengths in front of St. John third. Ingot and Pat Oakley bolted. San Jose fell, and Jockey Bishop was carried off the field insensible. It is thought that he is not seriously injured.

East Toronto Again Defeats Rosedale—A Close Finish.

Saturday afternoon on the Baseball grounds Rosedale met with defeat at the hands of the Orients by five runs and one wicket, chiefly owing to the work of East Toronto's professional Attewell, who again came off with the ball, he obtaining seven wickets for 20 runs. The fielding on both sides was a little loose or Attewell's analysis would have been a very fine one. Lyon of Rosedale played a lucky innings for 28, being marred by several chances. Howard also batted well for 11, not out. For the Orients Vandyke, Larkin and Ed. Smith, with 11, 13 and 15 respectively, were principal scorers. The finish was very exciting to the large number of spectators present. Score:

Interest chiefly centered in the attempts of Ray McDonald of the Riverside Wheelmen to beat the half mile track record and John S. Hyslop started at Rosedale Saturday, paced by Hulse and Rogers on a tandem, to make a Canadian record for the mile, but when he had gone 1 1-2 laps in 1.32 for some reason or other he stopped and did not ride out the trial.

The Capital-Shamrock Row.

OTTAWA, June 24.—The game between the Shamrocks and Capitals here on Saturday was only won by the men from Montreal by five goals to four. This did not represent an idea of the play. About 6000 saw a rough match and it was very largely in favor of the Shamrocks. Unfortunately both the crowd and some of the players disgraced themselves, and it was clearly demonstrated that a few months in jail for some of the players and friends of the Shamrocks would do no harm. It was during the progress of the seventh game that the big row took place. Kelly, who was completely out-playing Powers, was not satisfied with this, and deliberately held him out with his stick. The referee did not see it, but President White of the Capitals had Kelly arrested at once. In the meantime the referee's whistle had not been heard and Wall and Crown started a fight. Devine went in to separate them and the crowd rushed on the field. One Griffintown tough was arrested and his friends made a raid on the police to rescue him. The latter drew their batons and by promptly using them they succeeded in quelling the disturbance. At the end of the match another row occurred when Dwyer, who was ruled off for trying to hurt Lacey through the fence, refused to go off the ground. The police tackled him and he was forced off. In all during the match six times were the Shamrocks punished for fouling and twice Ottawa men went off for retaliating. Referee Brophy did his duty without fear or favor, but there is no doubt the rough usage the Capitals got had a great deal to do with shaking them up and the poor show they made. Lord Aberdeen faced the ball at 3.30. The teams:

Capitals (4): Goal, Crown; point, Patterson; cover, Quinn; defence, Devine, H Carson, Power; centre, James; home, Carleton, Carson, Lacey; outside, Murphy; inside, Ketchum.

Shamrocks (5): Goal, Stinson; point, Dwyer; cover, Murray; defence, Moore, O'Brien, Hinton; centre, Kelly; home, Neville, Danaher, Tansey; outside, Wall; inside, Tucker.

Toronto in Third Place.

The two Montreal clubs are tied for first place in the Five Club League with 2 victories and no defeats. Toronto comes next with 1 won and 1 lost. The Capitals played their first championship game Saturday and lost it 5 to 4. Cornwall's 6 to 1 defeat at Rosedale made the third straight loss for the Factory Town and puts them easily at the bottom.

Elms and Parkdale Tie.

The championship lacrosse match at Island Park Saturday between the Elms and Parkdales ended in a tie. The first game was scored by Belfry of the Elms in 1 minute, the second by the Parkdales in ¼ hour. The game could not be continued on account of the Elms' inability to supply enough balls on account of losing them in the water, and the referee gave the Parkdales the game 4 to 0, which no doubt will be rescinded by the League and ordered to be played over again. The Elms had the best of the game throughout the match. Referee—G. Boyd. Umpires—G. Drury and A. Belfry.

And Galbraith Was Referee.

GEORGETOWN, June 23.—The lacrosse match here to-day in the Central District series of the C.L.A. resulted in a complete victory for Brampton by 4 games to 2. The first two goals were taken by Brampton in 1 and 3 minutes respectively, the third by Georgetown in 6 minutes, the fourth by Brampton in 20 minutes, the fifth by Georgetown in 25 minutes and the sixth by Brampton in 7 minutes. W. H. Galbraith, referee.

OVER THE NETS.

Vigilant May Try For the Gold Cup.

LONDON, June 23.—The Field to-day asserts upon authority that the Royal Victoria Yacht Club has received no challenge or even an intimation of a desire on the part of either George or Howard Gould to have the Vigilant take part in the contests for the gold cup. This disposes of the story that the Royal Yacht Club had refused to entertain the Vigilant's entry and leaves it safe to infer, The Field adds, that the Royal Victoria Yacht Club will not offer any objection should the Vigilant enter for the gold cup.

Toronto Sailing Skiff Race.

The Toronto Sailing Skiff Club's race for 16-footers was sailed in a light and variable breeze. Four yachts started, the Violet dropping out on the first round. Signa won, with Nina second and Scout third. Next Saturday the club cruise takes place, when 20 boats and 100 members are expected to take part.

Vreda Won the Cruising Race.

The Royal Canadian Yacht Club's fleet for the Saturday cruise to Hamilton left their moorings at 2 p.m. The wind was generally fluky. The Vreda had bad weather at times, while Condor was becalmed for some time. The yachts remained over night at Hamilton, where the crews enjoyed the hospitality of the Royal Hamiltons. Only three completed the course and arrived home last evening. Commodore Boswell's Vreda won, with C. A. B. Brown's Condor second and Mr. Gooderham's Vivia third.

Athlete Cigarettes—more sold of this brand than all other cigarettes combined.

Fever and Ague and Bilious Derangements are positively cured by the use of Parmelee's Pills. They not only cleanse the stomach and bowels from all bilious matter, but they open the excretory vessels, causing them to pour copious effusions from the blood into the bowels, after which the corrupted mass is thrown out by the natural passage of the body. They are used as a general family medicine with the best results.

Athlete Cigarettes have no rivals.

Still Another Triumph.—Mr. Thomas S. Bullen, Sunderland, writes: "For fourteen years I was afflicted with piles; and frequently I was unable to walk or sit, but four years ago I was cured using Dr. Thomas' Eclectric Oil. I have also been subject to Quinsy for over forty years, but Eclectric Oil cured it, and it was a permanent cure in both cases, as neither the piles nor quinsy have troubled me since."

Your Choice

An unusually large number of handsome patterns are shown in our annual spring stock-reduction sale of Carpets and Lace Curtains this June. And since the best patterns are usually first to go, we would ask you to come before the variety is depleted. Everything we offer was imported by us direct, and expressly for this season's trade, and the clearing prices in many cases are fixed at our first cost of the goods. For remnants of carpets the prices are still less.
