WEDNESDAY, 10th JULY
TUESDAY, 10th SEPT.
THURSDAY, 10th OCT.

Notice is hereby given, pursuant to a By-law, No. 2230, passed on THE 17th DAY OF MAY, that provision is thereto made for the payment of taxes for the current year in manner following, that is to say:

(1) The taxes for the year 1889 shall be payable from and after the day of the passing thereof, subject nevertheless to extension of time being given in the interest and convenience of the citizens, for the collection of the same by instalments or otherwise and on the days and times hereinafter mentioned.

(2) Items of taxation under six dollars, and rates or assessments under the head of Local Improvements, or for Statute Labor shall not be liable to sub-division, and may be deferred to the 10th day of September, 1889, the day named for the collection of the second instalment of divisible taxation.

(3) The payment of all other taxes for 1889, save and except items thereof under six dollars, and rates or assessments under the head of Local Improvements, or for Statute Labor, as in the preceding section mentioned, may be deferred, and collected by instalments in manner following, that is to say: The amount of each item of taxation shall be sub-divided into three instalments, and on the punctual payment of the first of such instalments, on or before Wednesday, the 10th day of July, but not otherwise, an extension of time may be given for the payment of the second instalment to Tuesday, the 10th day of September, and on the punctual payment of the said second instalment on or before Tuesday, the said 10th day of September, but not otherwise, a further extension of time may be given for the payment of the third instalment to Thursday, the 10th day of October, 1889.

(4) The payment of taxes, under the second section of this by-law, may be made to the collectors of the several wards of the said city, at the several places named hereunder, at any time before the said 10th day of September, without any addition thereto; and payment of taxes under the third section of this by-law may be made to the collectors of the several wards of the said city, at any time before the said 10th day of July, without any addition thereto, and subject to the proviso that on the punctual payment of the first instalment of the same on the said 10th day of July, but not otherwise, an extension of time may be given for the payment of the second instalment to the 10th day of September, and on the punctual payment of the said second instalment on or before the 10th day of September, but not otherwise, an extension of time may be given for the payment of the third instalment to the 10th day of October, 1889, without any addition thereto; and that an addition of five per cent. shall be made to every tax, rate or assessment remaining unpaid after either of the days named for the payment thereof, or in the event of parties availing themselves of the proviso in that behalf, to the respective instalments of the same, unpaid on the day on which the same may be paid as aforesaid; and it shall be the duty of the collectors appointed for the year, immediately after the said several days named for payment as aforesaid, to collect at once in their respective wards, by distress or otherwise, under the provisions of the statutes in that behalf, all such taxes or instalments of taxes, rates and assessments as have not been paid on or before the said several days named for payment as aforesaid, together with the said percentage charge of five per cent. upon the amount of every such unpaid tax, rate or assessment.

(5) Ratepayers who may not desire to avail themselves of the principle of divisional payments, but prefer paying their taxes in bulk on or before the 10th day of July, shall be entitled to a reduction of one per cent. on the payment of both or either of the two instalments which might be deferred to the 10th day of September and the 10th day of October respectively.

(6) Ratepayers who have duly paid the first instalment, and on or before the 10th day of September may prefer paying the said two remaining instalments together, shall be entitled to a reduction of half one per cent. on the last instalment, which might be deferred to the 10th day of October.

(7) Collectors can be called upon at any time at their several residences, which are situate as under, and the St. Lawrence, St. Andrew's, St. Paul's Halls, and St. Mark's and St. Alban's Hall, will be open as their public receiving offices as under, in which the collections will be taken from 9 till 1 and from 2 to 5 o'clock, for four days preceding the said 10th day of July, 10th day of September and 10th day of October, and to the hour of 7 o'clock p.m. on those days, of which all ratepayers are required to take notice and govern themselves accordingly.
