YORK COUNTY AND SUBURBS

Final Reading Given to Toronto Junction Bylaw Exempting the Dodge Pulley Co.

CONSIDER IT IN INTEREST OF TOWN.

Sudden Death of Henry Franks at Maple—York S. S. Association to Meet.

Toronto Junction, June 6.—A special meeting of the Town Council was held to-night, to give the final reading to the by-law exempting the Dodge Pulley Company's new factor yand equipment on Pelham-avenue, which is to cost $40,000, also to grant exemption to the extent of 75 per cent. on the general tax rate for five years, upon their existing factory. At present the assessment of the factory is $30,000, upon which they pay $270 school tax. Should the addition be assessed at $30,000, the town will receive $540 school tax and $113 general tax, this amount being one-quarter of the general rate, which it is proposed to tax them on the existing factory. If the present factory was assessed to its full value, the revenue would amount to $720, so that by exempting the new factory the full general rate, and taxing them one-quarter of the general rate on the present building, there is a difference of $67, which will be compensated for by the increased population, as the company agrees to employ not less than 200 men, where now they employ 89. Councillors Beatty and Chisholm opposed th ebylaw, and did not favor exemption to any extent upon the existing factory, altho willing to consent to exemption on the proposed addition. The Council, however, felt that, in view of inducements offered by other towns, that it was in the best interest of the town to have the addition and the increased population.

Lakeview Lodge, I.O.O.F., No. 272, has elected these officers: N.G., J Hilyer; V.G., J S Hicks; rec.-secretary, W N Colvin; president, Mr Blewett; secretary, J H Agnew; district representatives, J H Danbrook and F Horner; Grand Lodge representative, R Paterson.

The (Massey) Dentonia Park Farm management are congratulating themselves upon the good results obtained from their two thorobred Jersey cows, Primrose Park Pride and May Queen of Greenwood, who have been first and second in the milk test at the Pan-American Exhibition ever since it has been opened. The Whitchurch Feud.

The scrimmage that occurred between the three Buckindales and Martin Roach and Patrick Young has another phase. It will be remembered that the Buckindales were committed for trial by Magistrates Saunders and Stark and a true bill was found by the present Grand Jury against the Buckindales. After the committal the Buckindales went to Newmarket and laid informations against Roach and Young before T. J. Woodcock, County Councillor and Auditor, charging Roach and Young with the same offence as the Buckindales were committed for. Roach now is committed for trial, and if the case comes up at the present sessions and a true bill found it will then depend upon the Crown who shall be tried first.

The county authorities have had numerous complaints lately in reference to the bicyclists in racing costume scorching on the cinder path, and it is not at all unlikely that the county police will receive instructions to enforce the law and to put a stop to all the races on the county roads.

W. H. Hill of 1634 East Queen-street was summoned before G. W. Ormerod for allowing a nuisance on his premises, viz., a rifle range on Coxwell-avenue. He was committed for trial.

North Toronto.

The town has had a paid magistrate for about one year, but the difficulty of reaching him to secure his service when wanted is creating considerable dissatisfaction. Chief Wainsley has been desirous of securing a summons for some days past, but was unsuccessful until last evening.

Trustee Douglas presided over a full meeting of the Public School Board, held last night, to decide upon the selection of a principal for the Eglinton school. Twenty-four applications were received, and the salaries asked ranged from $450 to $800. The list of candidates was simmered down to about six, and these will be asked to present themselves in person at an adjourned meeting of the board.

A charivari at the residence of W. White on Wednesday night is likely to lead to trouble for some of the lads who participated in the fun. The addition of fireworks to the disturbance caused damage that is not appreciated by the newly-married couple.

The annual excursion of the North York Agricultural Society will be run on the 12th inst. to Port Sandfield and other Muskoka points.

Bands at Hanlan's.

The military band concerts at Hanlan's Point are attracting large crowds to the popular summer resort, and with the fine weather there is no prettier spot to spend a few hours. To-night the Queen's Own Band will be in attendance, and on Saturday night and Sunday afternoon and evening another of our local regimental bands will provide the music. Next week a special bill of vaudeville acts will be given, and the management desires it understood that the entertainment is absolutely free.

Twenty Thousand Summer Undervests

To Sell at About Half Price.

An enormous purchase by us of high-grade goods—a magnificent bargain opportunity for you to buy Summer Underwear.

That is cause and effect of one of the sale events of the season. We have bought a manufacturer's entire stock—1700 dozen Undervests, at a cut price, and Saturday morning will commence to sell them at about half the regular price. Every garment in the lot is newly made for this season's selling, and all are first-class quality—not seconds.

It will be impossible to show the entire range of styles at one time. We have therefore arranged to spread the 1700 dozen over one week's selling. New lines will be brought forward each day, but no matter what day you come you can be sure of getting the biggest bargain in Undervests it has ever been our fortune to offer.

Remember that **Diamond Brand Underclothing** is all made from specially selected fine cotton yarns, and by the same mills and by the same machines and operators that make the celebrated "Health Brand" Underwear. Every garment is guaranteed to give the maximum of comfort and wear.
