Victoria College Defeats Dents in Jennings Cup Final

Note and Comment

A. R. Morrison, the Winnipeg cricketer now in the city, wha pays attention to games in general in the west, knows the Victorias' style of play admirably and gives it as his opinion that the Allan Cup holders will have little chance against Eatons. He would class the big store outfit up to the standard of the clubs of the N.L.U., except of course, he knows that the latter are professional.

Col. Grasett in the annual police report deprecates the increase of betting in the city, but on the other hand has a good word to say for the pari mutuels at the Woodbine, showing that the new method has on its side law and order.

According to one of the Hamilton papers the red clay race track and the only turf course in Canada is to have opposition. The Herald last night said: The fact that the Metropolitan Racing Association of Toronto has secured an option on a piece of property east of the Jockey Club has started a rumor to the effect that a half-mile track will be built and races held here on dates which will not conflict with the Hamilton Jockey Club's meetings. Another association which has a charter is looking for a suitable spot for a half-mile track, but it will be for the harness horsemen. A big harness meeting may be held and there will be matinees every week. Of course there would be nothing to prevent the association holding a running meeting, but it is hardly likely that it will.

Two of the tourists gave a few samples of Winnipeg raising and running shots yesterday afternoon under the gallery at the Granite, while two rinks of afternoon curlers kept right on till their twelve ends were finished, paying all attention to their own little game, instead of stopping and admiring, as might be expected, the advanced play of the benspiel celebrities.

There was a story going the rounds that Willie Keeler, who was with us last year, was to go to Japan to act as a baseball coach. The Japanese, as we know them, are about Willie's size, and he would be a great example of what a little man can accomplish in baseball. However, as Willie has been engaged to act as coach of the Brooklyns, and will go to Hot Springs with them, perhaps he is not going to the orient after all.

Victoria (B.C.) Times: It is very probable that neither Doey Spring nor Len Turnbull of Westminster will go east to play with the Torontos this year. Their agreement with that club was that they would go if Grumpy Spring would accompany them, but the little home player has refused all offers from the east so far, and he is not likely to go, so that if Doey and Len are offered proper inducements to stay on the coast there is little doubt but that they will appear in the line-up of the redoubtable Salmon Bellies this year. Many Westminster lacrosse enthusiasts lost heart when they heard that both Doey and Len were going away, and predicted the breaking up of the great team that has for so long kept the name of New Westminster to the front in the world of sport. To them it will be cheering news to learn that the chances are neither of the two players will go east.

Report has it now that Sammy Lichtenheim's fine for letting out the baseball schedule ahead of time is to be $500. Might as well make it $1000, as suggested by McCaffery of Toronto. There's one fact no one denies, viz., The Montreal Herald is the goat in the controversy. None of the circuit papers seems to mind the incident, except an odd one that was caught asleep at the switch.

Uncle Sam's two outlaw baseball leagues may avoid some of their obstacles in the way of lack of grounds by picking up those discarded in major cities, as five new ball yards are to be ready for dedication this year. Detroit and Boston, in the American League, and Cincinnati, in the National, are supposed to be ready for the opening of the season. New York, in the American, and Brooklyn, in the National, will dedicate new parks later in the year.

A Pittsburg scribe tells how Pitcher Charles Adams of the Pirates received the nickname of "Babe."

It was a merry little schoolgirl who gave Adams the cradle monaker. The christening took place in Denver, where Adams was pitching some years ago. They met at a birthday party. The girl asked Adams his full name.

"Charles B.," replied the big pitcher.

She demanded to know the middle name. "Is it Baxter, Bond, Bertrand or Bartholomew—or what?" she asked.

Adams, just to tease her, wouldn't tell. "Then, I'll call you Babe," she replied. The next day a girl's voice cried: "Go it, Babe!" Two thousand Denver fans took it up. The name "Babe" stuck and followed Adams to Louisville and Pittsburg.

University Hockey Teams Play Forty Minutes Overtime

Score Four All at Full Time and Finished 6 to 4—Riverdales Win Juvenile Game.

Victoria College defeated Dental College yesterday afternoon, 6—4, in the final game for the Jennings Cup.

It required forty minutes of overtime before the winner was declared, Victoria scoring two goals in the last five minutes of the overtime.

The game was decidedly fast, and the teams were evenly matched, Dents got off in front, but by half-time Victoria evened up and the score stood 2—2. Dents went to the front again in the second half, but Victoria plugged along and when full-time was called they had evened it up again, 4—4. It was then decided to play overtime, five minutes each way, and no less than four of these periods were played before a winner was declared. Teams:

Victoria (6)—Goal, Brown; point, McDowell; cover, Jewett; rover, McLaren; centre, Burwash; right, Rodd; left, Burt.

Dents (4)—Goal, Douglas; point, Bailey; cover, Knight; rover, Beaton; centre, Bricker; right, Stewart; left, Zinn.

Ottawa Cinched The Stanley Cup

Defeats Wanderers 6 to 4 and Win the National Hockey Association for This Year.

OTTAWA, Feb. 28.—After a hard-fought match, in which Ottawa gained the decisive lead as the result of a questionable goal in the second period, the locals tonight defeated the Wanderers, 6—4, and nailed down the Stanley Cup for another year, practically winning the N. H. A. championship thru their own victory over the Redlands and the defeat of Quebec at Montreal.

To-night's game was played on a fast, glassy sheet of ice, but the hockey was only brilliant in spots, and for the most part was ragged and rough, tho it was exciting, on account of the fact that the championship practically depended on the result. Line-up:

Ottawa (6)—Goal, Lesueur; point, Ross; cover, Shore; centre, Ronan; right, Darragh; left, Kerr.

Wanderers (4)—Goal, Boyer; point, Ross; cover, S. Cleghorn; centre, Russell; right, O. Cleghorn; left, Roberts.

Referee—Russell Bowie.

Judge of play—C. Powers.

Quebec (3)—Goal, Moran; point, Prodgers; cover, Hall; centre, Malone; right, Oatman; left, Macdonald.

Payer replaced Payan, Dallaire replaced Payer, Marks replaced Oatman.
