SAVINGS BANK DEPARTMENT

Prompt attention given to the collection of Farmers' Sales Notes.

ago. Stockers, 500 to 600 lbs. each sold at $3 to $3.50, and feeders, 800 to 900 lbs. each, at $3.75 to $4.25 a cwt.; good feeders of heavier weights are worth $4.50 to $4.75 a cwt.

The run of milkers and springers was large and had there not been a little more outside buying prices would have dropped. Several dealers from Montreal were on the market last week looking for milkers. Prices ranged from $35 to $57 each. First-class milkers would go higher than the latter figure.

There is a little firmer feeling in cattle, though the run was fairly large. The bulk sold at $3 to $4.50 a cwt., with some choice ones selling at $6 to $6.50 a cwt. The Buffalo market is reported active and steady.

There was a heavy run of sheep and the market weakened considerably. Lower prices are looked for. Export ewes sold at $4.24 to $4.60; yearlings at $5, with few offering, and bucks at $3.50 to $4 a cwt. Spring lambs sell at $5 to $6 each.

There was some advance in hog prices in keeping with values f.o.b. at country points. Selects were quoted at $6.15 and lights at $5.90 a cwt. At Buffalo, pigs are quoted at $4.25 to $5.20, and dairies at $5.60 to $5.90 a cwt. The English bacon market continues to advance. The Trade Bulletin's London cable of June 18th is as follows: "The market is firm at an advance of 2s. Canadian 54s to 56s."

UNION STOCK YARD PRICES

West Toronto, Monday, June 22nd.—The run at the Union Stock Yards today was 41 cars, comprising 816 cattle, 34 sheep, and 56 calves. Trade was good, especially for exporters. One shipment of 5 car loads of cows and steers sold at $5.50 to $6.50. One choice load of steers in this lot would have brought 8? a cwt. if sold separately. A load of grass-fed cattle sold for $6 a cwt. Export bulls sold as high as $5.75 for choice ones, the general run selling at $4.50 to $5.25. Butchers' cattle were a little slow, though choice stall-fed are in demand. Prices range from $3.50 to $5.75 a cwt. Calves are slow at $3.50 to $5 a cwt. Sheep are weaker and lower prices are expected. Export sheep sold at $4 to $4.40; bucks at $3.50 to $4; and spring lambs at $5 to $6 each. Hogs are quoted at $6.50.

EXPORT BUTTER AND CHEESE

Montreal, Sat, June 20th.—The demand for cheese this week was so keen that the market at the end of the week was practically bare of stock. Easterns and anything underpriced being particularly difficult to find. This increase in the demand was, of course, immediately reflected at the country markets and the prices paid there for the offerings were steadily raised until on Saturday the top notch was reached when 11⅝c was paid at Cornwall. The ruling price paid on Friday and Saturday, however, was 11⅝c to 11 9-16c as compared with 11¼c and 11 5-16c on Thursday. This is an advance of one half cent, a pound in the week, and seems to be backed up by a general demand from England.

Shipments this week totalled about 85,000 boxes—actually a greater quantity than we received—showing the extent to which the market has been cleaned up.

BUTTER AND CHEESE

The butter market also scored an advance during the week owing to an active demand from the other side at prices which looked prohibitive at the beginning of the week. The demand was chiefly for salless butter and mild salted goods and everything available was cleaned up and shipped—the shipments for the week aggregating 9,000 packages. The increased demand was immediately felt at country markets and another advance was scored —butter at Cowansville on Saturday selling as high as 23⅝c a lb., the ruling price being 23½c. Whether or not the English market will follow the advance remains to be seen. There is a general scarcity of butter all over the world and it looks as if prices will remain high all summer. Our make is slightly heavier than last year and our farmers are reaping the benefit in increased prices.

MONTREAL PRODUCE TRADE

Montreal, Sat., June 20th.—BUTTER.—Prices have been advanced this week and have ruled at 24c to 24½c for choice creamery in prints and 23½c to 24c in solids. Ordinary finest has been quoted at 23c and good dairy at 20c to 20½c a lb.

EGGS.—The receipts are heavy and the market is easy although there is no actual change in prices from last week. Selects are quoted at 18c to 19c and No. 1 at 16½c to 17c No. 2 at 14c per doz.

CHEESE.—There is a good demand from the local trade at 12¼ to 13c for this season's goods. Small cheese are quoted at 12c to 12¼c.

MONTREAL HOG MARKET

Montreal, Sat., June 20th.—Prices for live hogs are slightly lower than they were a week ago owing to the heavy supplies and general lack of interest in the trade. The ruling price paid this week was about $6.50 a 100 lbs. for selected lots weighed off cars—and the trade generally look for still lower prices next week unless the supply of live hogs falls off considerably.

There is a steady demand for dressed hogs at $9 to $9.25 a 100 lbs. for fresh killed abbatoir stock.

There is a good trade doing in packing house products, hams and bacon being in good demand.

PETERBORO FARMERS' MARKET

Peterboro, Ont., June 20, 1908.—The market this morning was very small, all farmers being busy with operations in the country. Potatoes and green stuff were offered in large quantities, but these two classes of farm produce were about the only things to be seen, outside of butter and eggs. Chickens were also offered in large lots and brought fairly good prices. The following were the prices ruling:

EGGS—17c to 18c a doz.

BUTTER—Dairy butter, 20c to 21c a lb.

POULTRY—Dressed chickens, 75c to $1.25 a pr.; ducks, $1.25 a pr.; turkeys, $1.25 to $2 each, according to weight and quality.

POTATOES—80c a bag.

VEAL—Hind quarters, 9c a lb.; fore, 8c.

PIGS—Young pigs, $5 to $6 a pr.

VEGETABLES—Onions, 3 bunches for 10c; radishes, 5c to 10c; lettuce, 3 for 10c; rhubarb, 3 for 15c.

HAY AND STRAW—Hay, $9 to $12 a ton; straw, $4 to $5 a load.

LIVE HOGS—$6 a cwt.

PETERBORO HOG MARKET

Peterboro, Ont., June 20, 1908.—The market is a lot steadier than at this time last week, the cables from the Old Country and United States making things feel steadier all round. Deliveries are still free but owing to the dealers discriminating against the shipment of unfinished hogs, not many of this class are coming in. A half cent a pound is taken off for hogs of this nature. The Geo. Matthews Co. quote the following prices for this week's shipments: f.o.b. country points, $6 a cwt.; delivered at abbatoir, $6.25.
