THE VICTORIA WASHING MACHINE!

Obtained the FIRST PRIZE at the Provincial Exhibition in London, in 1861.

THIS

LABOUR-SAVING MACHINE

WAS tested by the *Bureau of Agriculture,* and declared to be the best yet brought under their notice. It is simple in its construction, easily worked, and not subject to get out of repair.

The cleansing process is effected by the rapid action of the water in the Machine, and not by *pressure* or *rubbing,* thereby avoiding the slightest injury to the finest fabrics, with a much less quantity of soap than under the hand-washing system. Persons who have used them are satisfied that the machine is capable of doing as much work in two hours as can be accomplished in a day by the ordinary process, thus

Saving 4-5 of the time and Labour

And two-thirds of the Soap generally used.

The undermentioned persons purchased Machines, and having given them a full trial express their entire satisfaction:

J. J. Wright, Huron Hotel; Isaac Frederick, Jeweller; W. T. Cox, *Signal* office; Alex. Nasmyth; H. Horton, Esq.; Peter Nolan; D. Cummings; Robt. Gibbons, Esq. Warden; Peter Gillies; R. Runciman, Esq.; Rev. Chas. Fletcher, Many other names might be added, if necessary.

CASH PRICE ONLY $6.50.

The Subscriber having purchased the Patent Rights for the County of Huron, is now prepared to supply the machine of which he solicits a trial, feeling assured that all who test it will be pleased with the rapidity and ease with which an otherwise tedious and laborious wash is performed.—Ladies will confer a favor by allowing the machine to be tested at their residence, to which it will be conveyed by the proprietor at all times, again should it not be purchased. All the subscriber desires is that the merits of the Machine should be thoroughly tested. Parties wishing to try it will communicate with the proprietor.
