A LECTURE TO YOUNG MEN.

We have recently published a new edition of DR. CULVERWELL'S CELEBRATED ESSAY on the RADICAL AND PERMANENT CURE (without medicine) of Nervous Debility, Mental and Physical Incapacity, Impediments to Marriage, etc., resulting from excesses.

☞ Price in sealed envelope, only 6 cents, or two postage stamps.

The celebrated author, in this admirable essay, clearly demonstrates, from thirty years successful practice, that alarming consequences may be radically cured without the dangerous use of internal medicine or the application of the knife; pointing out a mode of cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and RADICALLY.

☞ This lecture should be in the hands of every youth and every man in the land.

Dungannon Fall Show.

The Dungannon Fall Show was held on the show ground on the 25th ult. There were 730 entries. The show in all respects was a decided success. The Directors of the Society deserve great praise for its success and management. The day was beautiful and the turnout of visitors was good considering the number of shows that were held in different places during the week. All the departments were very complete. The show of cattle, sheep and implements was very large. The fruit and vegetables were of a very superior quality. The ladies' work was well worthy of honorable mention.

A Card.

TO all who are suffering from the errors and indiscretions of youth, nervous weakness, early decay, loss of manhood, &c., I will send a receipt that will cure you, FREE OF CHARGE. This great remedy was discovered by a missionary in South America. Send a self-addressed envelope to the Rev. JOSEPH T. INMAN, Station D, New York City.

WHAT THEY SAY OF IT. A FEW FACTS FOR THE PEOPLE.—There are but few preparations of medicines which have withstood the impartial judgment of the people for any great length of time. One of these is Dr. Thomas' Eclectric Oil. Read the following and be convinced:—Thomas Robinson, Farnham Centre, P. O., writes, "I have been afflicted with rheumatism for the last ten years, and have tried many remedies without any relief, until I tried Dr. Thomas' Eclectric Oil and since then have had no attack of it. I would recommend it to all." J. H. Earl, Hotel Keeper West Sheffor ad P. Q., writes "I have been troubled with liver complaint for several years, and have tried different medicines with little or no benefit, until I tried Dr. Thomas' Eclectric Oil, which gave me immediate relief, and I would say that I have used it since with the best effect. No one should be without it. I have tried it on my horses in case of cuts, wounds, etc., and think it is equally as good for horse as man." A. Maybee, Merchant, Warkworth, writes, "I have sold some hundreds of bottles of Eclectric Oil, and it is pronounced by the public, 'one of the best medicines they have ever used;' it has done wonders in healing and relieving pain, sore throats, etc., and is worthy of the greatest confidence." Joseph Ruman, Township of Percy, writes, "I was persuaded to try Dr. Thomas' Eclectric Oil for a lame knee which troubled me for three or four years, and I never found anything like it for curing lameness. It is a great public benefit."

Beware of Imitations.—Ask for Dr Thomas' Eclectric Oil. See that the signature of S N Thomas is on the wrapper, and the names of Northrop & Lyman are blown in the bottles, and take no other.— Sold by all medicine dealers. Price 25 cts. NORTHROP & LYMAN, Toronto, Ont., Proprietors for the Dominion.

NOTE.—Eclectric—Selected and Eclectized

AS SURELY AS EFFECT FOLLOWS CAUSE, so surely will disease eventually fasten itself upon a system deficient in vital energy, if tonic medication is not resorted to in time. The necessary tendency of a weak discharge of the functions of the body is to disorder its organs. Invigoration, prompt and thorough, is the only safe guard. No renovant of depleted physical energy, no restorative of lost flesh, nerve power and cheerfulness, has more clearly demonstrated its efficacy than Northop & Lyman's Quinine Wine. In this preparation, associated with the salutary medicines which forms its basis, is pure sherry wine and certain aromatic constituents, which impart an agreeable taste to the article, and gives additional emphasis to its effects. In cases of general debility and dyspepsia it is invaluable and the desired effect is, in the vast majority of cases, remarkably prompt as well as decisive. That good natural appetite, which gives a relish for the coarsest fare, is insured by the use of the Quinine Wine, which also confers brain soothing and body refreshing sleep. Fever and ague and bilious remittent fever, are diseases to the eradication of which it is specially adapted; but it should be used only in the intervals between the seizures. The far-reaching effects of a good tonic, in all complaints involving loss of physical energy, are well understood by physicians, and the comprehensive influence for good of this preparation upon the system goes far to bear out the professional belief in the value of invigorants as opponents of disease. Be sure to ask for the "Quinine Wine" prepared by Northop & Lyman, Toronto Sold by all druggists.

A REALLY GOOD ARTICLE

We would call the attention of all interested to a particle of undoubted merit, and which we would advise all in want of to give a trial. We refer to "Darley's Condition Powders and Arabian Heave Remedy" now being extensively used by many of the largest horse dealers in the country; these men have discovered that it improves the condition of the horse by purifying the blood, and removes from the lungs and liver all that prevents their healthy action; its effects is soon apparent in the improved appearance of the animal, which is one great reason why horse dealers use it as they are thus enabled to get better prices and at the same time give their customers sound and healthy horses. Remember the name and see that the signature of Hurd & Co is on each package. Northop & Lyman, Toronto, Ont., proprietors for Canada. Sold by all medicine dealers.

BEWARE OF AMERICAN COUNTERFEITS.

I most respectfully take leave to call the attention of the Public generally to the fact, that certain Houses in New York are sending to many parts of the globe SPURIOUS IMITATIONS of my Pills and Ointment. These frauds bear on their labels some address in New York.

I do not allow my Medicines to be sold in any part of the United States. I have no Agents there. My Medicines are only made by me, at 533, Oxford street, London.

In the Books of directions affixed to the spurious make is a caution warning the Public against being deceived by counterfeits. This not being relied by this audacious trick, *as they are the counterfeits they pretend to denounce.*

These counterfeits are purchased by unprincipled Vendors at one-half the price of my Pills and Ointment, and are sold to you as my genuine Medicines.

I must earnestly appeal to that sense of justice which I feel sure I may venture upon asking from all honorable persons, to assist me, and the Public, as far as may lie in their power, in exposing this shameful Fraud.
