The case of Bodine vs. the New Jersey Railroad Company, in a suit for damages, which are stated to have been laid at $20,000, for putting him off out of the Cars because he had not paid through passage, has been decided in favor of the Company.

The Eastern Line has been out of order all day, and the tidings of the *Cambria* have, consequently, not been received.

The rain is now coming down in torrents.

A fire occurred early this morning in the four story brick building, used as a Cabinet Manufactory, at 22, Remington Street, which was entirely consumed; several buildings in the rear were more or less damaged. It is feared that the walls of the Manufactory, falling on the corner building, have buried several persons beneath the ruins, though, as yet, but one man has been found. A Watch of 10th Ward, two Policemen of 14th Ward, and Mr. Cornell, assistant-foreman of the Hook and Ladder Company, No. 3, were much injured. The property is partly insured.

The ship *Houghton* arrived from Liverpool this morning, she had 15 deaths on board from Cholera, and 8 sick.

PITTSBURGH, Nov. 9.—The Grand Jury have found a True Bill against the Editor of the *Post* for Libel, he having pronounced General Taylor's nomination, reported by Templeton, a caricature and imbecility.
