OATS ARE VERY ACTIVE ON THE LOCAL MARKET

Are Now Worth From $1.29 to $1.31 Per Cwt.—Fruit Rather Scarce.

Today's market was a quiet one, and rather smaller than usual. A few loads of hay sold at from $13 50 to $14 50 per ton. Hay is active in price once more, and for the next few weeks there is little likelihood of the market being oversupplied with hay.

Oats are now worth from $1 29 to $1 31 per hundredweight, and at this figure are active in price. Very little old oats is now being supplied to the local market, and it may be a week or more before any new oats are offered.

Fruit was not overly plentiful. There were a few small consignments of apples, pears, peaches, plums, tomatoes and cantaloupes. Apples are now selling at from 50 cents to $1 per bushel. Peaches and plums in small baskets vary from 40 to 60 cents per basket. Pears were offered today at 50 and 55 cents per basket. Tomatoes varied all the way from 75 cents to $1 15 per basket. Contaloupes readily brought 75 cents per basket.

Eggs and dairy produce are still active at firm prices.

NEW YORK, Aug. 1.—(Noon)—Pronounced heaviness developed in a number of leading stocks during the first hour, both Union Pacific and Reading declining about a point, and fractional losses were sustained in nearly all the usually active issues. There was no special reason for the selling. Brooklyn fell ⅝ with some sellers talking of fixing of a 5-cent Coney Island fare for a part of the day as an entering wedge to making it the regular rate. The various specialties were neglected. London was a small seller on international issues, sales from Europe helping to make the market tone heavy.

Sacred Concert Sunday Night.

On Sunday evening the London City Band will provide the music for a concert in Victoria Park from 8:30 till 10 o'clock. Other interesting features will be vocal numbers by Mrs. (Dr.) Kingsmill and Mr. Chris Pink. The concert will be one number on one number on the programme for the entertainment of the London Old Boys.

Money For the Old Boys.

There will be a collection taken at the band concert tonight at Victoria Park to raise funds for the Old Boys' celebration. There will be a large committee of citizens at the gates, and it is hoped that a generous response will be given to the appeal for money. The programme will be rendered by the Salvation Army band. A meeting of the reception committee will be held at 9:30 o'clock. It was the intention to hold this meeting at 8, but owing to the band concert it will not be held until the later hour. A full attendance of the members is expected.

A Londoner Honored.

Mr. John M. Laird, who until some two years ago, was a member of the staff of the London Life Insurance Company, of this city, has recently been accorded the coveted degree of Fellow of the Actuarial Society. Only three men in the United States and Canada received this degree during the present year. Mr. Laird is now acting actuary of the Connecticut General Life Insurance Company, of Hartford, Conn.

A Wise Dog.

A citizen who was on his way to Port Stanley on the evening train last night and didn't want to take his little fox-terrier with him, got rather a surprise. He threw the dog off the front coach when the train stopped at Colborne street and then went in and sat down. The dog just ran back to the next coach and climbed on and went to sleep under a seat. When the citizen got out on the platform at Port Stanley he nearly collapsed when the dog came jumping up to him, wagging its tail and apparently enjoying the joke as much as anybody

GENERAL SYNOD MEETS SEPT 6TH

Resolution Relating to the Ne Temere Decree Will Be Introduced.

CHURCH UNION ON PAPER

A Motion Will Be Brought in to Change the Name of the Church of England in Canada.

The General Synod of the Church of England in Canada will meet in this city on Sept. 6. The session will open with divine service in St. Paul's Cathedral, when a sermon will be delivered by the Right Rev. Bishop Morrison, of Duluth. The business sessions of the synod will be held in Cronyn Hall. In addition to a large amount of routine business, memorials and motions, which will be considered, it is interesting to note, that memorials relating to the "Ne Temere" decree of the Roman Catholic Church will be presented by the Dioceses of Ontario, Rupert's Land, Saskatchewan, Algoma and Toronto.

The Diocese of Nova Scotia will present a memorial on the subject of the increase of the Episcopate of the Canadian Church.

The Diocese of Quebec have prepared a memorial on the subject of the preservation of the laws of morality on ships carrying immigrants.

The same diocese will also present a memorial asking for the adoption of a canon to provide for Episcopal oversight in a dioecese where necessary by reason of the physical or mental incapacity of the bishop to discharge the duties of his office.

To Interest Young Men.

The Archbishop of Ottawa has given notice of a motion calling for increased attention on the part of parents, clergymen and bishops and dioceses to the necessity of interesting young men in the work of the ministry of the church. The motion expresses the opinion that each diocese ought to make liberal provision for the support and training of young men who offer themselves for the church.

The Ven. Archdeacon Ingles will introduce a motion "that in the opinion of the General Synod the tile 'The Church of England in Canada' is not a correct description of the church, and is not the best name that can be devised." The motion also calls for a vote by the members of the Synod to decide on the most suitable name.

Church Union.

The question of church union will be introduced in connection with a motion by Judge Ermatinger, which reads as follows:

"That the spread of the Gospel messages and of Christian ministrations can more effectively and speedily be promoted by the elimination of unnecessary competition between the several Christian churches whose doctrines are practically the same.

"Be it, therefore, resolved that a standing committee of both houses be appointed to co-operate with similar committees or other authorities of churches, inf ormulating a plan for defining, territorily or otherwise, the fields of operation of the respective churches and taking necessary steps to carry the plan into effect.

Board of Missions.

The general board of missions of the Church of England in Canada will meet on Sept. 4, two days previous to the general Synod.

The general board of missions meets semi-annually, while the general Synod meets only every four years. The session of the 1911 will be the sixth session of the Canadian Church Synod.

MAJOR HAYS IS REVELLING IN MONEY

Taxes Are Pouring in at the City Hall.

Major Hayes is literally revelling in money.

For the past week, he has been receiving the first installment of the taxes, and as a result, floods of the coin of the realm have been pouring into his office.

Today he has been engaged in opening letters, and counting up the checks. So far 720 have been opened, and there are about 500 more yet to be checked.

"The receipts this year will be fully equal to last year, perhaps a little better," said Major Hayes. "The citizens have responded well, and we will have little or no diffic
