THE CITY AND SUBURBAN.

Although the City and Suburban is one of England's biggest races, the Associated Press could only furnish the winning horse, without further details, which was the only information about the big event given here yesterday. The race was on Wednesday at Epsom and again the Prince of Wales was present with Prince Christian and a large party.

The City and Suburban Handicap is for 2000 sovereigns, and was won by the Duke of Devonshire's Balsamo. This event is for 3-year-olds and upward, the second horse to receive 200 sovereigns and the third 100 sovereigns out of the race; course 1½ miles. Fifteen horses came to the post. GETTING FASTER AT WOODBINE.

The Woodbine track was a busy scene yesterday morning. All the horses were out and a number of railbirds were there. Some of the horses showed the best of form and what they could do on a good track such as the Woodbine is.

Ben Pope sent Red Pat, Sir Lawrence and Pay or Play down the back stretch in 27 seconds. Lady Stella ran away with her rider and covered a half in :57½. Red Monk and Sleepy Belle worked a good half in :56. Mr. Dawes was present and was well satisfied with his horses' appearance. Dixon sent Billy Dinmont, Springbok and Rideau a mile in 1.54, Billy Dinmont leading the pair around.

Johnny Graver gave All Blue and Paper Weight a stiff half.

Mr. Dawes' Plantagenet and Musgrove run a half in 53⅝ seconds, and Nugent did the distance in 53⅝.

Ralston sent Cheetham a mile in 1.56 and St. Vincent covered a half in 50 seconds.

Charlie Boyle did not bring the Seagram horses down to the track yesterday, they doing their work at Newmarket.

Mike Gorman had his string out and the mare, Anna Lyle, reeled off a mile in 1.53. Odd Genius and Kenosha finishing up a quarter second slower. Dom Pedro was given a good gallop. The youngsters, Wink and Julia Flynn, were let out and did three-eighths in 40 seconds.

Many of the trainers and stable boys are staying at George Decker's new place opposite the track. He will shortly open out in the Small building, which he will fit up in good style.

OSGOODE HALL L.T. CLUB.

A meeting of the Executive Committee of the Osgoode Hall Lawn Tennis Club was held yesterday and was largely attended. Work has been commenced on the new courts, which will be ready for play in a couple of weeks. New members are joining daily and an auspicious year has been entered upon. The committee decided to hold a Canadian championship tournament in September and delegates were appointed to attend the meeting of the City Lawn Tennis League.

OTTAWA COPS IN LINE.

Ottawa, April 29.—The Ottawa Police Amateur Athletic Association is the name of a new athletic organization that was launched this afternoon. The idea is to develop a taste for athletics among the members of the force, and to assist their physical development. It was decided to accept the offer of the Toronto association of three gold medals for competition in the different branches, and a vote of thanks to the Toronto policemen was unanimously passed.

SPORTING NOTES.

The annual meeting of the Weston Amateur Athletic Association will be held in the Eagle Hall, Weston, Friday, 30th inst., at 8 p.m. S. R. Fraser, secretary.

The following schedule of American inter-collegiate cricket matches was given out: Monday, May 14, Harvard and the University of Pennsylvania; May 19, University of Pennsylvania and Haverford College; May 21 or 29, Harvard and Haverford.

Jack McDonough of Rochester says he would like to get on a match with Jack Crawford, the middle-weight, who defeated Joe Dunfee of Syracuse, at Buffalo, Monday night. McDonough is confident that he can defeat the Canadian and says that he can get backing if the match is made. He will meet Crawford before any club, but preferably in Buffalo.

W. J. Griffin, who is training the Trinity athletic team is backed up by the opinion of no less a personage than Harry Bethune in the declaration that Ben Coyne is regaining his old-time form and will shortly meet Whitcombe at Akron, O., for a big stake. They have been working on the Exhibition track with Duke Campbell, the Trinity sprinter, and W. Hubbard, the 300 yard and quarter-miler. Bethune announces that he will go over to Buffalo today.

Two exciting coasting matches came off in the early morning yesterday on Jarvis-street. The first one was won by Mr. Fred W. Tanner of The Globe Cycling Club, with John Poole of The Mail B.C. second and John A. Copland of The Globe C.C. third. The second one was won by John A. Copland, John Poole being second and George Gibb of The Globe C.C. third. Mr. George Thompson of The Globe acted as judge at the finish and Messrs. Gardiner and Richards of The Mail and Globe respectively were the starters.
