Marathons Win Another.

In a hotly contested ten-inning contest, the Greeks took a fall out of the Woodstock Colts here on Saturday afternoon, by defeating them by a score of 8 to 7. The Colts started off at a great clip and at the end of the third had amassed seven runs while the Greeks could not get a man across at all. Steve White, who started the game for the Greeks, was taken out in the third and was replaced by Winckler, who pitched great ball for the remainder of the game. The Marathons got into their stride a little later in the game and at the end of the ninth the score was 7 all. The Greeks managed to squeeze a man over in the tenth inning and won.

Delano was on the mound for the visitors and pitched good ball. The Marathons all played good ball, O'Keefe at shortstop showing up well.

The score was:

Woodstock.

Nova Scotia League.

The Socials defeated the Stellartons by a score of 5 to 2 in Halifax on Saturday. The Halifax Standards won the game in Westville, 5 to 2.

Hillandale Won.

There was a lively game of baseball on Saturday afternoon on the Woodman's Point diamond, when Hillandale defeated Woodman's Point by the score of 16 to 7. The batteries were:—For the winners, P. McAvity and T. McAvity, and for the losers, Daley, Bowman and Magee. F. J. Knowlton was umpire. The 62nd band played selections during the afternoon. In the evening the band supplied music for a dance at Westfield.

Capital Comment.

The Fredericton Gleaner says:

Harrigan expects to be ready to work on Monday at St. John.

Who are the Woodstock players slated to get canned? Stone is now manager and Paddy Duff continues as captain. Dan McMahon is apparently through and there are those who sympathize with the old veteran in his hard luck and broken health.

Some of the attempts at bunting by the Pets of late have been painful to look upon. Any ball player who takes money for his services ought to learn how to bunt.

Biddo Iott was suffering a lot of pain last evening from being hit on the forearm by that pitched ball.

Diamond Sparkles

Stovall, of the Browns, had seven assists at first base in a recent game.

Wolverton makes hits so often batting in a pinch that the substitutes keep in condition running for him.

Mike Donlin is batting .364 for the Sheckard Pirates.

Pitchers are putting the ball over for Sheckard more this season, and he isn't enjoying as many strolls to first base as he did last year.

Meyers and Doyle are having their usual neck and neck race with the slapstick. There is saldom over ten points difference between them.

Rube Merchant, a young Virginia twirler has pitched two no hit games this season in the Appalachian League.

Three times this season Bill Sweeney has made five hits in one game. Opposing pitchers, when such feats were accomplished, were Knetzer-Rucker, Harmon-Geyer-Willis-Sallee, and Benton.

A pitcher such as Johnson or Wood ought to be a tremendous asset in a world's series, especially the former with his great effectiveness and stamina. In a seven game series he could go in every other game.

When it comes to stealing bases there appears to be only one real, simon pure greyhound, he being Milan. He has stolen sixty-one bases, and the nearest to him in either league is Eddie Collins, with forty-one.

One of the most successful instances of a pitcher dropping into the minors and then returning to the elite set is that of Jean Dubuc. He has been a big factor in what measure of success the Detroits have gained this year.

Speaking of control, was there ever a pitcher better than Christy Mathewson or his equal? In the last fifty-four innings the New York wizard has pitched, the fifty-four innings representing seven games, he has given only two bases on balls.

MILLER HUGGINS OF THE CARDINALS IS AGAIN TALKED OF AS NEXT MANAGER OF THE CINCINNATIS TO SUCCEED O'DAY

Cincinnati, Aug 18—The belief grows in Cincinnati that Hank O'Day, the old umpire, will not be the manager of the Reds next season. His team started off this year like world beaters, but when the slump started it proved to be permanent, and the fickle fans have quit yelling for O'Day. Miller Huggins, of the St. Louis Cardinals, has been mentioned several times in recent years as a possible manager of the local team, and there are many who now believe that he will have the post next year. Huggins has made good as a player at second base with the Cardinals and, while Roger Bresnahan would hate to lose him, it is not likely that he would stand in the way of Huggins bettering himself.

Baker as Run Getter.

If all the members of the world's champion Athletic team had hit in the timely fashion that John Franklin Baker has done this season, few of the Mackmen would have been left on the hassocks this campaign and the probabilities are the White Elephants would be way out in front, instead of trailing the Red Sox and the Senators. For J. Baker is leading not only his league, but also the National, in driving in runs—or at least he was at the close of business on July 26, when a trial balance on these statistics was struck.

