FINAL DIVISION

Balance of Money Raised by 'Prentice Boys for Benefit of Orphans.

A year ago King Edward Lodge, No. 80, P. A .P. B., held a fair in the Curlers' Rink, West St. John, for the benefit of the orphans, making the sum of $2,007.74 clear. Of this amount they gave $257.74 to furnish a room in the Memorial Home for Children in Wright street, also another sum of $500 toward supporting the home, and the sum of $500 to the Martello annex of the St. John Orphan Association.

This left the sum of $750 in the hands of three trustees to be donated to the proposed new Protestant home. On last Monday night the lodge decided to divide this latter amount between the two first named orphanages, the lodge pledging itself for $750 as soon as the new orphanage has advanced far enough to use the money.

To the Martello annex to furnish a room, $250.

To the Martello annex support, $250.

To the Memorial Home, $250. Making a total of $750, thus relieving the trustees (L. E. Rolston, W. W. Donahoe and Clifford Price) of the fund of which they have been custodians.

THREE MEN TOOK SCHOONER ACROSS THE ATLANTIC

A remarkable passage has been accomplished by the large Danish three-masted schooner Harris, which made a voyage from Campbellton to Coleraine, Ireland, with only three men on board to handle her. The voyage was made in twenty days. Just as the schooner was about to sail from Campbellton the entire crew before the mast deserted and, as Capt. Harris did not want to come to St. John for another crew he decided to sail without one. He had with him C. Rasmussem, the mate, and O. Gadow, the steward, aged 18. When the people of Coleraine learned that the three had taken the vessel of five hundred tons across the Atlantic they tendered them a banquet and reception and presented to them mementoes of the occasion.