Baker has passed the three-quarter post in banging in tallies, having 78 to his credit. He is closely pursued for the honor of being the timeliest hitter of the major leagues by Larry Doyle, the Giants' captain, who ran third in the voting for the Chalmers National League trophy last season, and who, if he keeps up his present hurricane pace will probably run higher this season. Doyle has put the finishing touches to 72 of the Giants' tallies and has been most prominent in the McGrawites' nine inning rallies.

Tied for third place in the Timely Kitters' League are Tris Speaker of the Red Sox and Sam Crawford of the Tigers, each with 64, and closely following them is Stuffy McInnes, with 62. Nineteen men have batted in fifty or more runs thus far this season and twenty-one have hammered home between forty and fifty counts. Frank Schulte, the National League's most opportune clubber and Chalmers trophy winner in 1911, is in the latter brigade and Ty Cobb, who captured the same honors in the American last year, in the former.

Of the forty men credited with batting in 40 or more runs, five are Giants, four are Mackmen, four are Red Sox, four are Tigers, three are Pirates, two are Naps, two are Braves, and two are Reds. In addition, one Highlander, one Superba and one White Sock find representation in the honor list.

Tennis

The St. John tennis court was the scene of three interesting matches Saturday morning and afternoon when the members of the local club defeated Rothesay. The Turf

New Trotting Record for Yearling.

Louisville, Ky., Aug. 17—A special from Lexington to the Herald this morning says:

At the Blue Grass fair yesterday, the brown colt, Peter Volo, owned, trained and driven by Ed. Willis, colored, of Patchen Wilkes farm, trotted to a world's record for yearlings of 2.19 flat displacing the time made by his relative Miss Stokes of 2.19 1-4 in September 1909.

Middleton Races Off.

Middleton, N. S., Aug. 17—(Special)—At the last moment the races at Middleton on Saturday had to be called off on account of sickness among the horses at the trotting park.

The Quincy baseball team defeated the Middleton nine.

The Ring

Wolgast and McFarland.

Cadilac, Mich., Aug. 18—After months of dickering and dispute, "Ad" Wolgast, champion lightweight pugilist, and Emil Thiry, of Chicago, representing Packey McFarland, have signed articles for a ten round no-decision fight between Wolgast and McFarland before the Madison Square Athletic Club, New York, on September 27. The terms provide that Wolgast's share of the purse will be $15,000, with a controlling interest share of the pictures. McFarland is to get 17 1-2 per cent. of the receipts and 10 per cent of the picture money. Wolgast consented to allow McFarland to weigh in at 135 pounds at three o'clock in the afternoon.

To Meet Tomorrow.

Victoria, B.C., Aug. 18 — John Bayley, lightweight champion of Canada, will meet Scott, of Seattle, in a 15-round in the Arena rink here on Tuesday. Scott fought a 20-round draw with Bayley some months ago and is the only man whom Bayley has failed to defeat since the latter entered the professional ranks.

Lacrosse

A Grip on Cup Lost.

Vancouver, B.C., Aug. 18—The Minto Cup emblematic of lacrosse championship of the world is as good as gone from Vancouver after Saturday's defeat of the champions by Westminster, when the latter team nosed out with a close finish of five to four. Vancouver would have to win all the next five games to get an even break with Westminster on the series.

Cricket

Quebec Defeated.

Quebec, Aug. 18—Quebec lost to the New York cricketers yesterday, the lead gained by the visitors in the first innings being too big for the locals to overcome. Quebec made 91 in its second innings, but New York came back with 90. The score in the first innings was 48 for Quebec and 71 for New York.

Aquatic

A New Champion.

London, Aug. 818—J. H. Taylor, an English swimmer, yesterday won the long distance amateur swimming championship of England on the Thames. He swam five miles and sixty yards in one hour, five minutes and seven and two-fifths seconds.

The previous holder of the title was M. E. Champion of New Zealand, who last year swam over the course from Kew to Putney Bridge in one hour, six minutes, eleven and two-fifths seconds.

THE LURCHER LIGHTSHIP.

The lightship maintained on the Lurcher shoals wil be removed on or about Aug. 31 to undergo necessary repairs, pending which her station will be shown by a combined gas and whistling buoy, painted red and showing an occulting white light.
